JINGLE BELLS

Dashing through the snow, in a one horse open sleigh,
O'er the fields we go, laughing all the way,
Bells on bobtails ring, making spirits bright,
What fun it is to ride and sing a sleighing song tonight.

Jingle bells, Jingle bells, Jingle all the way,
O what fun it is to ride in a horse open sleigh,
Jingle bells, Jingle bells, Jingle all the way,
O what fun it is to ride in a horse open sleigh,

A day or two ago, I thought I'd take a ride,
And soon Miss Fanny Bright was seated by my side.
The horse was lean and lank, misfortune seemed is lot.
He got into a drifted bank and we, we got up sot!

FROSTIE, THE SNOW MAN

Frostie, the Snow Man
Was a jolly, happy soul,
With a corn-cob pipe and a button nose,
And two eyes made out of coal.
Frostie, the Snow Man
Was a fairy tale, they say,
He was made of snow, but the children know
How he came to life one day.

There must have been some magic
In that old silk hat they found,
For when they put it on his head,
He began to dance around. - Oh -
Frostie, the Snow Man
Was alive as he could be,
And the children say he could laugh and play
Just the same as you and me.

Thumpety thump thump, thumpety thump thump,
Look at Frostie go,
Thumpety thump thump, thumpety thump thump,
Over the hills of snow.

Frostie, the Snow Man
Knew the sun was hot that day,
So he said, "Let's run and we'll have some fun
Now before I melt away."
Down to the village,
With a broom-stick in his hand,
Running here and there all around the square,
Saying, "Catch me if you can."

He led them down the streets of town,
Right to the traffic cop,
And he only paused a moment
When he heard him holler "Stop!" - Oh -
Frostie, the Snow Man
Had to hurry on his way,
But he waved, Goodbye, saying, "Don't you cry,
I'll be back again some day."

SANTA CLAUS IS COMIN' TO TOWN

You better watch out, you better not cry,
better not pout, I'm tellin' you why:
Santa Claus is comin' to town.
He's makin' a list, he's checkin' it twice

Santa Claus is comin' to town.
He knows when you are sleeping,
He knows when you're awake,
He knows when you've been bad or good,
So be good, for goodness sake, - Oh -
You better watch out, you better not cry,
better not pout, I'm tellin' you why:
Santa Claus is comin' to town.

With little tin horns and little toy drums,
Root-y-toot-toots and rum-my-tum-tums,
Santa Claus is comin' to town.
And curly head dolls that toddle and coo,
Elephants, boats and kiddie cars too,
Santa Claus is comin' to town.
The kids in girl and boy land
Will have a jubilee
They're going to build a toyland
All around the Christmas tree. - Oh -
You better watch out, you better not cry,
better not pout, I'm tellin' you why:
Santa Claus is comin' to town.

Comet and Cupid and Donner and Blitzen,
But do you recall
The most famous reindeer of all?
Rudolph, the Red Nosed Reindeer,
Had a very shiny nose,
And if you ever saw it,
You would even say it glows.
All of the other reindeer
Used to laugh and call him names.
They never let poor Rudolph
Join in any reindeer games.
Then one foggy Christmas Eve,
Santa came to say,
"Rudolph, with your nose so bright,
Won't you guide my sleigh tonight?"
Then all the reindeer loved him,
As they shouted out with glee,
Rudolph, the Red Nosed Reindeer,
You'll go down in history."

HERE COMES SANTA CLAUS

Here comes Santa Claus, Here comes Santa Claus,
Right down Santa Claus lane,
Vixen and Blitzen and all his reindeer
Pullin' on the reins,
Bells are ringing, Children singing,
All is merry and bright,
Hang you stockings and say your prayers,
'Cause Santa Claus comes tonight!
Here comes Santa Claus, Here comes Santa Claus,
Right down Santa Claus lane,
He's got a bag that is filled with toys
For the boys and girls again,
Hear those sleigh bells jingle-jangle,
What a beautiful sight,
Jump in bed, cover up your head,
'Cause Santa Claus comes tonight!

UP ON THE HOUSE TOP

Up on the house top, the reindeer pause,
Out jumps good old Santa Claus,
Down through the chimney with lots of toys,
All for the little one's Christmas joys.

Ho, Ho, Ho, who wouldn't go!
Ho, Ho, Ho, who wouldn't go!
Up on the housetop, click, click, click,
Down through the chimney with good Saint Nick.

First comes the stocking of Little Nell,
O, Dear Santa, fill it well,
Give her a dolly that laughs and cries,
One that can open and shut its eyes.

Look in the socking of Little Bill;
O, just see what a glorious fill,
Here is a hammer and lots of tacks,
Whistle and ball and a whip that cracks.

Luther King, Luther King?
He was a man who had a dream
That we would all be free.

Martin Luther gave a speech,
Gave a speech, gave a speech.
He wanted all of us to live
In peace and harmony.

He won the Nobel Prize for Peace,

For his love for all the world
And for you and me.

POLAR BEAR

Sung to: "On Top of Old Smokey"

They live in the North Pole,
Where it's very cold.
It snows all year long there,
Or so I've been told.

They're covered with white fur.
They blend with the snow.
Their fur helps to hide them
Wherever they go.

They look like a brown bear,
That's been dipped in white.
If you said, "It's a polar,"
Well, then you'd be right.

POLAR BEAR!

Sung to: "Itsy Bitsy Spider"

The little polar bear climbed down into a cave,
Snuggled in his den and slept for all the day,
All through the winter he didn't make a sound,
Dreaming of the spring when he'll be running
'round!

While he was sleeping the snow did gently fall,
Winter came and went, then he heard the seal's
call,

"Come on little polar bear, come out of your warm
den,"

"We'll run away from you, try to catch us if you
can!"

It's 12 o'clock and all is well,
It's 12 o'clock and all is well,
All is well today.

Like a giant white balloon.
Round and round the Earth you spin,
Through the month, new shapes you're in

Shining light on everyone.
Earth goes round you once a year,

THE SUN

Over there the sun gets up
And marches all the day.
At noon it stands right overhead,
And at night it goes away.

CLOUDS

What's fluffy white and floats up high,
Like piles of ice cream in the sky?
And when the wind blows hard and strong,
What very gently floats along?
What seems to have just lots of fun,
Peek-a-booing with the sun?
When you look up in the big blue sky,
What are these things you see floating by?
*[When you have finished saying this riddle, have
the children shout out the answer.]*

I wonder where they get their light.
I don't think they will ever fall,

And a great big smiling moon,
My Mommy tucks me into bed,
