

Mike Booher

In my spare time I like to do yard work and golfing.

Experience: I have worked in the financial field for over 50 years. Most of the time I worked to help low income families have a better life by making services available from the Agency where I was employed.

What inspires me? The ability to help people. I like it when someone says, you didn't have to do that! I reply, I know that and that's why I did it. Helping other people is my ULTIMATE HIGH!
