Brian Alderman #63

Brian is a true definition of a Jenks Trojan. He worked hard to obtain his starting position at right guard on the offensive line. Brian has dedicated himself physically and returns this season 40 lbs lighter, in the best shape of his career. As a 500 lb. squatter, Brian is a young man who will lead the Trojans to a successful season.

Logan Allison #87

Logan is currently recovering from an early season injury and is awaiting his release to competition with the wide receivers corps. Logan has great character and work ethic and epitomizes Trojan spirit.

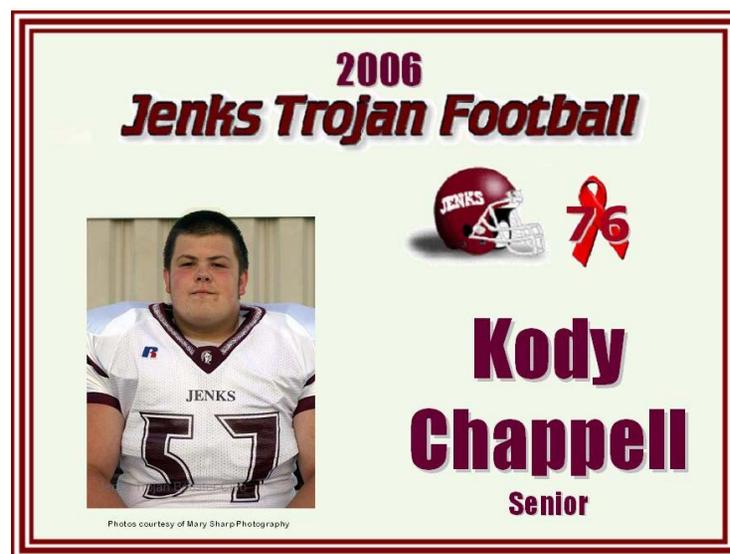

Garrett Bennett #76

Garrett was the epitome of a Jenks Trojan football player. He took great pride in being a Jenks Trojan and worked hard to become the starting center this season. Garrett will be our rallying cry this season and will not be forgotten. [Click Here](#) to view Garrett's Memorial web page.

Stephen Campbell #14

Stephen was a two-way starter during his junior season. He will return this fall in the best condition of his life to focus on his wide receiver position. He will be a valuable leader to the receiver corp. His great knowledge of the game, as well as his speed, will help the Trojan's achieve a winning season.

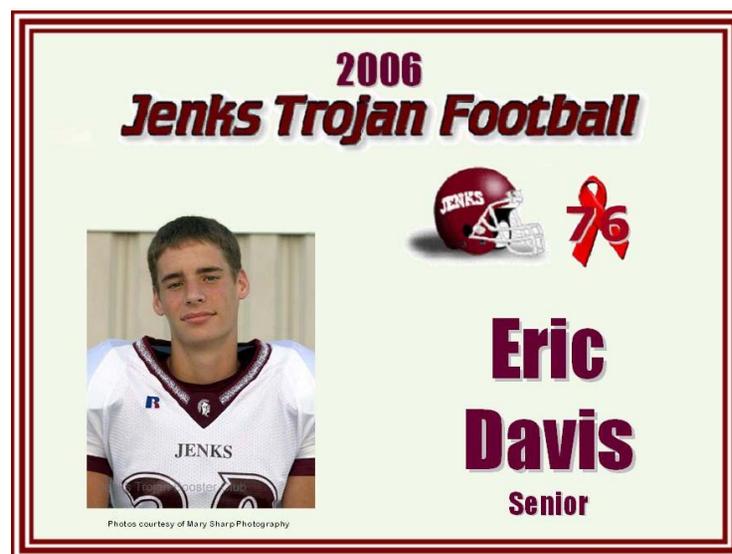

Kody Chappell #57

Kody is dedicated Trojan offensive lineman who plays with great pride and intelligence. He will be fighting for the center position with a number of quality offensive linemen. Kody is a student of the game and his strongest attribute is knowledge of the Jenks Trojan system.

