

Region 3, December 2020
RC: Dave Berg aka "Woody"

Our December meeting and Christmas Party were cancelled. We did however conduct some business via email, and we are announcing that Dave "Woody" Berg has been named our Member of the Year for Region 3. Thank you, Woody, for stepping up and taking charge of our region. You have some big shoes to fill but things will be okay moving forward in the new year.

We did have a meet and greet at the Kalkaska VFW. Yes, we social distanced and it was held outside. We had a great time, and a few new members were signed up.

The Awareness ride will be held on May 15, 2021. We will start at the Kalkaska VFW with the route to be determined. There is plenty of room in the parking lot to meet and a nice outside area as well. There will be more info to follow as we get it set up. Hope you all put this on your 2021 to do list.

Our shopping girls assisted Santa this year and went shopping for Toys for Tots. They say they had a good time and know that our contribution will assist in making the kids Christmas a great one.

Wishing all our friends both near and far and great Christmas and a safe and Happy New Year. Looking for a better 2021 for us all.

MERRY CHRISTMAS!!
