

The Transmission-Activation's ~

The **Divine Mother** has announced our **Next Reveal**, and that is to **Expose** the **Energy** deep within the **Seven Seals**.

She is asking us to **Self-Commit** and give-back into ourselves, that of what we have given so much to other, thus creating **Balance** in this **New Beginning**.

As we Continue the process of **Connecting the Codes** that define the **Beauty** from within, as to obtain and begin to **Wear** these **Codes** as a **Cloak of Consciousness**.

Accessing the Power of the Higher Self, is to reach into the inner depths of your **Soul's-Symmetry** and learn how to utilize these **Embedded Codes** in your daily life.

Light Language Activations Assist one to Open up the **Encoded Embodiment** of the **Seven Seals** (Chakras), your **Sacred Heritage and Gifts**.

*"The Wheels of Light (Chakras)
Spiral and Formulate the Energy to Survive.*

The Awakened Sacred Seals of Seven, offer the Energy of Experiences to Thrive"

We are in the **Prelude** of many Gateways that are expanding wider. For the **next 2 months**, we are in a direct **Alignment** of particular **Star-Systems** that can **energize** and help us, as we prepare for this next universal Shift.

Throughout this **Series**, each **Participant** will Receive an Audio **Activation** (approximately 20-40 minutes long).

We have been asked to **Activate** each of the **Seven Seals** (Chakras) one by one, and each week thereafter.

This Activation-Transmission is a fast approach to move through the density of matter, that may be **Conflicting the Codes** wanting to be **accessed** for its greater use within the **Embodiment**.

The **Frequency of the Light Language** stimulates the connected geometries from the cosmos while opening **space** within, thus creating **Ebb and Flow**. **Light Language** is a **Powerful Burst** that arouses sleeping and dormant codes, cells and collective tissues struggling to be awakened.

It **quickens** and **accelerates** the process of the **Embodiment** to be **Engaged** with the **Encodement's** wanting to be **mate-matched**, versus remaining separated.

Light Language helps to bypass the matter of trying to understand or an emotion of feelings, thus allowing an immediate interaction with the **Light Body**, eventually penetrating the **Makeup of Matter** for its **Magic** to occur.

~ When opening the **Seven Seals** to Heal, these **Light Language Activation-Transmissions**, may help bypass the **Mental Mind** from trying to interpret the entire process of what the person is going through. It **releases** and **frees** the **Mind** from any disturbances that the Ego would want to interrupt.

~ It **Releases Energetic blockages** that have held one ransom of their own abilities to **selfheal**, thus allowing freedom to take flight.

~ It **Activates the DNA**, also triggering the Pineal **Gland** to **Expand** and **Energize** into a **Higher Frequency Field**.

~ Opens **Gateways** to Access your innate **Wisdom** and **Sacred Knowledge**.

~ Begins to open the **Embodiments Super Freeway**, releasing the detours of life from Emotional, Physical, Spiritual and Mental mishaps.

As the **Light Language Activations** Connect to the Codes, a direct **Channel** opens up to allow the **Light Frequency** to **Spiral** around the **Spine** holding the **Seven Seals**. Your Intelligent self (Higher-Self) begins to communicate an infinite amount of **Harmonic Tones** that will send **subliminal messages** to your entire embodiment, accessing what still needs to be **healed and/or Activate** and flip the switch to the **Gifts** just waiting to be **Revealed**.

~ **Anyone may participate.**

There aren't any TIME SPECIFICATIONS, and may be Received when the Participant is Ready to Receive.

~ It is a quick process, **with little requirements involved**. Simply be in tune with your Embodiment, be willing to receive and take time to Calibrate and Balance the New Energy Arriving within.
