- **Visit and conduct a prize raffle.**
- **The drive starts at 11 a.m.** and finishes up at the **Food Truck Corral** in Oshawa (2867 Bridle Road)
- There are many more food trucks this year and washrooms on site.
- The driving route will be sent out in a separate email, closer to the 18th. If you wish, please print a copy.
- **Raffle tickets are 10 for \$20** and you can pick which prize package you like or try for them all. All money raised goes to Hearth Place. With COVID, they can really use the support.
- **Some of the prizes** up for grabs are:
 - 4 x 4.73L jugs of Mobil1
 - Lagostina cast iron and Ticino pans
 - LaCrosse wireless temperature station
 - Black & Decker power station that jump starts, power inverter, air compressor and 12V DC outlet, all-in-one.
 - Westinghouse 1500W free standing infrared heater
 - Frigidaire digital air fryer and lots of other goodies.
- We look forward to a good turnout. There is lots of space at the GO car pool lot and the Food Corral.
- If PRCC members wish to invite a friend or other Corvette club members, please do so.
