Accreditation Renewal of the Associate of Science in Dental Hygiene

The University of Hawai'i Maui College (UHMC) Dental Hygiene Program is hosting an on-site evaluation team from the Commission on Dental Accreditation on January 25 & 26, 2018, as part of the accreditation renewal process for the Associate in Science Degree in Dental Hygiene program.

We ask our communities of interest and the public such as faculty, students, program administrators, specialty, and dental-related organizations, patients and consumers to provide comments pertaining to the standards of policies and procedures used in the Commission's accreditation process. Comments are due in the Commission's office by November 25, 2017. Please note that comments must be signed and that signatures will be removed from comments prior to being forwarded to the program. Comments should be directed to:
