Highway Superintendents Report

July 18, 2019

The men finished up the first round of roadside mowing for the town and the county. They responded to a tree down on Manchester Road. They repaired potholes on the blacktop roads. They cut out the heave on Hickey and repaired it, along with the sides of the road. They prepped Carvers Falls Road for paving, cut back the shoulders and did some ditching. Swept and cleaned up the road. Ken Lufkin will be down early next week to give us the footage that they will pave, and when they will be able to do it.

Respectfully Submitted
