

# The Five Codes Lesson

## *“Be Loyal to One’s Country”*

What does it “Loyalty” mean?

*Standing by or standing up for someone or something you believe in.*

*Example:*

- Tammy was with two girls on the bus one day when one of the girls said some bad things that weren't true about Tammy's best friend. Tammy didn't say anything. (Disloyal/Loyal to her friend.)
- Jason's little brother had a Little League game one night. Jason had a lot of homework, but he worked hard at it until game time and then went to cheer for his brother. (Disloyal/Loyal to his brother.)
- Alice always thought about the Pledge of Allegiance when her class said it. She felt proud to be an American. (Disloyal/Loyal to her country.)

**Homework:**

Share your example of how you demonstrated or witnessed loyalty. Write it down, draw a picture or tell us a story!
