**Philosophy**

My philosophy is to be an example of Christ's love to each child that I come in contact with here at CCS. My desire is that each child would see the love, joy, and peace of God in my life, and that he or she would desire to have a relationship with Jesus Christ.

**Testimony**

I have been a Christian since 1990. I was drawn to Christianity through the example of my brother-in-law, and his wife. I went to church all my life, but did not have a personal relationship with Jesus Christ. I accepted Jesus Christ as my Lord and savior when I was eighteen years old. Shortly after I became a Christian my husband also accepted Christ. Since 1990 I have never been the same person I was, and am beyond thankful for my salvation.
