DISCLAIMER AND LIABILITY

I acknowledge that I'm responsible for my own safety and well-being during the escape room session. I willingly and knowingly assume for myself, family members, and employees all risk of physical injury and emotional upset which may occur during the event and to hold Beat The Lock Productions, LLC, and landlord, its officers, employees and peers harmless from any and all liability arising out of my participation and will not take action or direct others to take any action that violates the law or puts others at risk and that Beat The Lock is not responsible for any personal items or belongings that may be lost or damaged during participation in Beat The Lock escape rooms. I will honor the rules of locating clues. I further agree that Beat The Lock Productions, LLC, its members, representatives or employees will not be held liable for any injuries sustained during a game. Because of the nature of the games, people with heart conditions, anxiety disorders, PTSD, light/sound sensitivity or pregnant women might choose to refrain from participating. You are participating at your own risks.

RULES

You will have 60 minutes to find clues and solve puzzles to find the way out of the room. For safety reasons, the door will not be physically locked. At any point and for any reason during the game you can ask to leave the room. Nothing needs to be broken or forced open. Our games are about finesse not strength. Any object that is deliberately broken or removed from the room, will be charged to the group. Please follow all written and verbal instructions; they are for your safety, not to trick you. Do not touch the items with the Do not Touch symbol as they are not necessary to the activity. If we observe any potentially risky or unruly behavior, we will enter the room and stop the game. If you are removed from the attraction, there will be no refunds or re-admissions for any reason. We reserve the right to remove any patron at any time for any reason. Do not remove anything from the rooms and please leave keys in locks. The ceiling, flooring and wall coverings do not need to be moved or removed. There is no need to move or lift any heavy objects. Personal belongings can be taken into the escape room for the duration of the game.

By signing below I acknowledge and accept the statements above and have read and understood the rules. This waiver is valid for the day of the scheduled booking of the escape room.
