The image of the beast is the Roman Catholic Church government with its civil & political horn and its religious horn made in the likeness of the Pagan Roman Government. This prophetic Little Horn speaks with his declarations, supposedly infallible words and papal bulls and causes the people of the world to commit idolatry by worshipping the image of the beast (Roman Catholic Church Government) and to take the symbolic mark (Roman government law) or number of the beast's name, Rome (in numerology ROMAN or LATEINOS = 666) on their right hand (works & physical actions) or on their forehead (belief & thought) or face persecution to death at the hand of the kings and their armies who give their allegiance to him.
