Summer days are getting hotter and hotter, make sure you stay hydrated and be careful when out in the heat of the day!

# KEEP YOUR EYES & EARS OUT!

Have you heard? Comfort Care has a new jingle! Listen for us on WMT, KMRY, and KDAT to hear what we are singing about at Comfort Care!

Also, we have 2 brand new commercials! Check out KCRG, KGAN, and KWWL for the latest shots! You may see some familiar faces!

## REMINDER: AIDES & NURSES

Do you have a client in the hospital?  
**Would you like an extra \$10?**

Stop by the office any time you have a client in the hospital & pick up a balloon & treat basket to take to them & you will receive an extra \$10 on your next paycheck! Be sure to check in with your office manager to fill out the paperwork!

Left: Comfort Care sponsored the "Walden Wonders" bean bag team of Walden Place in Iowa City again this year! They competed against a couple of Cedar Rapids Kernels in June!

Do you have a big announcement? A thank you? A great photo? Send your input for the Chatter to Taylor and she will add it to next month's newsletter!
