

# **KINGS GREEN AT MAJESTIC BOARD METING**

**NOVEMBER 19, 2019**

The meeting was called to order at 4:00 pm by President Carrick. All board members were present. The agenda, minutes of the previous meeting and the treasurer's report were approved unanimously.

**PRESIDENTS'S COMMENTS** - The golf course expects a busy season. Copperhead and Mirror Lakes have closed. Our gym is undergoing changes. The emphasis will be on weight training. The pool is in good shape. HUDAY is the name of the downstairs eating establishment. Larry Steuber and his wife are running it.

**OLD BUSINESS** – A letter was sent to the general manager outlining the issues that have arisen with the upkeep of the grounds. We are looking into new contractors for the grounds maintenance.

**Address Correction** – Diane has taken on a project to have all of our addresses coincide with those of the county. Over the years the county, fire department, the post office, and title insurance companies have managed to change the addresses.

**CAM MANAGER** – Mike Swords will be giving up his job at the end of his contract. We are getting info on potential costs. The job will be split into CAM and Accounting.

The upstairs room at the club house is now known as Double Eagle Event center. The facility will cater to special events like weddings etc.

The meeting was closed at 4:40 PM
