

Notice of a Transportation Permit Application

Notice of a

Public Hearing on

February 6, 2026,

at 8:00 AM at the

Emergency Management

Dome

219 West 5th Street

Sinton TX 78387

San Patricio County

Groundwater

Conservation District

Evangeline / Laguna LP

filed an application for a

Transportation Permit to

transport **28,486 ac/ft** to

the Corpus Christi water

treatment plant via the

Mary Rhodes Pipeline.

Treated water from the

plant will be redistributed

to Corpus Christi Water

Supply customers in San

Patricio County and other

customers of the water

system. The application is

located online at

SPCGCD.ORG

under the **“Transport**

Permit” tab on the home

page. The permit term is

for 3 years. If construction

of a conveyance system

has begun before the ex-

piration of the initial 3-year

permit term, the permit

term will be extended to 30

years.

Any person wishing to pro-

test this application and

request a contested case

hearing must file a protest

no later than **5:00 PM**

on **February 2, 2026**. The

protest must be in writing,

must provide adequate

evidence that the person

requesting the contested

case hearing has standing

to make the request, and

raise a justiciable issue

related to the application.

The protest must be deliv-

ered to:

San Patricio

Groundwater

Conservation District

The District manager or

the Board President may

approve the permit unless

a protest is timely filed. If

the board determines that

no person who requested

a contested case hearing

has standing or that no

justiciable issues were

raised, the board may take

any authorized action.
