SEPTEMBER 2022

Labor Day is a federal holiday in the United States celebrated on the first Monday in September to honor and recognize the American labor movement and the works and contributions of laborers to the development and achievements of the United States.

FUN FACTS:

The holiday's origins stem back to the 1800s when the average American worked 12-hours a day, 7-days a week. Children ages 5-6 worked in factories and mines.

Labor Day began as a demonstration for workers rights but is modernly seen as an opportunity to celebrate the last day of summer.

Please enjoy responsibly!

Burglary Prevention Tips

- Lock your doors and windows when you leave your home.
- Don't leave notes saying you're not home and when you will return.
- Become familiar with your neighbors and their cars.
- Beware of strangers knocking on doors. They may be burglars checking to see if a house is unoccupied.
- Don't leave a house key hidden outside your home.
- Keep your home well lit.
- Keep trees and bushes trimmed so they don't provide cover for burglars.
- If you come home and see evidence that someone has been in your home or may still be there, leave the area and call police immediately.
- Report any suspicious activity.

Auto Theft Prevention Tips

- Remove your keys from the ignition and take them with you.
- Lock your vehicle.
- Never hide a second set of keys in your vehicle.
- Park in attended lots.
- If you use valet parking, leave only the ignition/door key.
- Park in well-lit areas.
- Never leave your vehicle running, even if you will be gone for only a minute.
- Completely close all windows of parked vehicles.
- Do not leave valuables or paperwork in plain sight.
- Park with your wheels turned toward the curb to make your vehicle more difficult to tow.
- Back a rear-wheel-drive vehicle into your driveway to make it more difficult to tow.
- Set your emergency brake when parking your vehicle to make it more difficult to tow.
- If you have a garage, park your vehicle in it and lock it.
- Do not leave the title paperwork ("pink slip") in your vehicle.

Vehicle Break-in Prevention Tips

- Place all tempting items—especially cell phones and other electronic equipment—out of sight.
- Do not leave any papers with personal information (such as mail or bank statements) in your car. Even blank papers might tempt a thief to break into your car in an attempt to steal your identity.
- Lock all doors, windows and any sunroof before leaving your car.
- Park in a locked garage or well-lit area.
- Call police to report any suspicious activity around parked vehicles.
