

GRAND COUNTY WATER CONSERVANCY DISTRICT
GRAND COUNTY SPECIAL SERVICE WATER DISTRICT

Regular Meeting ----- June 27, 1991

The meeting was called to order by the Chairman, ATTENDANCE
D. L. Taylor at 7:00 A.M. at the District office. Other
Board members present were Gary Wilson, Bobbie Domenick,
Karl Tangren, James Walker, and John Groo.

Special Service District members present were D.
L. Taylor, Gary Wilson, George White,

Others present were Dale Pierson, and Roberta
Highland.

Roberta read the minutes of the meeting of June MINUTES
13, 1991. After calling for additions or corrections and
hearing none, the Chair declared the minutes approved as
circulated to the Board.

Dale reported that Bob Byrnes had had a heart CREEK COM-
attack, is out of the hospital, and will see a cardiologist MISSIONER
this week. In the meantime, Mark Page is coming down twice
a week to measure creek flow. Dale has been working with
Sheldon to cover Bob's absence. By the end of next week, we
should know what to expect from Byrnes, either he will be
well enough to work or he will have to be replaced if his
health will not allow him to return.

Dale reported only one irrigator, Ron Beck, has IRRIGATION
not paid or contacted the office. Beck's annual purchase SALES UPDATE
was 10AF of water. Dale reported that Sheldon Turnidge is
next on the irrigation water waiting list with a request for
5 AF. D. L. suggested that the water be sold on a pro rata IRRIGATION
basis charging for the time left of the irrigation season. WATER ALLOCA-
The Board reviewed the minutes of June 13, wherein a motion tion
passed that all water not paid for before this meeting be
sold. The staff was instructed to review the waiting list
and sell the water. After a discussion on policies of moving
water around between customers, Dale stated he had been
discussing the agreement form with Dave Adkison, and stated
he would like to re-write the agreement. Various wordings
were suggested and discussed.

Dale reported invitations to bid for the office OFFICE RADIO
radio would be advertised and the bid opening would be as
soon as possible.

Dale reported the trouble with the George White #4 WELL PROBLEMS
well was that the chlorine injector had failed, and water
had sprayed the electrical panel. He had called UP&L for a
shutoff, and had contacted Ron Holyoak for repairs. The
UP&L man pulled the meter and when he tried to put it back,

fried the meter base. Ron worked until about 10 and got the well back on line by morning. A disconnect switch was discussed. A water sensor was also discussed, which when wet would shut down the pump and signal either the Sheriff's office or our office.

WELL PROBLEMS
(Cont.)

Jim Walker asked about the camping at the lake. Dale reported he had written the San Juan County Commissioners about enforcing their regulations. It was suggested the State Parks & Recreation Dept. and the BLM should also be contacted.

CAMPING PROBLEMS AT KEN'S LAKE

Bobbie moved to approve the checks on the list. John seconded.

CHECK APPROVAL

Use on the irrigation line was metered at 1,001 acre feet. Jim asked when we could shut the wells to the irrigation company. Dale stated he did not want to totally empty the lake, and Dale was asked to make some use comparison so that we could more closely monitor use and make projections to control pumping costs. Use and pumping costs of the various wells was discussed.

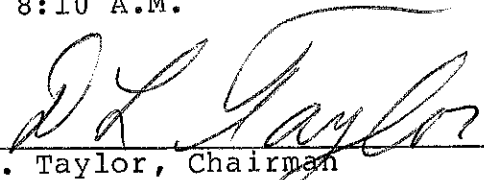

IRRIGATION WATER USE

The meeting adjourned at 8:10 A.M.