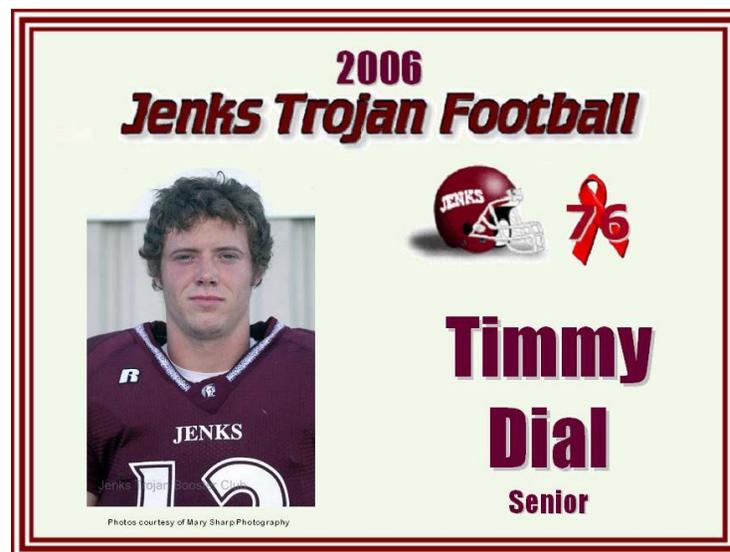

Ty Cobb #72

Ty returns this season as a starting left offensive guard for the Trojans. He is a physically dominating player who leads the offensive line with tenacity and toughness. Ty's ability to dominate the line of scrimmage should lead to a consistent running game for the Jenks Trojans.

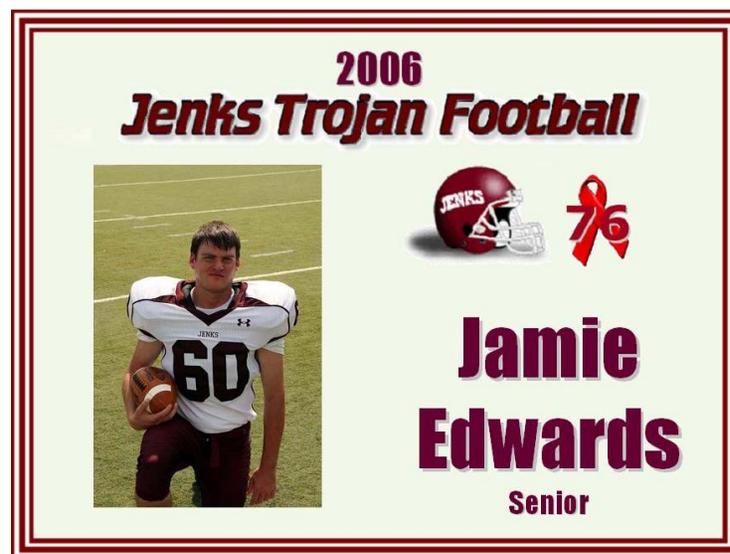

Eric Davis #29

After missing most of his junior year with a hand injury, Eric has battled back stronger and faster than ever. His height and hands will enable him to make a great impact for the Trojan offense this season.

