Going Deeper With Jesus in Your Destiny

August 1, 2017

Precious Jesus, please grant us the perseverance to bring us into a deep relationship with You and a full knowledge of our destinies. Amen

Dear Heartdwellers, I have been longing for the Lord with all my heart and this grace is helping me to cut more and more out of my life to make room for Him.

After communion I came to Jesus with an aching heart.

"My Lord and My God, I wish I could be with you forever. I long for You Jesus."

He replied, *"I know, and it will not be long."*

Oh Lord, how can I believe that? whoops... (I remembered He's dealing with me with Unbelief.)

"Yes, we are having issues with believing, aren't We?" He quipped.

Wrong words. Sorry, Lord.

"I don't make light of how you feel. I know well how you long for Me, as I long for you, too. It is difficult to trim down your schedule, isn't it?"

Very, Lord. Very difficult.

"Well, keep trying, you are getting closer. Be more vigilant in the mornings. That is, when you wake up."

(For me, that's not in the mornings.)

Yes, I can see there is slack there. And the enemy will try to side-track me. He did this morning.

Jesus answered, *"That's correct. Be ahead of him, dearest...stay ahead of his schemes. I will whisper in your ear, but you must listen very carefully and you will avoid the pitfalls he has planned for you. If he can steal just one hour he is happy—as happy as pure corruption can possibly be. But seriously, be on the lookout for his morning strategies."*

Thank you, Lord, I will. Do you have something for Your Bride?

"I surely do," He replied. "My beautiful one, My dove, how I watch you during the day to see how many times your eyes drift off towards Me. I listen to the tender moans in your heart over our separation—and I, too, am pining for you. I also watch your thoughts, your footsteps, your intentions and the ways in which you honor Me and are faithful to Me."

"This is a most painful separation for many of you right now. I know how painful it is, believe Me—because it is excruciating for Me at times. I know how much you fight off the temptations to despair over the length of time you must wait until I come for you. That is one reason I am blessing so many of you with new gifts, so you can be productively distracted to build up My Kingdom on this Earth before you are taken.

"All of you have creative gifts. There is not one soul created in My image that is not endowed with amazing powers of creativity. The main obstacle holding you back is not knowing what your gift is. I know I have said this far too many times to you, but it cannot be said enough. You must seek Me until you find Me and learn to listen VERY CAREFULLY to the little hints."

When He said that, I felt prompted to tell you how music came about in my life. My mother never had a musical gift that she cultivated. However, I found out later, that my father was an amazing artist and musician. It just wasn't in my mother's universe to take music seriously and I'm partially responsible for that. Because even though I had a few lessons with a cardboard keyboard, it never turned me on. In those days they didn't have electronic keyboards.

Well anyway, here I am 58 years old, never dreaming I could be a musician, but loving music nonetheless. My only experience was singing in the choir once in a while. And the small harp that I had, that was just used for meditation.

But we were asked to house-sit for some friends. They happened to have a keyboard and I was bored to death at their house, so I decided to play around on it. For some reason, my fingers flew across the keyboard and I was playing with amazing accuracy for someone who knew nothing.

This caught my husband's attention. He came from the other room to listen to me, eyes big as saucers and mouth wide open. I stopped because I became self-conscious.

He said, "Wow!" or an equivalent to that.

And I said, "Yeah. That felt good."

He replied, "Honey, God may be calling you to music."

We got out the Bible Promises and sure enough, through careful discernment we realized the readings "Joy", "Holy Spirit" and "Work" —and all kinds of other encouraging readings popping up, was giving us a confirmation that music was going to be a gift. I felt a deep stirring in my soul and a gentle wind of excitement.

Soon after, we were at a prayer meeting, and one of the people saw a golden harp fly down from Heaven and land in my lap. At the same time, I felt a fiery white ball of light come from Heaven and lodge in my heart. When we shared at the end of the meeting, we figured out it's about music.

It didn't take long—I just had to ask the Lord, "What is this about?"

And He answered, *"Three thousand, five hundred dollars."*

It might as well have been three million, five hundred thousand, because we were so poor at the time.

Giving me a money figure was unheard of, but I paid attention, nonetheless. Eventually, through all kinds of miracles and circumstances, we ended up with a \$5,000.00 Roland work station keyboard for \$3,500 dollars. The rest is history.

So, how did I know I was called to music??? I found out house-sitting for friends and it took off from there.

Jesus began again, *"I love that story, Clare. All the more so because we in Heaven were looking in on the whole series of events that brought music into your life. We were so excited for you—and still are, by the way. Now, I know that is no substitute for Me, My Bride, but it does bring us closer and you are touching others for Me. And you do love to do that, so it is something that can sooth your aching heart until we are together again.*

"I have said this many times as well: If you see someone with a skill, be it singing, playing, or any other endeavor...preaching, teaching... If you feel stirrings in your heart, 'Gee, I wish I could do that!' you may very well be called to that. In fact, if you are jealous of those gifts in others, I can tell you categorically it is because you are not working hard at your gift; otherwise you would be happy to hear others and not feel that jealousy.

"You must seek Me until you find Me. I respond to the desperately poor soul who cannot go any further without Me. My heart melts to see that kind of devotion and abandonment. How can I resist? When 99.9 percent of the souls on the planet have no inkling of Me. Therefore, how should I respond when I find one that cannot live any longer without Me?"

I don't think He was saying that exact number for the whole planet. I think He was giving an example.

"Do you see? You become irresistible to Me when your life is put on hold just to find Me, just to have Me."

Forgive me Lord, but I can't help but think of what it was like for me in the beginning. John Michael Talbot's music first introduced me to the Jesus that longs for His Bride. I had been a Christian for seven years and never had been taught what was sung in his songs. I began to long for Him with an unquenchable fire.

I went out to the desert with coral snakes and scorpions and kept vigils, crying out to Him, 'Please! Please come to me!' I did this over and over again, until finally one night, I felt Him sitting next to me to the right, and my heart just melted.

Over and over again, I sought Him with vigils and fastings...only eating a regular meal on Sunday. The rest of the week was bread and peanut butter and water. And of course—coffee... I had four small children to take care of, so I had to have some strength.

Jesus continued, *"I remember that night as if it were yesterday. Do you know what was on My mind?"*

No, Lord, I don't.

"I could see how desperately you were searching for Me and I knew the trials you would have to face to be conformed to Me. And it was so much more than you were ready to handle. But I had it planned in little portions to make it easier, and that night I knew I had to touch you, lest you become despondent.

"All of the elaborate lengths you went through were not necessary, My Love—as far as driving 60 miles south into a remote and wild desert at night and staying until the next morning. But I honored them anyway, because it was your effort, the best of your thinking that brought you to that place. I just couldn't let you down. In time, the religious trappings would fall away and you would have Me.

"Truly I am the author and perfecter of your faith, My Bride."

Oh Jesus, Your mercy, Your mercy makes me cry. I know I was so unworthy and had so much religious baggage; partly good influence, partly bad, a lot of self will (because I love the wilderness)—and still you visited me. And my soul was renewed by the gesture so I could go on. Even though the church I went to didn't believe in that spirituality of the desert mothers and fathers. Even though I was ridiculed for my devotion, and people thought I was mad, I couldn't stop. I had to keep seeking until I found You. Your Mercy is never-ending. I didn't deserve You Jesus. And now I don't deserve You, either.

He continued, *"Though you are poor and sometimes misguided about what I require of you, you are irresistible in your poverty, Clare. The poverty of your soul and your recognition of your sorry state keeps Me coming back to nourish and raise you up according the stature of My Holy Ones in Heaven. You keep Me coming back, My dove, and I will continue to perfect you. It is written, I have said it and with all My heart I mean it."*

At that point, I got teary-eyed.

And Jesus began again, *"My Christian people, one and all, know that I long to hold you near to My Heart and have this precious relationship with you. And only one thing is missing—your neediness. Your neediness determines what you do with your day. Whether you go shopping or close yourself up alone to pray; whether you take on cooking projects, or search out My presence in solitude; whether you go to a Christian seminar for a weekend or take your heart into seclusion and repent with tears for your sins, longing for My forgiveness and fellowship.*

"You have many choices to make during the day, My People, many, many choices. If you truly want this depth with Me you must cut away the less important activities in your life to make way for it. It's just that simple. The Word still stands:

You will seek Me and find Me when you search for Me with all your heart." Jeremiah 29:13

"I am not trying to make this hard for you. Rather, I am answering the prayers of many on this channel who still want to know how to find Me in this kind of intimacy. You have asked, you have cried, you have called out to Me in the night, and now I have given you the answer:

"Do not stop until you have possessed Me.

"Your poverty of spirit, confession of your weakness, calls out to Me and I cannot resist it."

I Missed the Lord

August 2, 2017

Lord Jesus, please help us to be sensitive to the little and tender things and not write them off as unimportant because of our worldly preoccupations. Amen.

Well, I'm sorry you haven't heard from me, precious Heartdwellers. My daughter and grandchildren came to visit and it was a whirlwind from beginning to end. But in this visit, I discovered how very numb I am to the important things.

After communion the Lord was silent so I asked Him, "Lord, please speak to me. What do you want me to share?"

He answered me immediately, *"Speak about what's in your heart."*

I hesitated.

