

San Francisco Province Director Report – January 17, 2026

St Martin de Porres Parish will be hosting our Province Gathering on February 21st with the help of Jacquie Bergstrom and their CCW ladies. The Theme is Enhancing Your Spirituality. We have a great line-up of speakers.

I have followed the format of the previous Province Director in a one-day Gathering instead of the Friday afternoon through Sunday afternoon, to drastically reduce the costs. Registration Fee will be \$30 for the day and will include a Continental Breakfast and Lunch.

Registrations will be due by February 7th. There are registration forms on the table and I can take them today if you like after the meeting. I'm sorry we don't do Credit Cards or Venmo, Check or Cash only.

Our next NCCW Meeting will be held in Washington DC next weekend, January 23rd and 24th. This is the only meeting that is an in-person meeting this year, with the exception of the Convention Meeting. It will be in Grand Rapids Michigan the day before the Convention on August 26th – 29th.

We continue to remain with the San Francisco Province for the time being.
