AWE

A feeling of reverential
respect and wonder.

SPEECHLESS...

Reflecting on this past year, God has been faithful in so many ways. Our team at the clinic is truly living out the Kingdom principle of sowing and reaping. We are now reaping the fruit of the things we've planted over the past eleven years. I'm so grateful for the Family of Believers that support and believe in the vision of the clinic! I'm at a loss for words...all I can say is my heart overflows with Gratitude and Awe for each of you! I'm in a state of beautiful shock that leaves me on my knees and praising Him!

-Kara Mankey (Clinic Director)

Isaiah 11:16... "and a little child shall lead them"

Kara was one of my students at Belmont High School. She was quiet, serious, studious, and attentive. In 2014, she called and asked my husband, Roger, to meet her at the Java Bean, and I was happy to accompany him. Ever since then, she has been the teacher, and I the student. At that meeting, Kara shared the vision God had given her to return to school to become a nurse practitioner so that she could direct a nonprofit medical clinic. The clinic would be called Unfailing Love Clinic and its' verse was 1 John 4:19. She asked if Roger would join her vision as a member of the board of directors. He in return asked her if she had considered adding a dental clinic. She replied, "Yes, but medicine is first."

For seven years we have watched, prayed, worked, and been overwhelmed by God's leading and provision. We have stood alongside Kara as she has poured out her heart and taught us what God had shown her.

I have learned from Kara what it means to trust in the Lord when there is seemingly "no answer", no building, no money. I had been a teacher and was only comfortable when I had a solid lesson plan. But Kara showed us how to seek God first and follow Him. Sometimes the answers were clear. Sometimes in the silence the only choice was to wait. All through this journey trusting God was the key. The number of patients served during the first year 2015, was 30. In 2021, the medical clinic provided 1,910 services and started seeing dental clients September 8th. As Kara says, "We have had a front row seat of watching God move and provide every need."

My faith has grown beyond believing that God 'can', to 'knowing' that He will! Trusting God has become more than words, but what I cling to.

“Therefore if there is any encouragement in Christ, if any consolation of love, if any fellowship of the Spirit, if any affection and compassion, make my joy complete by being of the same mind, maintaining the same love, united in spirit, intent on one purpose.” - Philippians 2:1-2

There are many ways of describing Unfailing Love Clinic, but I would have to say the most important would be the heart of Christ, and The Kingdom Family. There have been many testimonies of His presence very active in and out of this amazing clinic and ministry. The growth in not just the physical aspects of the building, but in each individual heart that is involved is evident and beautiful to witness. The atmosphere of the clinic is one of peace (yes, even on our most busy days), love, and compassion for each other. The awareness of His presence is in each healing touch and prayer. God had placed a vision in Kara’s heart long ago and His fingerprints are very evident all over each patient and volunteer that He brings into those open doors.

He had a plan long ago for such a time as this, and His amazing picture is still being drawn out in its full beauty, in and throughout His community. To see Christ building on His foundation and watching in Faith each step becoming a reality right before our eyes has been a joy to say the least. One body in Christ working together for a greater purpose than ourselves. Activating His kingdom here on earth as in heaven, just as our Faithful Father longs for us to do. Kingdom family springing into action where help is needed, no matter the sacrifice. The blessings that have poured into this vision and dream come true, have been beyond what Kara or any of us could have thought possible. When you set your eyes on things above, the possibilities are endless in Christ Jesus.
