Sidney Township Board members,

As I sit here looking out over my pond waiting for my husband to come in from hunting, I offer prayers to god that I don't have to look at wind turbines for the rest of my life.

I urge you to go with the citizens of our township and draft an ordinance that Apex won't work with! You know the effects that they can have on people not to mention our beautiful landscape. Thank you for your time.

Sincerely,
Ronnie & Patty Skindedecker