He repeated Himself, *"What is in your heart, Clare?"*

I answered, "Contrition. And a very big desire to not repeat this sin."

"Well then," He said. "Speak on that."

Dear Heartdwellers, I hope me sharing this with you will make a difference and steer you in the right direction, when you get these opportunities.

The last two days, my daughter and grandchildren came to visit. And I believe we had planned a little more for our schedule than what was possible. I was not terribly flexible. The children wanted to swim, and rather than get in the water and play with them, I made a foolish choice to be in the kitchen with one of our helpers. My daughter called out to me, "Mom, what are you doing?" I can't remember the answer, but I did end up telling her I didn't want to get in the pool just then.

How foolish that was! Here was some time to play with the children and I selfishly withheld that for myself. For what? I was reasoning that after the pool we would do something. Well, after that we had pizza and then it was time for them to go to bed.

My daughter wanted me to come over to her place so we could plan some things for the Channel. I didn't feel good about that at all. I don't like leaving the house, but I really didn't see any other choice.

Well, my husband Ezekiel spoke up, "Honey, I'm just not getting confirmations from the Lord. You shouldn't be going out."

And when he said that, I kind of dismissed it thinking, 'It's probably the enemy interfering.' He asked me to check and I got God's Love, which is always a green light. Although deep inside, I had a check in my spirit, but I pushed through it.

Mind you, I hadn't prayed in two days and didn't have a message to put up—and I felt extremely out of sorts and fragmented.

Well, the evening went as we had planned, uneventful, but an action plan was developed. But I kept her up until one in the morning, and the next day she had to drive 4 hours to get home. So, in a way, I put her in danger

When I got home I felt REALLY BADLY. Why??? I couldn't figure it out. Why did I feel so badly? I chalked it off to lack of prayer and went to bed early. But it was very awkward, to say the least.

Then today, my daughter was to leave in the early evening, and we had some more time together with the children. But we ended up doing things that were necessary for the Channel—and again the children were sidelined. Then it was time to leave.

I think I got to hold them once the night they came. And my youngest granddaughter said, as she was leaving, "Nana, I'm going to miss you." Oh, I could have dropped to my knees on the spot, she was so sweet and so sincere and I had acted so selfishly the entire time they were here.

And the Lord's conviction fell on me. I couldn't wait to get back to my prayer-space and repent, because it was still too late to make it up to her. They were on their way to get into the car to leave.

I came in rather downcast, but I was hoping for a card of encouragement from my Rhema file. What did I get? "It doesn't matter what gifts you have; I can't use any of them if you are not obedient."

Oooo...Ouch!!!

Then I thought, 'It can't be that bad! Maybe I picked the wrong card.' Do you ever do that? So I pulled another one, "As soon as we begin to seek ourselves, at that very moment we cease loving."

Ouch again!! And I saw those sweet eyes and heard it again, "Nana, I'm gonna miss you."

Well, I went into repentance mode and what do I get from the missal I use for communion services? I John, second chapter: "My little ones I am writing this to keep you from sin. But if anyone should sin, we have, in the presence of the Father, Jesus Christ, an intercessor who is just. He is an offering for our sins..."

Well, that cemented the last question mark in place. This whole thing may not seem like much to other people and to onlookers, but I hadn't seen my grandchildren in a whole year. And this was our only time to share in our love for one another. And all I did is withhold my love for them, in favor of business...

To make this really stick, I got a precious package in the mail. In fact, my daughter is the one who brought it in, as she came in that morning. After she left, I opened it. It was a 2,000-year-old relic of Martha, Mary and Lazarus—sealed at the Vatican. I have a healthy respect for the relics of the Great Cloud and especially the ones that were able to conquer their faults. The brother who sent these to me said, "I knew this was perfect for you, because you are a Martha working on being a Mary, and the Lord is going to bring Ezekiel back from the brink of death." And I thought, 'Wow - it IS perfect!'

Even though I didn't exactly like being recognized as a Martha...

So, I wrote a long letter of apology to my daughter for my behavior, and she wrote back. She said, "Mom, after reading your message, I agree. I get so caught up in business stuff— "the Martha" —that I forget about the "Mary" part!!"

Wow...!! And would you believe? She didn't know what was in that package, so I took photographs of it and sent it to her.

So, we got a BIG confirmation from the Lord that we had missed Him by spending time on ourselves, when the little ones needed our love.

During communion, the Lord came and forgave me. But it's going to take some time for me to heal from being so selfish; it left a very bad feeling in my heart. I can't even imagine the message it sent to the children. But the next time I get a chance to see them, I will not do that again, God willing.

Lord Jesus, do you have anything to add?

He began, *"You are already feeling very badly. I don't want to add to that, My Beloved. But I do want you all to know that these little souls are very tender. What you don't give them...they can't really miss. Yet there is a lingering feeling of abandonment that they cannot put their little fingers on. The truth is, you are setting them up to be the same kind of parents—preoccupied with the world.*

"Did I not rebuke My disciples and tell them, 'Let the little children come to Me, and do not hinder them, for the Kingdom of Heaven belongs to such as these.' They are also there to soften your hearts, to make you ready for the Kingdom, by observing their simplicity and uncomplicated ways.

"But no. Adults look down upon the ways of children and count their business affairs as the most important thing in their lives. Oh, how sad it is to see an adult pass up an opportunity to enter into a child's world. Do you not know Heaven is in your midst with these little ones?

"Yes, the whole world chases after the almighty dollar and leaves behind opportunities to prepare their souls for Heaven and behold the innocent and the pure. How I long to shout out to them, 'Do you not see? You have turned your back to those I adore and to the angels who attend to them.'

"But alas, acquisition and building a personal kingdom tend to take the top priority. I am not condemning you, My Brides. Rather I am pointing the way to greater holiness, the holiness in your midst that reveals the ways of Heaven and should be a welcomed break and contrast from the ways of the world."

"Truly, I say to you, unless you turn and become like children, you will never enter the Kingdom of Heaven." Matthew 18:3

Shadow Government Gaining Ground

August 4, 2017

Lord Jesus, in this hour we are in much need of endurance to finish the race. Please grant us this grace. Amen

Heartdwellers, I have been hearing a great deal of struggle lately from many of you. And certainly myself—it's been extremely frustrating these last few weeks. No matter how dedicated I am to using my time correctly, things come up that I must deal with...big hairy things that have tentacles and repercussions in more than one area. For several days I

have not been able to get to my music.

Also, the Lord has been warning me of detractors that have come against our Channel. To you I say, may the Lord open your eyes to the great love He has for you and reveal to you the deepest wellsprings of His unconditional love. May you be healed, brought into the Kingdom and find the greatest joy of life, Jesus, Our Lord. Amen

And for those of you who work for the dark side, understand: you're working for a Liar. He taught you how to lie, cheat and steal and kill, because he's a murderer and a liar. That's the nature of the man that you're working for, the Being that you're working for. So tell me. Knowing what his nature is, do you really think he's going to have any reward for YOU? When you die? Do you really think any of those promises are real? Please. Consider who you are working for! Because he's going to torture you beyond your wildest horrors, when he rips you from your body and sucks you down into Hell and assigns demons to torture you. And you'll cry out and say, 'But I served you! I did all those things for you!' And he'll just laugh and say, 'Yeah, I know. Now I get to torture you, too.' So please. Consider his nature and know that the Lord loves you. And He'll forgive you of ANY sin committed.

So. Moving onward, beyond our detractors... Lord, give us a great love for them. Every time we think about them, let us say a prayer for their salvation. And for the ones who are misinformed, that the Truth would prevail in their hearts and minds. The blinders would come off their eyes.

My dear ones, I have been having New World Order dreams very frequently and they are every bit as bad as George Orwell's 1984 science fiction novel. I feel the Lord is wanting me to share them with you in conjunction with what appears to be the constant threat of nuclear attack by North Korea.

However, my dreams have not been about North Koreans but about Americans: young, handsome, well-trained, intelligent agents of the government. Not the American government - but a dark government. And they come, cordoning off areas in the cities and countries and forcing people into a series of medical exams and vaccinations. Keeping them in a prison-like environment, then taking them one by one into an elevator that goes down into the earth where the deep state government facilities are located. And who knows what happens to them from there.

My dear ones, things are getting more difficult, and rapidly escalating towards the confrontation between the shadow government and the legitimate American government now in place. Time is truly short. Though Jesus is holding back the third world war, it is taking every effort, every suffering from the

Body of Christ, every fast offering, to continually accomplish this. The Lord is calling every man, woman and child to put their prayers and sufferings behind His Holy efforts.

And for those of you who are new to our Channel, when we talk about sufferings, we're talking about sicknesses that the Lord chooses not to heal. That you have the faith to receive a healing, but He chooses not to heal in that moment. That can be used as a fast offering, to bring the Gospel to people and to prevent world wars. Any suffering at all. NOTHING goes unnoticed. Anything that makes up a cross in your life that you carry can be offered to the Lord. It has power. It has fasting power and you can offer it to the Lord for the salvation of souls and for the prevention of cruel, cruel war. So, be encouraged, especially those of you who are older and home-bound and have constant medical issues.

So, these are my thoughts, really—what I've been feeling and thinking about the government. And I didn't want to give you something that was out of my own head. So I said, "Please Lord, I don't want to say anything that is not in Your heart or mind..."

