The Arizona Community Foundation is a family of charitable funds created for the community, by the community. Some funds have a broad grantmaking focus while others target a specific organization or field. Grants are awarded year-round either through donor advice or through a competitive process overseen by our local Board of Advisors.

## **Arizona Complete Health - Community Reinvestment**

<https://www.azcompletehealth.com/about-us/community-giving.html>

The primary focus of our philanthropic support is to directly fund programs that have clear goals aligned to Arizona Complete Health's funding priorities. Applications/proposals submitted through the portal are accepted on a rolling basis, reviewed monthly by an internal committee, and awarded based on anticipated impact on priority areas and available budget.

Programmatic support applications/proposals are submitted through the AzCH Common Grant Application Portal. More information is also available in the portal.
