Convention Program & Guide Reports

The AzFRW Official Program and Guide of the AzFRW 2021 Biennial Convention provides an opportunity for the AzFRW Elected Officers, Region Directors, and Committees to provide a report for our membership. All reports are due to the Convention Program Guide Editor by August 30, 2021.

Reports are to be professional reports in Word format only (no PDF's please). Please proof carefully and early submissions would be appreciated! Pictures and high quality graphics are encouraged however not required.

Club Presidents may want to share their club report with a prior President if there were two Presidents during the convention cycle. This is an excellent opportunity to share the accomplishments of your clubs and committees.
