

Fire the son-uv-a-bitch!!!

Patriotism is the last refuge of a scoundrel!!!

It is a terrible experience to be 85 years old without the hope of relief from the vagaries of a tyrannical egomaniacal megalomaniacal fascist. The end of the world as we have come to know it. Nobody has the guts to stop the son-uv-a-bitch.

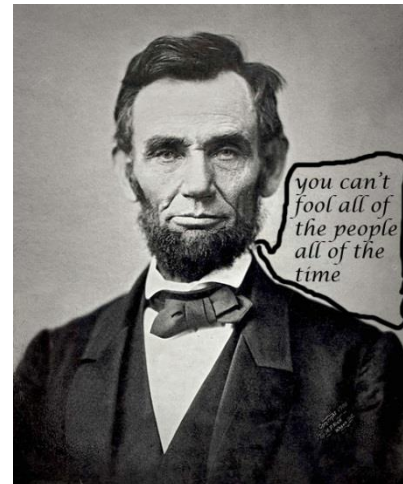

Heil!!!!!!!!!!!!

It takes some doing to be motivated enough for a citizen of the United States Of America to yield to the compulsion to label his President a son-uv-a-bitch.

Following is what I F STONE had to say regarding a previous demagogue:

McCarthy will never be beaten on the defensive. He loses one fight and starts two new ones. Charges are always more exciting than their- refutation, and he thereby dominates the front pages. He is becoming the biggest thing on the national landscape, and frontal collision with his own party leadership adds to his prestige. He has hardly begun to hit his stride as master of the Big Lie. Like Hitler and Goebbels, he knows the value of ceaseless reiteration. He has their complete lack of scruple, and sets as low an estimate as they on the popular mind's capacity to remember.

We seek remedy for things we cannot control.

We are abased by the minute as this presence clamors for attention. We have come this far only to be denied by the likes of a look-a-like. Not some newly evolved creature, but one of us, who might as well be the savage primogenitor, for all the ruins he leaves behind.

How can this be tolerated? Are we so fearful? Are we conditioned in some way, intended to endure this thing? No! Never!, it is not intended we endure this thing. Rise up! Storm the Ramparts! Undo this thing! Fire the Sun-uv-a-bitch!