Jesus began, "You have discerned correctly. There is a life and death struggle going on for that tipping point that will destroy this nation. I need every suffering, Clare, and I know how you have been burdened in trying to do everything I have asked you to do for Me. I know how you suffer because the time slips through your fingers no matter how hard you try to keep it focused. And your pain levels have been almost intolerable. This, too, I am allowing as a suffering and I am highly pleased with your choice to put this message out over all the other things you could have been doing tonight.

"It is, indeed, a time of intrigue and back room deals."

And you know, Obama is a master of intrigue. The Scripture talks about Antichrist coming to power through intrigue, and not having any royal blood in his veins. And that's exactly how Obama has been doing what he's done. Totally, totally by intrigue. And for those of you who are new to the Channel, the Lord has told me several times that he is the Antichrist.

Continuing on with what the Lord is saying, "It is a time of intrigue and back-room deals. At the one extreme, the enemy has woven a web around the nations to draw them into an end-all conflict, where nothing living is left on this planet. At the other are those who wish this country to be a dictatorship, part of a new world structure. But as long as My people are suffering and praying, I am holding it back. But I must warn you - it is not looking good at this point."

He had given us two years before the Rapture. Actually, three years, but we've already passed through one year, so now it's two years. He didn't guarantee there would be a Rapture in three years. What He did say was, there would be a review as to the condition of hearts and the condition of the world.

Jesus continued, "My people, many of you are not ready for the Rapture. I have given Clare these dreams so she could share with you how hard it will be for those who have not circumcised their hearts and given their lives to Me."

I am sorry, Lord, I did not recognize that it was your intention.

Dear ones, I have been having these ominous dreams for months, and in every one of them I am looking for an escape route, but never find one. They are extremely bleak and hopeless—what you will encounter after the Rapture if you are not taken.

Jesus continued, *"It is true that the deep state is the greatest threat to this country at this time, and I am calling you all to shoulder your cross and any other crosses I lay on your backs."*

And what He talking about the 'deep state' is the New World Order and Obama alliances, the underground government that is controlling things. The Black Ops and everything else that's been done to destroy this country. There's a whole network of politicians that are in the underground government, and that's called the 'deep state'.

"This time will not last forever;" Jesus continued. "There will be a breakthrough one way or the other that will catapult your country into peace or civil war."

"At this hour your prayers mean everything, and they are the only thing holding this wicked government back. I have given you dreams about the future living conditions. Men, women and children will be separated and quarantined and held captive until they are fully vaccinated with poisons and it is determined if they have any value to the future government—or should they be done away with. As it is written: they will desire death but not be able to attain it."

And the Lord has mentioned before that the tattoo that goes with the New World Order will also have the means to cause sickness that is incurable, but you won't be able to die from it. That's a very terrible thing. People will suffer for months who've taken the Mark before they finally die.

"There is a plan underway," He continued, "to overthrow this government, create Marshall law and force people to live for the shadow government and NWO. I am still pulling strings, Clare. I am still frustrating their efforts. I am doing this through the power of these prayers and sacrifices."

And when He said this to mean, I was at that point thinking, 'Gosh! Is it hopeless?' And He said, "I'm still pulling strings. I'm still frustrating their efforts." He's ON it. But He's doing this through the power of our sacrifices and prayers, our crosses.

"It should become evident very soon that this evil force must be opposed and countered by every man, woman and child in God's service. Each candidate must be selected with extreme caution to get the right people into the right jobs. It looks like a daunting job to taxpayers who are functioning only on rules and tremendous misinformation and not a broad understanding of what is really taking place."

"Then, there are those who cooperate with this shadowy state, not having any clue as to how they are being used against their true will, if they only knew what these evil men are about. But they haven't taken the time to really investigate the lies, so they swallow the party line to oppose a good man in office and keep on blindly marching on to cause chaos, selling their freedom in the process."

"Your president is doing everything he can to destroy every ungodly law that can be used against the people to subdue and induct them into the enemy's camp, or do away with them on flimsy charges. Much has been destroyed of Obama's infrastructure, but he has tremendous forces on his side and will use them effectively if he is not contained."

"My People, there will come a time when nothing matters except the right thing. The grassroots American people will be a force to be reckoned with and no one will call evil good and good evil. Yet we are not there yet and the opposition is fierce. So, I am mobilizing all who are willing to give of their lives to hold back and chain down this force of evil."

And there He's talking about doing that through prayers, through our prayers and sacrifices. And perhaps any position to inform the public. Groups that are informing the public about what is really going on. Perhaps being a part of that.

Jesus continued, "Give Me your pain: emotional, physical, mental. Give Me your frustrations. Give Me your failures and losses. Give Me the unexpected, where you are forced to make bricks without straw. Give Me your all. Do not despair of the work you have undertaken for Me. It all fits together like a giant, holy, jig-saw puzzle that I am creating a new vision with.

"However, events will determine if peace will continue for the next two years, or if you will be thrown into a war."

And here He's saying 'do not despair of the work you've undertaken for Me' —in other words, the gifts He's given to cultivate. For me, for instance, it's music and art. For others it might be administration. It might be public relations or it might be the Arts. But He's asked us to be like Nehemiah, build with one hand. Build the wall around Jerusalem with one hand and carry a sword in the other to defend your turf. So we have to do both. We have to be praying, offering sacrifices and continuing the war against evil. But we also need to be creating and cultivating the gift that He's given us.

He continued, "It is so much better, My People, to accept these crosses without complaint, but resolutely. Knowing that I have allowed them for the expressed purpose of saving this nation."

I've been doing a lot of complaining. I really confess that.

"You are doing a mighty work with your frustrations of recent weeks, with your losses and failures. So much is not understood about the good you ARE doing, so keep it up, please. Don't become despondent. And please make these freewill offerings as generously as you can, and I will make the burdens lighter.

"When you complain, Clare, you make it harder on yourself. Try not to complain, My Bride, but just to bear these frustrations with great integrity and generosity and patience. I promise that you will experience a measure of relief by your charity, thanksgiving and generous giving.

"So, in all your struggles, dear Bride, I am with you. I have not abandoned you. Anything contrary to your plans and sufferings that you have, I am with you. And I'm giving you patience and perseverance in mighty, mighty graces for you to succeed and to keep going.

"Please support Me with your prayers and know that your prayers are powerful against this evil government."

Hope For This Hour Is Real

August 5, 2017

Lord, only your grace can support us when we feel like utter failures. Please help us to crawl out of our pits and continue to climb the mountain of holiness with You.

My dear ones, I have been struggling lately with discouragement, because I continue to fail during the day to portion my time out correctly. I am so far behind on correspondence it is almost pointless to reply...so forgive me if you haven't heard from me. I miss you all very much. I love to read the posts and share with you; forgive me, I've been in

way over my head. And pray for me, I do very discouraged when there's just not enough energy to keep up with everything. And it's a suffering. I know that right now the Lord is calling for sufferings, so I have to receive it as such.

The message from yesterday was hard to hear. But here the Lord is speaking hope...and I thank Him profoundly for that.

Jesus began, "It is indeed a dark time, but there is hope. Real hope. Since your message, there has been a spike in prayers offered to the Father. Do you see? You really do impact my people. Don't be afraid to cry out and warn them, don't be afraid."

"There are shifts from time to time, Clare. It is necessary to beef up defenses and offensive campaigns against the enemy and it takes all you have to give. Then there are other times of rest, when you can cautiously return to your creative work."

"I have seen your tears, Daughter. I know your struggles. No matter what, I am not giving up on you."

Thank you, Lord.

"Please, Clare, don't give up on Me. Look at your past with Me, have I ever let you down? Haven't I brought you into an enlarged territory greater than ever before because you did not give up?"

Boy, I remember those times...

"You are battle weary and sin-sick because of your involvement with too many things outside of yourself. The exterior matters little. It is the interior that is precious and your efforts to go deeper into this place of peace that I shall bless. But do not turn around, keep going; there is hope and there is time."

"Even now there is a wave of repentance and call to heavy intercession that is sweeping across the world and My Father is harkening to these prayers. So I tell you, there is hope. Cling to Me, cling to Hope and it will not disappoint."

"All of you, Heartdwellers, increase your prayers for America and for the defeat of the Deep State which is gathering its forces but now running into one barricade after another as Our Father in Heaven has sent out His angels to intercept and sabotage their efforts.

"They thought they could win the elections by cheating—and no matter how many bogus votes they generated, they lost. They figured, well now that that's over with, we will cause riots and destabilize the government. That didn't work either. And for the rest of their plans, there is a God in Heaven and He is sovereign and the enemy will fail at every attempt until the appointed time.

"In the meanwhile, work, pray and fight with all your might. And remember: a man's worst enemy is himself. Do not so much worry about personal enemies outside of yourself, worry about your own conduct and strive to be irreproachable and worthy of My Name."

The Great Cloud of Witnesses and A Trip to Heaven

August 6, 2017

Lord, please do not grow weary with our failures, but sustain us in your mercy. Amen

The prayer of a righteous man has great power to prevail, and I thank you, dear Heartdwellers for your prayers. They really make a difference.

So, forgive me for going on and on about opposition and trials, but I must believe that I am not alone in this and many of you are having terrific struggles with your flesh and the

environment we live in.

So, it is time once again for confessions of my failures.