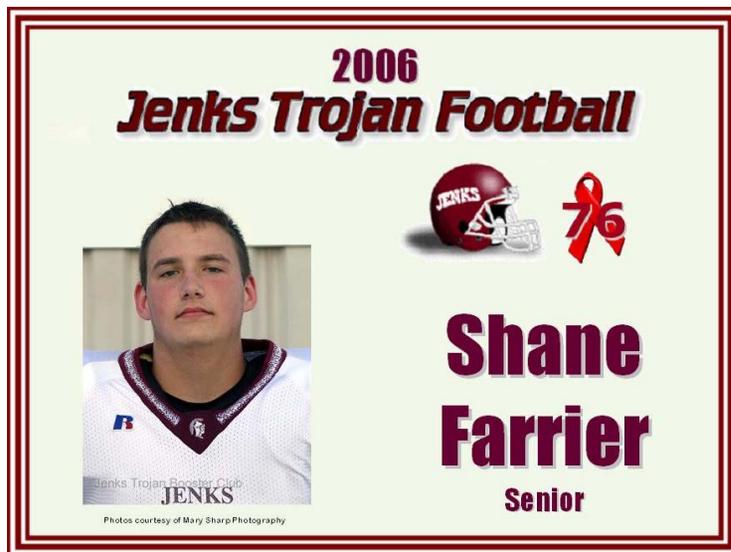

Timmy Dial #12

Making an early commitment to the University of Arkansas, Timmy will anchor the Trojan secondary as free safety this season. With his tremendous athletic ability, Timmy will be a valuable asset to the Trojan secondary.

Jamie Edwards #60

Jamie takes the field as a Jenks Trojan as a first year player in his senior year. He worked hard all summer in the weight room as well at the track and is ready to help the Trojan gold ball campaign.

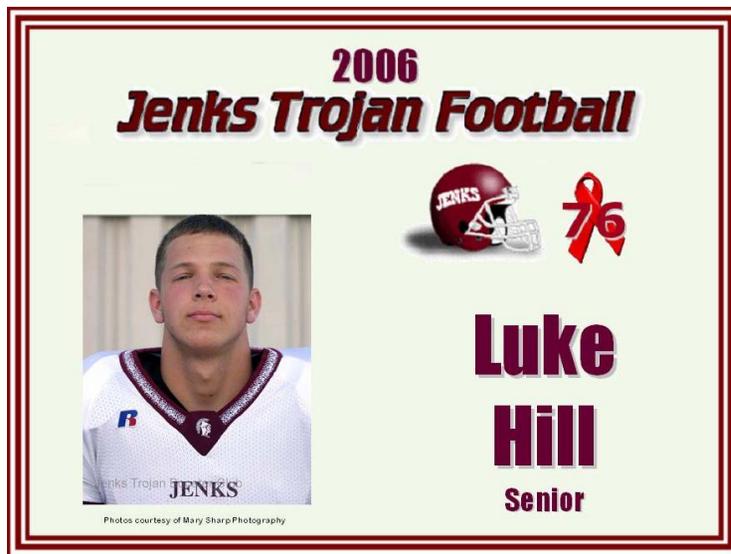

Shane Farrier #78

Shane provides versatility for the offensive line. His ability to play all three positions and his knowledge will provide depth on the line. Shane returns for his senior season ready to contribute to the Trojan campaign.

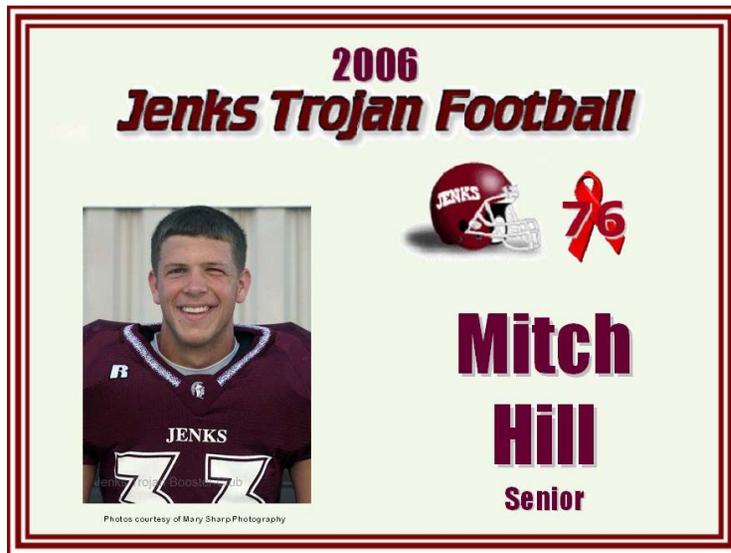

J.C. Forrester #32

J.C. starts his second season as inside linebacker for the Trojans. He is a very dedicated and conditioned athlete. J.C. brings a fiery and motivational attitude to the Trojan defense. J.C.'s character makes him a great leader by example for Trojans of all ages.

