

NOTICE

# 2020 Tour of Minnesota is Cancelled

Dear friends:

It is with a heavy heart that I must tell you of my decision to cancel the 2020 Tour of Minnesota. After conferring with staff members from our ride and directors of other national rides, listening to health experts in Minnesota and our nation, cancelling our ride makes the most sense. Going ahead with the Tour of Minnesota amid the COVID-19 pandemic would have jeopardized the health and safety of you, our riders and staff, our caterers, and the people in our host cities.

We are now looking ahead to next year! Our goal is to hold the Tour of Minnesota from June 18 through 25, 2021, and use the same route we had planned for this year. We would start and end in Hastings and ride in southeastern Minnesota, including the Lake Pepin area.

Stay healthy and strong.

Sincerely,

Bob Lincoln

Tour of Minnesota