I can't believe that no matter how hard I try, with the foreknowledge that there are snares set for my feet when I wake up...no matter how hard I try, I am caught and thrown off by these snares and left dangling upside down on a tree limb—when I should be praying or sitting at my keyboard.

Well, I pray that I will settle on a schedule that really works, because that's part of the issue.

So, I was feeling extremely downcast and defeated, while in prayer. I knew that I had offended the Lord, so I wasn't really expecting to see Him. Much to my surprise, I began to see willow branches gently passing through my hair. and I realized I was in a canoe with the Lord and we were approaching Lily Pad Island. This is a place in Heaven Jesus takes me when I need an interior overhaul of grace and courage. Here I meet those who have run the race and finished their course and have taken a special interest in my life.

Paul talked about them in Hebrews 12:1 Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off every encumbrance and the sin that so easily entangles, and let us run with endurance the race set out for us.

A pier jutted out into the water and there was a small group of saints, from the Cloud of Witnesses, waiting for us. Simba, my white tiger, padded out onto the pier and wrapped his giant arms around me as I was leaving the canoe. Once in a great while, Jesus brings me to this island to be strengthened by certain members of the cloud of witnesses who have a special significance in my life.

I just fell to my knees and cried, "I am a failure; I have failed the Lord again." They helped me to my feet and embraced me. I realized Mary, Martha and Lazarus were there and they have taken a special interest in my struggles. Interestingly enough, I was just given a 2,000 year old relic from their life on Earth, sealed in a glass vial with wax by the Vatican.

I said, 'Thank you precious ones for caring.'

Lazarus was the first to speak, "All of us in Heaven care. We are here to serve others and help them pass through the tests of life with more success than we did. We are servants of the servants of God on Earth."

Just after he said that, I saw myself lying back in a chair, rather exhausted from crying and confessing my failures. The Lord had been trying to get me to go deeper in My repenting and finally, today, I got in touch with and saw how I had failed many tests—especially keeping my focus out of the world and onto all of you, my dear Heartdwellers.

But in this moment, there was peace and forgiveness. And compassionately the Lord laid a delicate gold crown with emeralds on my head. Now, what that normally means is there is a test coming. And He gives me the crown ahead of time, to let me know I'm going to pass it. So, that was very comforting.

Jesus began, *"You have been battling a giant and it's going to fall. You have stated your case often enough that it has become a trespasser."*

From what He said, I can only guess that He was referring to the ten-year giant demons Lana Vawser just talked about in her latest prophecy. Those demons that have been opposing Christian ministries for a decade. They're very large demons. She said that in this year Jesus was bringing the monsters down.

I answered the Lord, 'But I feel so hopeless...'

After I said that, Mary the Mother of Jesus, stepped forward. "It is not hopeless, it's NOT hopeless!" she repeated. "It can be turned around...there are graces that will be dispensed to help you. All of Heaven is rooting for you. You are NOT alone. Even this good man has sensed your plight and wants to help. All your Heartdwellers want to help. They love you, Clare."

And what she was talking about there is, a gentleman who may be helping me with some piano for my song.

But I answered her and said, "I am such a mess-up."

She answered me back, "All the better for My Son to get all the glory. We will help you and you will see a difference. Continue to watch yourself and how far you go beyond the necessities."

Yeah, that's where I really get off on tangents and blow it.

"Watch very carefully and you will not get snagged. The enemy is going to continue to try and overload you and pull you off course. Don't allow it. Stay on target. There is time. Hopelessness is useless; what is needed is prayer and faithful obedience."

After she had said that, I thought that there is so much to learn about the Cloud of Witnesses and what their job really is. I can only imagine that when they see us struggling to hold on, they cry out to God on our behalf and His grace comes to the rescue. And I see Mary with a very motherly heart, as someone who cares deeply for us—because her Son cares deeply for us.

Surely the thoughts of the cloud of witnesses permeate our air, sometimes admonishing and warning, other times encouraging...though for the most part we do not see them, we sense divine assistance.

Before my conversion, when I was a New Ager, there were familiar spirits that people would get in touch with that manipulated the lives of those on Earth. And behind them was Satan.

Then, when I was converted and my eyes opened, they are the holy ones, the angels and saints who are given permission to look in on our struggles. Satan has a counterfeit for every facet of Christian life and the kingdom of God.

But I always return to the staple of discernment, "By their fruits you will know them."

I asked Mary, "You said that the enemy is going to continue to try and overload me. How do you know what the enemy is up to?"

She answered, "The knowledge is imparted by the Holy Spirit, He who permeates all of Heaven and Earth. He carries this knowledge so that those members of the great cloud of witnesses who have a concern, become immediately aware, in order that we may stand behind you and be an encouragement.

"We, too, can see the movements of the enemy, but only God in His Three persons has the foreknowledge of what will happen. And this knowledge is imparted to those concerned by the Holy Spirit. We stand with you, Clare. We stand behind you; you truly are not alone. Take heart in this Daughter. Stand up, keep going, the victory is God's. Trust and obey and it shall be also be yours."

I was prompted to look up the Scripture: Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off every encumbrance and the sin that so easily entangles, and let us run with endurance the race set out for us. Let us fix our eyes on Jesus, the pioneer and perfecter of our faith, who for the joy set before Him endured the cross, scorning its shame, and sat down at the right hand of the throne of God. Hebrews 12:1-2

I came away from this sweet place so encouraged and strengthened. Heaven is real, dear ones, and so are His angels and saints. They love us and are cheering us on. I believe that because of their intense concern and love for us, they encourage graces to flow from the Father on suffering mankind.

And I'm constantly reminded what the Scriptures say:

"Now we see but a dim reflection as in a mirror; then we shall see face to face. Now I know in part; then I shall know fully, even as I am fully known." I Corinthians 13:12

Hopeless and Defeated, Lies From Satan

August 8, 2017

Thank You, Lord Jesus, that You walk with us and in us, and in you there is no darkness. Thank you for showing us the works of darkness and how to walk in Your light. Amen.

Dear Heartdwellers, I know all of you have experienced this at one time or another, and some of you have been living in this place for months. And truly it is a suffering, a great suffering that can be offered to the Lord for world peace in this hour.

But there's also a solution for it.

It is waking up feeling like you are lost in a fog, almost as though walking through sludge up to your chest. You can see, but feelings are covered over by this thick sludge and difficulty in doing the simplest things. It's dark and raining outside, where there should be sun.

Inside, it is hopelessly oppressive, filled with fears of failure and accusations that God will no longer help you; you are hopeless. God has given up on you and chosen someone else to do your job. Sins of the past haunt you, failure is constantly on your mind. You feel hopelessly lost and defeated. This is the work of the enemy. He has spent his night weaving you in a cocoon of failure and hopelessness, using all your fears and past failures as the threads of the weaving.

That's not to say that some do not struggle with real depression and need medication to balance their brain chemistry—much in the same way another person would take a Rolaids after too much pizza. It is simply a chemical reality in the brain that needs adjustment with some kind of supplement. But this is different; it is waking up in a straight-jacket of confusion and defeat.

I have been experiencing this for days, but this morning I was able to go straight into worship. And when I did, the light began to dawn and break the threads of darkness. Light shined and danced all around as I worshiped to Julie True's music. The music was so full of joy and effervescence that whatever had been holding me down was now completely gone in the Lord's presence. It wasn't just the music, it was also the anointing and the presence of God that destroyed this deep, deep darkness.

Jesus began, *"This, a creature of light, is who you are. You are not that creature you woke up to. That's the devil's hope and dream for you: utterly abandoned, walking in the dark, confused, fragmented, lost. The demons work very hard to weave that filthy blanket of lies over you so when you wake up, you'll feel hopeless.*

"But this IS who you are to Me, this is the reality. Full of light, overflowing with hope, firmly held in My arms and saturated with grace, a table laid before you full of choice fruits and fine wines, honey from the hives of Heaven. Light swirls around you, hope permeates the very atmosphere you are in, expectation and new beginnings abound. You are wrapped in a blanket of light, fully saturated with grace, and all the elements needed to create are at your fingertips. This indeed is you. It is also you who are in My arms, clinging tightly to Me, returning to Me fully after each distraction to be reconnected to your Source of All Life.

"There is no darkness in you, Clare, for I live and move and breath through you. I have My Being in you. What you woke up to was a blanket of lies and darkness woven by the enemy.

"All of My generals must face these lies daily and blow them off with faith. I cannot burst forth from inside of you when you are wrapped in darkness."

But Lord, doesn't Your Light overcome the darkness, as it is written?

Jesus answered, "Yes. But you must consciously throw off the cloak of lies to see the Light burst forth. It is your choice: be wrapped in darkness and lies or throw them off in faith, knowing that I am the Light and in Me there is no darkness at all. You have to choose what you will believe: the lie or the truth. Then you must act on it and throw off the grave clothes the enemy has covered you in."

And at that moment, I just prayed a short prayer: In the Name of Jesus, I renounce the darkness and hopelessness of your lies, Satan. I renounce every lie against God and embrace His Light living within Me at all times. Let the rags be taken to the Abyss and let the Light of My God shine forth. Amen.

Jesus replied, "This will help, but you must cooperate with the Light and refuse to accept any thought contrary to this. For they will try and try and try to get just one derogatory thought in your head. Do not allow it, renounce it. If you don't, it sticks to you and other darknesses will be attracted to it until you are covered in lies. This is a daily effort, My Love. Throw off the works of darkness and embrace the Light.

