

# ANCOP 2015 in Review

The Ancop National Conference, held in Regents Park NSW, December 2014, enabled CFC Ancop coordinators Australia-wide to regroup, report on shared experiences and concerns, and adopt a fresh corporate structure. The experience was very much "A bruised reed he will not break, and a smouldering wick he will not snuff out, till he has brought justice through to victory."(Matthew 12:20).

# ANCOP 2015

- (i) to administratively support the states and territories;
- (ii) to empower local teams to source and capitalise on fundraising opportunities;
- (iii) to spark and develop agency, advocacy and charity among CFC members; and
- (iv) to grow our partnership base.
