

# Run for All Ages

Saturday, November 3, 2018 at 10 AM

The New England 65+ Runners club donated \$2000 in proceeds from last year's Run for All Ages (RFAA) to the Wakefield Educational Foundation (WEF). The RFAA is a special event hosted by the New England 65+ Runners Club. This 5k race around Lake Quannapowitt promotes ageless fitness, local education and enables golden runners to race with youth! This is a fun event with age-graded awards, refreshments and much more. Kids, teens and adults alike will all enjoy this race while helping raise funds that benefit the educational experience for Wakefield students!

Through WEF, proceeds from the annual RFAA have become an integral part of public scholastic grants. This year's race date is Saturday, November 3, 2018 at 10am. You can learn more about the race with links to pre-register at [www.ne65plus.org](http://www.ne65plus.org).