"The hour has come for you to wake up from your slumber, for our salvation is nearer now than when we first believed. The night is nearly over; the day has drawn near. So let us lay aside the deeds of darkness and put on the armor of light. Let us behave decently, as in the daytime, clothe yourselves with the Lord Jesus Christ..." Romans 13:11-13 and it came to mind as He was speaking.

Jesus continued, "Though Paul is speaking to those who have not as yet renounced sin, it is the same principal. But instead of sins, it is thoughts cloaked in darkness that destroy. You are a chosen generation, a royal priesthood begotten by the Father of Lights."

And again, the Scripture came to mind:

But you are a chosen people, a royal priesthood, a holy nation, a people for God's own possession, to proclaim the virtues of Him who called you out of darkness into His marvelous light. I Peter 2:9

Jesus continued, "If you allow it, Satan will steal your light with unbelief. That is why you must be steeped in Me and not the world. These past few weeks have been extremely threatening to your walk, because you were required to spend so much of your waking reality not in Me and in My Light, but in the dingy, dark world. You cannot dwell in darkness and come forth shining with My Light. No, you must renounce the darkness and embrace Me, cling to Me and My promises to you with all your hearts.

"If you do not cling to Me, darkness will cling to you."

Are Jesus and Satan Brothers? Exodus: Gods & Kings Movie, Holy Trinity Explained Part 1 of 3

August 11, 2017

Lord Jesus, please reveal to us truth from Lies and protect us from the liars and deceivers that have gone out into the world to rob men of their salvation. I pray that you will spread this word far and wide. Amen

After my communion service, the Lord was bringing to mind a movie I watched with my family, Exodus: God and Kings, released in 2014. As well as something said about Satan and Jesus being brothers. And these two things were sticking in my head, and I wasn't sure what was on God's heart tonight to share.

But He said to me, *"I do want you to write about these things that are in your heart. There are many who are confused by these lies. You will explain to them Who I Am and who Satan is. You will also explain to them why My Father was portrayed in such a light in this film. These are things I want you to address, Clare. I may add something at the end, but I definitely want this clarified."*

So...I knew this was going to be a long one. And so I plowed into it. I've edited it down to as little as I can get, so I may end up splitting this into two teachings.

Dear ones, lately a person who was raised in somewhat of a Christian environment, in California, was taught that Lucifer or Satan, was the equal of Jesus. That they were brothers and Lucifer became jealous of Jesus, so he rebelled against Him.

As usual. Part lies and part Truth. And you'll see as I unfold the Scriptures that there's no way that these two are related.

Dear ones, in all things we must rest our case on the Holy Scriptures, for in them is only truth; truth that has been approved by God through His prophets and apostles and handed on down to us.

Never mind the different translations. It is true that some are perverted and twisted and you could argue about every translation. You could find something in every single one that contradicts another translation. But when you read the Bible as a Christian, you are being enlightened by Holy Spirit as you read and if there is a mistranslation, I believe it will bother you, which may lead you to seek out the original wording. Or you just won't be able to receive it.

And that happened to me recently.

But here's what the Lord says about it:

And as for you, the anointing you received from Him remains in you, and you do not need anyone to teach you. But just as His true and genuine anointing teaches you about all things, so remain in Him as you have been taught. John 2:27

Well, I don't think it should be taken literally, to the point where you don't need any kind of teacher at all. I think the point the Lord was trying to make is that Holy Spirit is everybody's teacher! And all truth comes from Him. And sometimes the truth is spoken through a brother or sister, and enlightenment is brought through reflections that they've had with the Lord, that He's blesses. And sometimes the enlightenment of the Truth is given to you as you read the Scriptures. And I think that's the preferable way. You'll find that on this channel, that's what I teach. That you have your own solid relationship with the Lord and learning discernment. Those are two very important things to me.

I had this problem once. It was with a misprint that was so obviously done deliberately by someone who had access to the text. It was from the book of Revelation, the 15th chapter: And I saw what looked like a sea of glass glowing with fire and, standing beside the sea, the beast and its image and over the number of its name. This was a mistranslation. Rev.15:2

Here is the correct translation: And I saw what looked like a sea of glass glowing with fire and, standing beside the sea, those who had been victorious over the beast and its image and over the number of its name.

Wow! "Those who had been victorious over" was left out! Can you believe it? When I read this translation, I got to that sentence and I could not understand it. Now mind you, I was a fairly new Christian. It just would not register at all in my mind; I couldn't grasp it. I didn't understand why until I took the time and looked up other translations. WOW!!! what an incredible misprint. And who do you suppose was behind that one? Wow...

But let's get back to the situation at hand, and that is the doctrine that Satan and Jesus are brothers.

Looking at Genesis, the Lord said, "Then God said, "Let us make mankind in our image, in our likeness, so that they may rule over the fish in the sea and the birds in the sky, over the livestock and all the wild animals, and over all the creatures that move along the ground. So God created mankind in his own image, in the image of God he created them; male and female he created them." Genesis 1:26-27

So, it is right here that the Holy Trinity is first suggested because the Lord uses the plural, "we" and "our."

It was not until Jesus' ministry that it was made clear that Jesus is the eternal one, co-equal with the Father and His Spirit.

In John 1:1-5 it states: In the beginning was the Word, and the Word was with God, and the Word was God. He was with God in the beginning. Through him all things were made; without him nothing was made that has been made. In him was life, and that life was the light of all mankind. The light shines in the darkness, and the darkness has not overcome it. The Word became flesh and made His dwelling among us. We have seen His glory, the glory of the one and only Son from the Father, full of grace and truth.

Now, another thing I'm trying to do here is give you some understanding of the origin of God.

In John 8:58, John writes:

"Truly, truly, I tell you, " Jesus declared, "before Abraham was born, I am!"

He doesn't say, "I came into existence" or "I was born" or "I was brought forth." He says I AM. Which means He existed.

In John 17:5 the Lord says,

And now, Father, glorify Me in Your presence with the glory I had with You before the world existed.

So, obviously when the Father was talking about 'made in our image' He was referring also to Jesus, the Word of God, the Light of the World who existed with the Father.

Now, Colossians 1:15-17

"The Son is the image of the invisible God..."

This is really beautiful. Paul really clarifies it here: The Son is the image of the invisible God

"...the firstborn over all creation. All things were created through Him and for Him. He is before all things, and in Him all things hold together."

And it's been proven by science that there is a force that holds all of the molecules in the universe together. If that force weren't there, it would just be chaos. There would be nothing. There is a force that has arranged the molecules and holds them together. And the Scriptures state it's the Love of God that holds the universe together.

But in Colossians it's so beautiful, because here Paul is saying so clearly that the Son, Jesus Christ, is the image of the invisible God. Father God in Heaven. And the Firstborn over all creation.

Hebrews 1:3

The Son is the radiance of God's glory and the exact representation of His nature, upholding all things by His powerful word.

How beautiful. God the Father sent His Son to save us from our sins and to pay the price of our sins, to redeem us. But he also sent the Son so that He could demonstrate the Father's Heart. Because we've seen a lot of things about fire and brimstone in the beginning, in the Old Testament. And if that's all you ever saw, you might get the feeling or the impression that God is fearful and tremendously powerful, someone to be greatly feared.

Well, fearing God - the fear of God, the healthy fear of God is one thing. But fearing God, being frightened of Him is another. And the Father doesn't want that. He wants to be loved, not feared. If we fear Him, we will respect Him. But if we fear Him in the sense that we're scared to death of Him, how can we possibly love Him? We'll be too busy fearing Him.

So, the Son is the Radiance of God's Glory and the exact representation of His nature. So you can see how God the Father would walk with the prostitutes and the lepers and the tax collectors, how kind He was, how gentle. How forgiving, how merciful. This was to be seen in His nature, in the nature of Jesus.

And in First Corinthians 8:5-7

For even if there are so-called gods, whether in heaven or on earth (as there are many so-called gods and lords), yet for us there is but one God, the Father, from whom all things came and for whom we

exist. And there is but one Lord, Jesus Christ, through whom all things came and through whom we exist. But not everyone has this knowledge. Some people are still so accustomed to idols.

Now. I've just gone over just a very light list of the attributes of God. Now let's look at Lucifer's origin:

Here I want you to understand that sometimes the King of Tyre is referred to...it's a parallel with Satan. As many things in Scriptures are, when the Lord says one thing, it also reflects on other things. For instance, in the Psalms. David talks about his tongue cleaving to the roof of his mouth and none of his bones were broken. And there're so many, many prophecies about the Lord that came to pass in Jesus, but are not specifically referred to as Jesus in the Psalms. So, there are parallels. And it's for us to be sensitive to Holy Spirit when He's trying to quicken to us, "This is a parallel Scripture - it has to do with, now, the thing you are asking about."

So, talking about the Prince of Tyre:

Your pomp and the music of your harps Have been brought down to Sheol; Maggots are spread out as your bed beneath you And worms are your covering.' How you have fallen from heaven, O star of the morning, son of the dawn! You have been cut down to the earth, You who have weakened the nations! But you said in your heart, 'I will ascend to heaven; I will raise my throne above the stars of God, And I will sit on the mount of assembly In the recesses of the north....'I will ascend above the heights of the clouds; I will make myself like the Most High.'