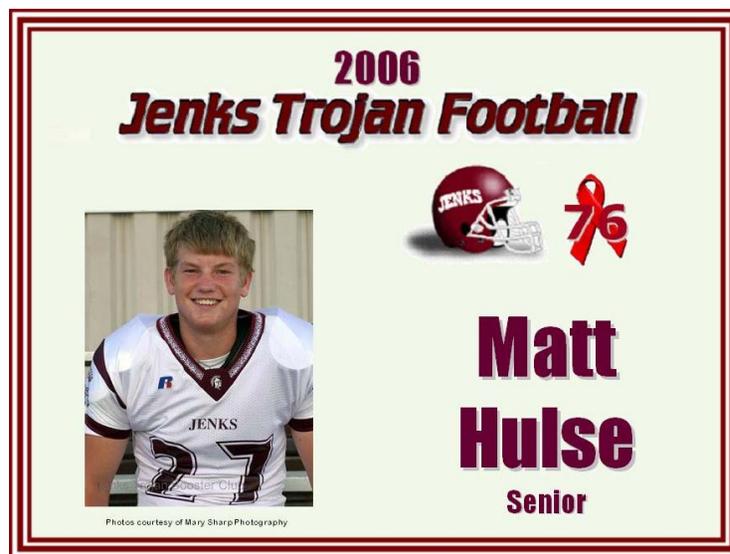

Luke Hill #37

Luke is an avid weight lifter and fiery competitor. He takes his skills and tenacity to the fullback position as well as many special team positions. Luke is a tireless worker for the Trojan cause and will bring intensity to every phase of the game.

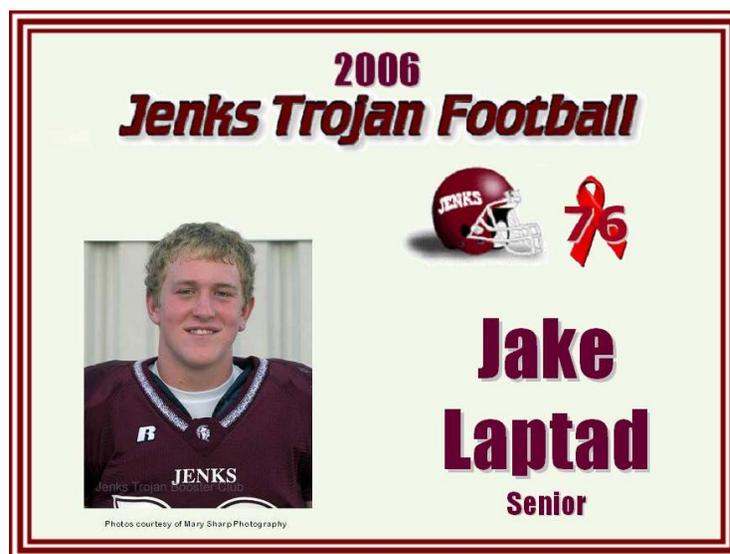

Mitch Hill #33

Mitch makes the move to outside linebacker this year where he will provide great enthusiasm and intensity to the defensive unit. He will play a variety of roles for the Trojans this fall.

Matt Hulse #27

After debuting last year as a junior, After participating in various kicking camps and tryouts during the summer Matt enters his senior season ready to lead the Trojans kicking program for his senior season. Matt has developed into one of the state's best kicker and will be a valuable weapon this fall.

