

# Live LOOK

Changing the way you read your Preliminary Title Report.

Chicago Title is proud to introduce LiveLOOK - a real time presentation of your Preliminary Title Report.

At the time of receiving your Preliminary Title Report via email, you will also receive a hyperlink that will direct you to your LiveLOOK page, similar to the one displayed above.

LiveLOOK converted your boring pdf file into a live web page here you can navigate your files in the most easiest and convenient ways. Simply point, click and view! No more scrolling through pages to identify red flags, LiveLOOK provides a color code system that will help you identify the items that will likely affect closing so you may quickly recognize impediments to close!
