## Pickaway County S.A.L.T. Council

### What We're All About:

Since 1988, TRIAD has helped law enforcement keep older adults safe in their communities by using older volunteers and others within the private sector who have a vested interest in older adults.

A S.A.L.T. council is formed to run the local TRIAD with the following goals:

- To decrease crime and the fear of crime in order to raise livability for our seniors.
- To increase and improve senior crime prevention and education.
- To improve local law enforcement's knowledge of crime prevention needs of seniors.
- To identify the concerns of local senior citizens.
- To improve senior victim assistance.
- To involve senior citizens in crime prevention and the educational efforts of S.A.L.T., thus raising awareness of these special issues in the community.

**Stay Educated!** Here are a few of the educational and informative events in which S.A.L.T. is involved.

**The AARP Safe Driving Course • Safe Bank Project • The State TRIAD Conferences (hosted in Pickaway County in 2017) • Local presentations and events**

## Safety Tips

- **Plan ahead!** Choose a relative or a trusted friend—who can make important financial and medical decisions on your behalf while you still have the mental ability, and thus legal capacity, to be involved.
- **The Grandparent Scam.** In this scam, a con-artist will call and pretend to be a relative (maybe a grandchild) in distress or someone like a lawyer or law enforcement officer representing a relative. They will then ask for money to get them out of a tough situation.
- **Keep out!** If someone unknown knocks on your door offering to do repairs or work around your house, don't let them in. Many times these "contractors" may begin work, ask for a down payment, and then disappear without finishing the job.
- **Give wisely.** Always research any charity you plan to donate to. Especially after natural disasters, con artists will pretend to work for a charity that doesn't really exist.
- **Lottery Scams.** If you're ever told you won a large sum of money out of the blue, be suspicious. You can't win a sweepstakes you don't enter, and you should never have to pay to claim a prize.