Isaiah 14:11-14

Prophecy Against the Prince of Tyre

"Therefore, behold, I will bring foreigners upon you, the most ruthless of the nations; and they shall draw their swords against the beauty of your wisdom and defile your splendor. They shall thrust you down into the pit, and you shall die the death of the slain in the heart of the seas.

Will you still say, 'I am a god,' in the presence of those who kill you, though you are but a man, and no god, in the hands of those who slay you? You shall die the death of the uncircumcised by the hand of foreigners; for I have spoken, declares the Lord GOD." Ezekiel 28:7-10

Again, this is referring to Satan. And then A Lament over the King of Tyre"

Thus says the Lord GOD: "You were the signet of perfection, full of wisdom and perfect in beauty. You were in Eden, the garden of God; every precious stone was your covering, sardius, topaz, and diamond, beryl, onyx, and jasper, sapphire, emerald, and carbuncle; and crafted in gold were your settings and your engravings. On the day that you were created they were prepared."

So, here we're talking about: he was created. Now, only God is the Creator. Jesus is the Creator. But Satan was created.

"You were an anointed guardian cherub. I placed you; you were on the holy mountain of God; in the midst of the stones of fire you walked. You were blameless in your ways from the day you were created, till unrighteousness was found in you. In the abundance of your trade you were filled with violence in your midst, and you sinned; so I cast you as a profane thing from the mountain of God, and I destroyed you, O guardian cherub, from the midst of the stones of fire. Your heart was proud because of your beauty; you corrupted your wisdom for the sake of your splendor. I cast you to the ground; I exposed you before kings, to feast their eyes on you. By the multitude of your iniquities, in the unrighteousness of your trade you profaned your sanctuaries; so I brought fire out from your midst; it consumed you, and I turned you to ashes on the earth in the sight of all who saw you. All who know you among the

peoples are appalled at you; you have come to a dreadful end and shall be no more forever.” Ezekiel 28:12-19

And I'm not enough of a Bible scholar to be able to tell you that all these things also happened to the King of Tyre, but I do know that this again is a reference to Satan. And to his fate.

It goes on to say - well, here's a part that I missed earlier:

"I will ascend above the heights of the clouds and I will make myself like the Most High. But you were brought down to Sheol, the reaches of the Pit. Those who see you will stare at you and ponder over you. 'Is this the man that made the Earth tremble? Who shook kingdoms? All the kings of the nations lie in glory, each in his own tomb. But you are cast out, away from your grave like a loathed branch, clothed with the slain. Those pierced by the sword who go down to the stones of the Pit, like a dead body trampled underfoot. You will not be joined with them in burial, because you have destroyed your land. You have slain your people."

So, in this short passage it talks about betrayal, of someone who was entrusted to take care of his people and how he betrayed them. And that's typical, that's the way that Satan functions. He lead you to believe on thing while he's busy plotting your destruction with another.

So, in conclusion you can see the origins of both the Lord Jesus who is the Eternal One, the Image of the Living God, and Satan who was created by God to be an angel of worship angel and through his arrogance and pride was divested of his holy calling. That's a huge difference. Jesus is the Eternal One. Second person of the Holy Trinity and Satan was created. Just like you and I were created.

Are Jesus and Satan Brothers? Exodus: Gods & Kings Movie, Holy Trinity Explained 2 of 3

August 12, 2017

The next thing that is important for us to identify is the Character traits of God vs. the character traits of Satan.

God is faithful.

Accounts of covenants between God and His people can be found 277 times in the Bible.

Deuteronomy 7:9 says “Know therefore that the LORD your God is God; he is the faithful God, keeping his covenant of love to a thousand generations of those who love him and keep his commandments.”

He is so faithful!

2 Thessalonians 3:3 “The Lord is faithful, and he will strengthen and protect you from the evil one.”

To Noah (God will save Noah and his family) – Genesis 6:17-18; 9:9-17

To Ishmael (God will bless Ishmael and his descendants) – Genesis 17:18-20

To Moses (God will spare the Israelites if they obey) – Exodus 19:5
To Jacob (God reaffirms His everlasting covenant to Israel) – Psalm 105:10

Another attribute of God is He never lies.

"It is impossible for God to lie." Hebrews 6:13

"God is not a man, that He should lie, Nor a son of man, that He should repent; Has He said, and will He not do it?" Numbers 23:19-20

"Also the Glory of Israel will not lie or change His mind; for He is not a man that He should change His mind."

1 Samuel 15:29

"Once I have sworn by My holiness; I will not lie to David." Psalm 89:35

Another attribute of God is that He is Love.

1 John 3:10 By this the children of God and the children of the devil can be distinguished: Anyone who does not practice righteousness is not of God, nor is anyone who does not love his brother.

1 John 4:7 Beloved, let us love one another, because love comes from God. Everyone who loves has been born of God and knows God.

1 John 4:16

And we have come to know and believe the love that God has for us. God is love; whoever abides in love abides in God, and God in him.

Beloved, let us love one another, because love comes from God. Everyone who loves has been born of God and knows God. Whoever does not love does not know God, because God is love. This is how God's love was revealed among us: God sent His one and only Son into the world, so that we might have life through Him.... And love consists in this: not that we loved God, but that He loved us and sent His Son as an atoning sacrifice for our sins. 1 John 4:7-10

Another attribute of God is that He is Light.

The light shines in the darkness, and the darkness has not overcome it. John 1:5

We write these things so that our joy may be complete. And this is the message we have heard from Him and announce to you: God is light, and in Him there is no darkness at all. If we say we have fellowship with Him yet walk in the darkness, we lie and do not practice the truth....1 John 1:4-6

And we always refer to Satan as the darkness, as being the dark side, the hour of shadows, "the time of darkness", the time of Satan.

Once again, Jesus spoke to the people and said, "I am the light of the world. Whoever follows Me will never walk in the darkness, but will have the light of life." John 8:12

John 12:36 "While you have the Light, believe in the Light, so that you may become sons of light."

John 12:46 "I have come into the world as a light, so that no one who believes in Me should remain in darkness."

And Jesus is Humble.

Philippians 2:5-11 Have this mind among yourselves, which is yours in Christ Jesus, who, though he was in the form of God, did not count equality with God a thing to be grasped, but made himself nothing, taking the form of a servant, being born in the likeness of men. And being found in human form, he humbled himself by becoming obedient to the point of death, even death on a cross. Therefore God has highly exalted him and bestowed on him the name that is above every name, Jesus.

2 Corinthians 8:9 For you know the grace of our Lord Jesus Christ, that though he was rich, yet for your sake he became poor, so that you by his poverty might become rich.

He left the riches of Heaven to come down and demonstrate the Father's love to us.

John 13:3-7 Jesus, knowing that the Father had given all things into his hands, and that he had come from God and was going back to God, rose from supper. He laid aside his outer garments, and taking a towel, tied it around his waist. Then he poured water into a basin and began to wash the disciples' feet and to wipe them with the towel that was wrapped around him. He came to Simon Peter, who said to him, "Lord, do you wash my feet?" Jesus answered him, "What I am doing you do not understand now, but afterward you will understand."

So, He humbled Himself like a slave, to bend down and wash the feet of His disciples.

Matthew 11:29 "Take my yoke upon you, and learn from me, for I am gentle and lowly in heart, and you will find rest for your souls."

Matthew 21:1-12 Now when they drew near to Jerusalem and came to Bethphage, to the Mount of Olives, then Jesus sent two disciples, saying to them, "Go into the village in front of you, and immediately you will find a donkey tied, and a colt with her. Untie them and bring them to me. If anyone says anything to you, you shall say, 'The Lord needs them,' and he will send them at once." This took place to fulfill what was spoken by the prophet, saying, "Say to the daughter of Zion, 'Behold, your king is coming to you, humble, and mounted on a donkey, and on a colt, the foal of a beast of burden.'"

And more things about His nature, about Jesus' nature. **He is compassionate and merciful.**

Psalms 86:15 For you, Lord, are good, and ready to forgive; and plenteous in mercy.

Mark 6:34 When he went ashore he saw a great crowd, and he had compassion on them, because they were like sheep without a shepherd. And he began to teach them many things.

Hebrews 4:15 For we do not have a high priest who is unable to sympathize with our weaknesses, but one who in every respect has been tempted as we are, yet without sin.

Matthew 11:28-30 "Come to me, all who labor and are heavy laden, and I will give you rest. Take my yoke upon you, and learn from me, for I am gentle and lowly in heart, and you will find rest for your souls. For my yoke is easy, and my burden is light."

John 3:16-17 "For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life. For God did not send his Son into the world to condemn the world, but in order that the world might be saved through him."

Now let's take a look at Satan and what his character traits are.

"When he lies, he speaks according to his own nature, for he is a liar and the father of lies." John 8:44

And remember, the very first time that Satan appears in the Bible, in Genesis 3 the first words on his lips are suspicious of the truth ("Did God say, You shall not eat of any tree in the garden?"). And the second words on his lips were a subtle falsehood ("You will not die"). John says that Satan "has nothing to do with the truth, because there is no truth in him." (John 8:44).

So here we are dealing with the essence of falsehood and deception.

He was a liar.