Jake Laptad #82

Jake is a returning two way, two-year starter for the Trojans. He returns for his senior season bigger and faster in all aspects of the game. Jake will once again play defensive end, tight end and the long snapping position. Jake will be a threatening target at tight end and a dominating defensive end.

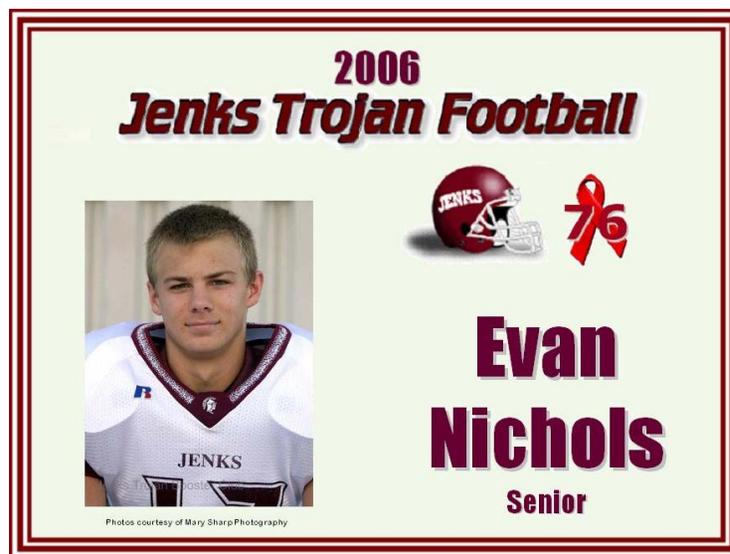

Keith (Stumpy) McIntyre #62

Keith has earned the respect of the entire Trojan team. His tenacity and dedication and hard work are an asset to the Trojan cause. Stumpy is an icon on the Trojan squad and provides quality depth in both the nose guard and defensive tackle position.

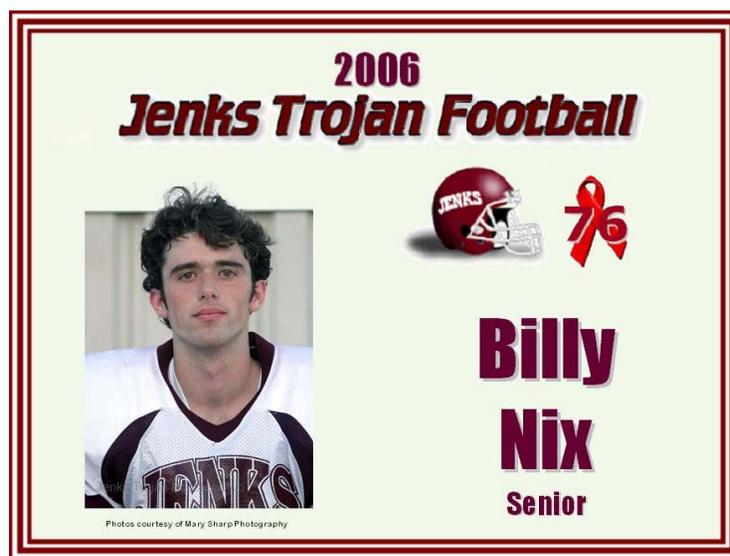

Keith Mefford #23

Keith is another pure Jenks Trojan. Keith has worked hard and waited his time to impact the Trojans at fullback. A hard hitter, great blocker along with good hands make Keith a great candidate for the Trojan's fullback this season.

Evan Nichols #17

A severe summer injury has hampered Evan's preparation for his senior season. He is in his final stages of his rehabilitation and is awaiting the opportunity to join the wide receiver corps. Evan's height and great hands will be a valuable asset to the Trojan offense this fall.

Billy Nix #5

Billy enters his second year working with the Trojan quarterbacks corps. Billy demonstrates great effort and works hard to ensure success of the Trojans.
