

6th November 2018

Dear Parents and Carers

Anti-Bullying Week 12th – 16th November

We will be taking part in anti-bullying week next week. This years' theme is 'Respect'; I would be grateful if you could talk to your children about what respect means, and ask them about the activities they have been taking part in at school.

On Monday 12th we will be joining in with Odd Sock Day to raise awareness of bullying, so could the children please come to school wearing odd socks.

Thank you for your support.

Yours sincerely

A handwritten signature in black ink that reads "Michelle White".
