## HOME LEARNING

Hello Year 4,

We hope you and your family are all keeping safe and well. We are all missing you and all being well, the time we will be seeing you all is not too far away. Here is the new schedule for your learning next week. Keep trying hard, do what you can manage and don't worry if you can't complete everything.

It's been lovely to hear from some of you. We'd like more of you to share pictures of your wonderful work or just to say hello, so here are our school email addresses:

Stay safe and well,

Mr Cuming, Mrs Krudy, Mrs Mills and Miss Nossa x

Here is the new weekly timetable with a suggestion of the activities you can complete each day next week. The information and more detail of these activities can be found underneath. Have fun!

We have decided that we are going to use the BBC Daily Bitesize learning which can be accessed at <https://www.bbc.co.uk/bitesize/tags/z63tt39/year-4-lessons>

Each Activity has an animated video explainer, a review clip which is usually a quiz and a printable activity- don't worry if you don't have a printer, the children can work directly onto a piece of paper or into an old exercise or note book you might have around the house.

There are also daily lessons on the BBCiplayer that the children can watch to support the learning.

<https://www.vocabularyninja.co.uk/word-of-the-day.html>

- Choose 5 of the **Year 3 and 4 spelling words** and play games to practise them. (Please look for the info sheet on the Year 4 tab of the website for our dice game and the words!)
