**ARIZONA STATE USBC ASSOCIATION**

**Dear Hall of Fame Applicants:**

**This is an open letter to all associations and their membership regarding Hall of Fame applications for Superior Performance.**

**The Awards Committee is sending this letter along with the application so as to make clear the intent of what is needed on the application and each member of the committee will be looking at and understanding the same thing. Only complete Applications will be considered for the Award.**

**If you attach an additional sheet, please make sure that the information is the same as the application. We need to know what Arizona and National Championship Tournaments you have placed in. Please spell out your local association. Only USBC sponsored Arizona Local, State, and National Tournaments will count for score in the applications form. Other states are not considered in scoring of your application. If you give us this information, please put it on a separate page spelling out the name of the tournament(s). This information is nice to have and to use in the newspaper articles, we just will not score it.**

**If you are in doubt, contact the chairman or the Arizona State Bowling Association Office.**
