

## This Month at Preschool

Roar Roar Roar! We will finish up our Dinosaur theme in the classroom this month. Then our students will shift their energies towards exploring St. Patrick's Day with these themes emerging in songs, stories, and art projects around the classroom. As Easter is early this year, we will finish off the month with some Easter activities.

### **!! ILLNESS REMINDER !!**

Please keep unwell children at home. If your child has a runny or stuffy nose, or a cough, or sore throat, or fever, or GI upset, and they arrive for class, the Teacher is required to keep the child out of the classroom, and call the family to return to take the child back home.

## UPCOMING HOLIDAYS AND IMPORTANT DATES

**Mar 20th:** Last day of school before break

**April 2nd:** First day back

**April 19th:** NO SCHOOL

## Learning Through Play

Carpet time at the end of each class not only teaches children important social skills, like keeping their hands to themselves, but also provides an opportunity for our teachers to share a story with the class. Did you know that books and storytelling help children to:

- Learn pre-reading skills such as how to hold a book
- Learn new words and meanings
- Develop imagination
- Develop their interests
- Understand different social situations
- Understand that print carries the meaning of the story
- Share experiences with other children and adults
- Develop a positive attitude towards books, which will help them when they learn to read
