

## **WEEK 2 OF TEAM TENNIS**

## Media Flash

The heat is on! Week 2 ended with Team 2 (The Players) and Team 4 (The Forthcoming) tied at 40 games each. There was excitement and tension on all four courts and on the sidelines as players battled stroke for stroke. Check out the photos of Leon's dangerous return of serve, Otelia's cross-court missile launch, and Jesse's textbook ball tracking and racket preparation. Week 3 promises to be intense as Teams 2 and 4 compete to claim first place and Team 1 (Hot Action) and Team 3 (The Strikers) vie to close the gap.

During a break before the start of the mixed doubles matches, AASSTC's President and Board Members presented James Dixon with the Apple watch and iPhone7 he won as part of the club's spring fundraiser. Congratulations James Dixon and many thanks for your support of the Active Aces. Before returning to match play the teams assembled for a group photo. Be sure to check it out, it's a good-looking group! Stay tuned for next week's match update.