You belong to your father, the devil, and you want to carry out his desires. He was a murderer from the beginning, refusing to uphold the truth, because there is no truth in him. When he lies, he speaks his native language, because he is a liar and the father of lies. John 8:44

He is a schemer.

Put on the full armor of God, so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Ephesians 6:11-12

And he also states in 2 Corinthians 2:11 "that we would not be outwitted by Satan; for we are not ignorant of his designs."

"the devil and Satan, the deceiver of the whole world . . . the accuser" (Revelation 12:9–10), "the ruler of this world" (John 12:31), and "the god of this age" (2 Corinthians 4:4).

He is our "adversary [who] prowls around like a roaring lion, seeking someone to devour" (1 Peter 5:8). The whole world "follows the prince of the power of the air, the spirit that is now at work in the sons of disobedience." (Ephesians 2:2).

Paul talks about him in 2 Corinthians 11:13–15 as disguising himself as an angel of light. So it is not strange if his servants also disguise themselves as servants of righteousness."

And I had that experience when I was in the New Age. I was studying to be a trans-medium, and I thought 'wow, this is great! Angels are gonna help me!' Well, they turned out to be familiar spirits, lying spirits. They disguised themselves in different things to deceive me. And finally the Lord broke through ALL of that and I renounced them and came to know the Truth.

SINFUL. Satan is one who practices unrighteousness, just as Christ is righteous.

"The one who practices sin is of the devil, because the devil has been sinning from the very start. This is why the Son of God was revealed, to destroy the works of the devil. Anyone born of God refuses to practice sin, because God's seed abides in him; he cannot go on sinning, because he has been born of God." John 3:8-9

Satan tempts people to sin.

He tested Jesus in the wilderness — he wanted him to abandon his mission. (Matthew 4:1–11). This is what he did successfully to Judas in the last hours of Jesus's life (Luke 22:3–6). And Paul warns against this for all the believers: "I am afraid that as the serpent deceived Eve by his cunning, your thoughts will be led astray from a sincere and pure devotion to Christ." 2 Corinthians 11:3

The acts of the flesh, which are involved in satanic cults, sexual immorality, impurity, and debauchery; idolatry and sorcery; hatred, discord, jealousy, and rage; rivalries, divisions, factions, and envy; drunkenness, carousing, and the like. I warn you, as I did before, that those who practice such things will not inherit the kingdom of God. Galatians 5:19-21

And the last one: he is proud.

We are warned in I Timothy 3:6 not to pick a novice for a position of leadership, lest being puffed up he fall into the condemnation of the Devil.

There are other references to Satan and Eternal damnation, but I will leave that for the scholarly teachers on the internet. I am simply wanting you to know the difference between Satan and his personality and origins and Jesus and His personality and His Eternal Being which is without a beginning or an end, but is eternal.

And Jesus, who is the image of the Father became flesh that we might know the true nature of God, which is LOVE.

He came into the world to be crucified and offer Himself as a sacrifice once and for all to redeem fallen mankind. And to destroy the works of the devil.

Revelation 20:10 says one day the warfare will be over: "The devil . . . [will be] thrown into the lake of fire and brimstone . . . and will be tormented day and night forever and ever." Matthew 8 and Matthew 25

Why the Atmosphere of Heaviness and Oppression?

August 12, 2017

Lord, please grant us the endurance to run this race and to carry the burdens that You've given us joyfully. And to cleave to You for all of our strength. Amen.

Well, guys, you're gonna get tired of me saying this, but there's discouragement and opposition in the air again. Things have been so hard. It's been like walking through a marsh, with goo up to your neck! It's been really bad, and at a couple of points I've gotten to the Lord. I've said, "My goodness, Lord, I can't do this!"

It's always a good thing to say, because the next thing on the tails of that is, "Lord, please do this, because I can't!" And He always responds to that humble plea.

So, part of the problem is fatigue, the weather and just a real heavy sense in the atmosphere. A spiritual heaviness that is really—it's difficult to put your finger on exactly what it is. It's an extreme drag. There were times where I thought, 'Lord? Are You with me still? Am I doing the right thing?'

So, when I came out of prayer, this is what He had to say.

"I am with you...I am with you...I am with you. You will not be put to shame; I am with you. These are dark and difficult hours you are living through, even in this moment. Yes, they are dark and difficult because so much is being held back by all of your sincere offerings. That is why it seems so heavy, Clare."

It does seem heavy...

"My Dearest, I have NOT abandoned you. It is the times you are living in, where darkness is on the increase."

"PLANS, SUBTERRANEAN PLANS, ARE BEING PUT INTO PLACE. BUT AM I NOT THE GOD OF HEAVEN AND EARTH? Shall I give My people over to this pernicious evil? No, I will not. Nonetheless, it is a struggle. And when you struggle for Me, Clare, I am so very pleased with you. I see your discouragement, child. I feel it keenly. And I am here to tell you that it will not be in vain. Yet, I know in this moment your heart is torn. Do not let this breach in faith get any bigger. Have I not worked miracles all your life long?"

Yes, He certainly has! And what brought me to this pass, really, is I was practicing as He had asked me to, just playing free-form on the piano. And it was just flatter than a pancake! Not one spark of inspiration. All just very mechanical. And that was very discouraging to me. So, I thought, 'What - is He gone? Is the anointing not there? What's going on?' 'Cause usually something will come out of it towards the end. And that's why He answered me this way.

Jesus continued, "Yes, Indeed I have and now is no exception even when your faith flags. I do not flag. I shall do what I promised. But I need your cooperation, dearest. I want you to firmly believe that what has been spoken will come to pass, if only you will persevere."

"And for the rest of you, My people, some of you are facing very discouraging circumstances. Hold tight to the dream. We have not finished climbing yet; we are still ascending the mountain of courage and brotherly love. Yes, it is difficult, very difficult at times—but remember, charity always wins.

"The good you do always multiplies every effort you put into it with a return you cannot at this time even imagine. Everyone who has signed on for this climb is given a portion to carry to keep this nation afloat. The enemy cannot fathom why they are getting so much resistance in putting their plans into action. The drag on their aspirations is also discouraging them, yet they will not give up."

He's talking here about the Deep State.

"The god of this world has an unquenchable fury that will not be satisfied, but mounts greater and greater plans to destroy this world and everyone in it.

"What I want to say to you all, is that the drag in your life, the extra pull on your plans and actions, is actually very much in proportion to what the enemy is suffering, but of course, on a much bigger scale. In other words, are you laboring and almost out of breath. That is because your efforts are being used to slow down and frustrate their wicked plans.

"All of My warrior brides who signed on for this climb are carrying loads that are appropriate for them—after My strengthening, so they can continue. And what is being generated is monumental opposition to what Satan wants to do. All because you have said, "Yes" to Me and offered your lives as a sacrifice. Therefore, you have more than the usual amount of battles and difficulties, because you are fueling the pressures being brought to bear upon their agendas.

"Multiply this by thousands around the world, add the blood of the martyrs and you have an incredible force to deal with. That is why the church must be raptured before the antichrist can implement the fullness of his plans. All is dependent upon that event. That will be when it begins. And we are holding it back together.

"So, do not grow despondent with the weightiness of it all. I have prepared you for this hour of triumph over darkness. I am with you and will bring to pass what I have promised in each of your lives. I will also supply what is needed when you feel as though you can't take one more step forward.

"Do not omit your time of dwelling prayer with Me in the morning. Drink from that wellspring of life, power and peace before you attempt to live your day and it will go much smoother. Also do not omit your binding prayer and communion. These are mainstays of protection to short-circuit the enemy's agenda for the day.

"My precious ones, do not allow the enemy to injure your faith or grow despondent. Turn instead to Me for your strength. Understand, with each battle you fight, the enemy is being slowed down and blocked from annihilating the Earth. Cleave to Me with all your strength and when it seems like more than you can endure, shut yourself up with Me until I restore your peace.

"We will have the victory in all things. What I have promised, that will I do."

Are Jesus and Satan Brothers? Exodus: Gods & Kings Movie, Holy Trinity Explained 3 of 3

August 13, 2017

Now, I just want to take a moment in closing. Some people are very confused by the nature of the Trinity, and I like to explain it this way. In our essence we are spirit, eternal spirit, created by the Lord, by God. Yet we have another dimension, the soulish nature, which cannot be seen but can be felt by those who are sensitive. For instance, have you ever felt anger pouring out of someone even though they might be smiling on the outside? The soulish nature is in another dimension, and you can feel emotions coming off the soulish nature.

But then, we have a body that can be seen and felt, and that's the physical nature.

Now, if you take an egg and show it to someone and ask them, "How many eggs do I have?" they will answer "One." And that is correct. But if you break the egg open, there are yet two other parts: the white of the egg and the yoke. But even if you separate the three parts, it is still one egg.

Well, in the same way, the outer shell which is what you first see, can be likened to Jesus, the physical manifestation of God. The white could be likened to the Holy Spirit of God, and the yoke could be likened to Father God. All three are equal—yet they are still only One.

So, to say that Satan is Jesus' brother, is ridiculous! Satan was created as an angel by God the Father, the Son, the Holy Spirit. Then he was thrown down from Heaven by God, exiled forever. And in his jealousy and fury, he came to make war with God's other creations, specifically those are created in God's image: us. He can't harm God directly, but by destroying the Earth, destroying families and children, he can hurt God. So, that's why he is hell-bent on hurting and destroying everything good that God created.

