

To Whom it May Concern:

If you have looked at your 2019 pre registration cards you will notice there is not going to be a swap meet through Sunday anymore. I sent an email out to all of you. The responses were positive to eliminate Sundays as the customers are far and few in between.

Some vendors wanted to know if we were going to lower our rent. You already are getting the bang for your buck. Our rent will stay the same at the fairgrounds.

I know I have posted the hours 8 AM - 8 PM of course you may leave whenever you want to. We cannot make you stay until 8PM although it would be nice.

There will be no security on Saturday night. I have talked to Mooney at the fairgrounds. You are on your own if you stay. But, need to be out by 11:00 AM.

Thank you in advance for making this transition an easy one.

Sincerely,

*Nancy Rudny*
