And Now.....

THE NEWS

We had a nice turnout on Memorial Day weekend. Celebrated Roger and Nancy's anniversary with cake and drinks as well. 46 years!

This will be a historic month for MHHC, we have 3 meetings this month, 6/9 then 6/23 and picnic on 6/30, details later in this newsletter. The music was again great with one first timer joining in during open mic.

Lynn and I will be out of town on the 9th. See you on the 23rd.

We continue to receive e-mail inquiries and mostly new players getting started! Balaji joined us last meeting and I think he will join the club. I am e-mailing another new player today so please welcome him in my absence if he comes on the 9th.

Summer begins shortly and SPAH is just over 2 months away. Enjoy!

Greg Coffey wants to know if anyone saw or accidentally picked up a gray bag at the May 12th meeting. There was a cord harmonica and black case with some diatonic harmonicas in it. If so, let him know at gregacoffey@icloud.com.

ROUTE 66 HARMONICA CLUB ANNOUNCES **2019 TOURS**

As host for SPAH 2019, the Route 66 Harmonica Club has arranged two tours for your convenience and enjoyment.

TOUR #1

NATIONAL COWBOY AND WESTERN HERITAGE MUSEUM AND ROUTE 66 TOUR

Thursday, August 15, 9:00 AM - 4:30 PM

Cost: \$50.00 per person

The National Cowboy & Western Heritage Museum, with more than 28,000 Western and American Indian artworks and artifacts is located in Oklahoma City. Museum collections focus on preserving and interpreting the heritage of the American West. The historical galleries include the American Cowboy Gallery, a look at the life and traditions of a working cowboy and ranching history; the American Rodeo Gallery, fashioned after a 1950s rodeo arena, provides a look at America's native sport; Frontier West Gallery exhibits some of the more than 4,500 artifacts. The Native American Gallery focuses on the embellishments that Western tribes made to their everyday objects to reflect their beliefs and histories; The American Firearms Gallery houses firearms by Colt, Remington, Smith & Wesson, Sharps, Winchester, Martin, and Parker Brothers. The museum also houses Prosperity Junction, an authentic replica of a turn-of-the-century Western prairie town.

A brief guided tour will be provided followed by free time to explore the museum on your own. Lunch (not included in the tour fee) is available at the museum restaurant. The tour bus will depart the museum at 2:00 PM for the return trip to Tulsa.

We will return along an historic stretch of Route 66 with brief stops at the Round Barn, a tourist attraction near Arcadia, which became the most photographed landmark on Route 66; and at Pops restaurant in Arcadia, a modern roadside attraction on Route 66 marked by a 66 feet tall neon sign in the shape of a soda pop bottle.
