ABOUT THE COMPANY:

MMSSCSI is an ISO 9001: 2015 certified intralogistics design consulting and warehouse equipment company providing the choice of solutions while the client makes informed investment decision for expansion or green warehouse infrastructure. Established in July 2017 with a capital funding of INR 4.5 million as promoter's resources, we have come a long way in establishing excellent working relationships with major supplier contributors and a list of medium and large-scale Indian and MNC corporates.

The key areas of focus of our business will be to assist our niche clients to successfully adopt to the best practices of supply chain management (SCM) and warehousing solutions, as they expand their business verticals.

With our input and solutions in planning and design, our niche clients will gain a competitive advantage in supply chain and intra-logistics management. Collaborating with our client and their business goals, we develop proprietary tools, methods and techniques that transforms their business to better sustainable levels.
