

Moving Towards

The kingdom of God and my purpose in His Kingdom is something I've been meditating on a lot lately. The more I thought on it, the more I learned I don't know.

However, today something stuck me. God's kingdom is always moving in our life and our life is always moving towards His Kingdom. God's kingdom is always moving towards eternity and our life on earth is part of the process.

That means no matter what is happening in our lives, eternity is at work within and around us. It is all part of God's great kingdom with His plans and purposes being accomplished in our day to day lives.

I heard this:

You are part of His kingdom.

You are part of His eternal purposes for His Kingdom.

You are part of His great plan.

Your ways are ever before Him.

You are always moving towards His purposes and plans for you.

His kingdom purposes are constantly moving with you. Troubles can't stop it, suffering can't stop it and even if you feel like you are at a stand still, you are moving towards His great kingdom. Friends, His kingdom has no end. It is endless. That's why its called eternity.

He is constantly at work in your life and the lives of those you love. He doesn't punch a time clock, He doesn't have set days to work and He is always at work in your life even if you can't see it. Eternity's plans don't stop.

"And this is eternal life, that they know you the only true God, and Jesus Christ whom you have sent" (John 17:3).

"For from Him and through Him and to Him are all things To Him be the glory forever. Amen 'Romans 11:36).

""The LORD possessed me at the beginning of His way, Before His works of old. "From everlasting I was established, From the beginning, from the earliest times of the earth" (Proverbs 8:22)

We have a full-time God. He neither sleeps nor slumbers. He doesn't miss events that are happening in your life because He is off doing something else. His eye is ever upon you. He is moving in your life. He is moving you toward His purposes for your life.

The Word is truth and the Word says, His eye is always on you and He is familiar with all your ways (Psalm 139:3 "thou art acquainted with all my ways"). Your ways are moving you towards something.

It doesn't matter what comes your way. What comes your way is moving towards something in Him. The schematics are always about humanity and eternity. That's the truth.

The truth sets you free to see what God says regarding situations, not what the situation says. God has a great plan for you. You are moving towards His great plan. He is committed to making that plan become a reality. He is for you, not against you. His ways are right.

Hold fast to the truth. God Himself, the Creator of all things, has a plan for your life. His plans for you are described as good and they are working together for your good because eternity is good.

"For I know the plans I have for you, says the Lord. They are plans for good and not for disaster, to give you a future and a hope." (Jeremiah 29:11) NLT.

Remember God's kingdom is always moving in your life and your life is always moving towards His Kingdom.