Now let's take a quick look at the new rendition of the film Exodus: Gods and Kings. There are so many inaccuracies in this movie it would take me days to explain them. But the Lord Jesus has asked me to defend His and the Father's honor and make it clear that first of all, the person who wrote the script has NO idea who God is—unless he is deliberately misrepresenting Him.

I can tell you this much. His description of God fits perfectly with Satan's personality and the multitude of New Age teachings including the Church of Satan.

The character of God the Father is portrayed as a sullen little boy, capricious and vindictive. Darkness is all around His personality, and an element of the bizarre in is His person - very much like the devil character played in The Passion. It's in every scene. There's a coldness and a darkness and a really bizarre feeling about every one of the scenes where supposedly God the Father appears as a child.

This is what Satan portrays God as. There is no basis in Scripture for this kind of description! As you can see from the comparison between The Lord and Satan, this figure in the movie most closely resembles Satan. Dark, vindictive, blood-thirsty, cold-hearted and distant.

Dear Ones, God is Love and in Him there is no darkness at all. Whoever made this film has taken the opportunity to mix truth with lies. This is the M.O. of Satan. The way that he functions: that's his M.O. Take the truth and mix it with lies and they won't know the difference.

Well, that works for someone who has never encountered God or His love, but for true Christians, it does not work. Some of you are new to our channel and have not been given a good Bible-based instruction on who Our Lord truly is. How loving, gentle and kind He is and how only in extreme cases does He resort to violence to reach His ends. This is because Satan, working through man, withstands Him and one thing God is, is ALL POWERFUL AND MIGHTY. Righteous beyond any power in the universe.

How He hates to exercise that power, but there are cultural sins that cry out to Heaven for the innocent slain, to put a stop to what Satan is doing through evil men. When that happens, He comes out full force.

Still, time and time again the Lord gives Mercy when man repents and asks for mercy. Satan does not give mercy, as is witnessed through Allah who is portrayed to be the Merciful while beheading little children and ripping babies from their mother's wombs.

And before I close, I want to mention what an incredible travesty that movie has done to the character of Moses, who was so meek and humbled when he became a shepherd, that he feared to speak out loud. And his brother Aaron had to speak for him on many occasions. It was not Moses' sword that that convinced Pharaoh; it was the power of God acting through a quiet and meek personality.

I have had the privilege of meeting Moses in Heaven and he is by far the most meek person I have ever met. But don't take my word for it.

In Numbers 12:4-9 Scripture says "Now Moses was a very humble man, more humble than anyone else on the face of the earth.

At once the Lord said to Moses, Aaron and Miriam, "Come out to the tent of meeting, all three of you." So the three of them went out. Then the Lord came down in a pillar of cloud; he stood at the entrance to the tent and summoned Aaron and Miriam. When the two of them stepped forward, he said, "Listen to my words:

"When there is a prophet among you, I, the Lord, reveal myself to them in visions, I speak to them in dreams. But this is not true of my servant Moses; he is faithful in all my house. With him I speak face to face, clearly and not in riddles; he sees the form of the Lord. Why then were you not afraid to speak against my servant Moses?" The anger of the Lord burned against them.

Well, after that, when the cloud lifted, Miriam was struck with leprosy. And of course, Moses—being incredibly merciful and loving, begged God to take the leprosy away from her.

So, my dear ones, be very, very careful when people tell you who God is, or portray Him in the movies. Unless that description is faithful to the Scriptures, it cannot be trusted, because the devils take truth and lace it with lies to deceive us.

So, if you spot a lie mixed in with the truth, you are NOT dealing with holiness. You're dealing with the deceiver.

In conclusion, I just want to say: Jesus is NOT Satan's brother. Satan was created by God—the Triune God, Father, Son and Holy Spirit—to lead worship in Heaven. And in the end, the fire coming from the mouth of Jesus Our Lord will destroy all his armies and they will be cast into a bed of torments.

Thanks for bearing with me on this teaching. I had to ask Jesus, "Do you have anything to add?"

And He began, "My dear children, I and My Father are One in the same. With Love and tenderness we lead our children. but should tyrants arise to destroy and maim the innocent, We will resort to the measures necessary to put an end to it. Satan is a liar. And for you poor ones that are trapped in his influence right now, I plead with you to repent, come to Me and I will protect you. You are serving a liar who is promising you outrageous things.

"On Earth, he is capable of giving you everything you want. But when you die, he will drag you screaming down into a chamber of torture that has been prepared for you. This is not My will. My prayer for you is that you repent before it is too late.

"And for you, My young ones, who are just learning about Who I Am—let no one deceive you. I am a God of love and mercy and I am vulnerable to your sorrows. Though these things are the result of your wrong choices in life, I cry when you hurt, I long to hold and forgive you, and to make all things new.

"Please, do not believe everything you hear. Just because someone had millions of dollars supplied to them to create films that slander Our character, do not base your beliefs on any movie, book or teaching that goes against what I have left behind for you in the Sacred Holy Scriptures. Weigh everything against what I have taught you, and outwit the devils who are counting on your youth and gullibility to cause you to believe lies about Me. There is no more time left to live lies! Live in the light and in the truth, no matter how difficult it might be to accept what is written. It is your life line to Heaven and will preserve your souls.

"Be wise as serpents and gentle as doves."

And that was the end of His message.

Well, Heartdwellers, I just want to thank you for your prayers and support. We have been given a sacred trust to reveal the true loving character of God to the world wide web and we cannot do it without your prayers and offerings.

Summer time (and Christmas) are typically very skinny in donations and we sometimes have to cut back on essentials to see to it that everyone gets paid. But because of your generosity every month, we are able to keep going.

I thank you from the bottom of my heart and want you to know that, every soul that is saved from Hell through this ministry, because of your loving support—you will receive credit for in Heaven. It's not about me or Ezekiel or us. It's about all of us together who make it possible to reach others around the world. We all have our part to play. Thank you so very much for being faithful with yours.

Pray with Passion, Your Enemy Advances

August 21, 2017

Jesus, you are warning us. May Your words move our hearts to action! Amen.

So, today I sought the Lord about the eclipse.

Lord, please speak Your heart to me for Your Bride...and what's this about the Eclipse?

Jesus began, *"There will be signs in the heavens, the sun, moon and stars...you already know this."*

That's true, that's Matthew 24.

"It is a sign of My coming, Clare, another warning to this generation to get it right. Yes, this should be announced and brought forward during these times.

"Prayers are lagging behind, Clare. Not just with you, but with everyone. Life goes on: school, work, eating, drinking, marrying and engagements....just as I said it would. But the Son of Man will come at a time none expect.

"My people, you are not taking this time seriously enough. I am in great need of your dedicated prayers in this very hour. Yes, you have prayed. Yes, you are praying. Do so even more. I have great needs you know not of.

"Vigils, fastings and serious prayer are needed at this time. Yes, the Divine Mercy Chaplet will be very effective in turning the Father's heart to giving more time, more grace and more mercy. I am NOT telling you to put your lives on a total hold; but I am asking you to forego entertainment and eating out, in favor of serious prayer for your nation and the world.

"If I told you in this moment what is moving forward and being prepared for you, your family and your nation, you would fall to the floor on the spot. Nuclear annihilation is not all. There are diseases that can be released, painful diseases no one can stop. Diseases there are no cures for other than to watch your children and family members die a slow and painful death. Looting, rioting and all sorts of insurrections are planned.

"The evil ones excel in digging up the most heinous crimes against humanity to get their own way. Your president is doing everything he can to stop these plans, but your nation is sitting on top of a very powerful underground government that is prepared to do ANYTHING, ANY CRIME against humanity to get their own way.

"I WILL STOP THIS...IF YOU WILL PRAY. Not just pray, but pray hard, travail, fast, beg for Mercy.

"The evil ones are blind to the fact that they are being manipulated by intelligences far advanced from their own, which are plotting the complete destruction of this Earth and mankind. You can stop it. Yes, little you. You can stop it by your passionate prayers.

"If you can't connect with that passion—to live and see your children live—you have only to just ask Me and I will anoint you for it. I tell you the truth, on that day that it breaks forth, you will beat your breasts that you did not pray harder. My people, now is the time of favor. Pray with all you have that this be stopped indefinitely and the enemy be defeated by their own plans.

"I have ways, ways beyond their resources to put a halt to their evil agendas. But these ways must be fueled by your prayers that the Kingdom of God on Earth be Glorified and the kingdom of darkness suffer the worst defeat. You do not have to wait to see the lava flow and search out these hidden cities. Yes, I have ways to defeat the enemy, but your prayers are needed to bring them about.

"There is tremendous volcanic unrest at this time. This is by design, because I can harness it to do great damage to the enemy. There is no way to stop Me, except if My people do not pray. I do not wish for any to die, but My heart is heavy-laden over the evil men plan to do to the innocents. And with your prayers I will bring certain plans to a halt.

"Also, the volcanic unrest has to do with the increase of souls thrown into Hell. My people, it is tragic that some are dying and going to this place I created only for fallen angels. It is tragic that lust, pornography, drugs and violence are a lifestyle leading straight to Hell. These are the forces that are filling Hell, and I need your prayers for the innocent who become captives and slaves to these forces. Yes, this is a time needing great prayer.

"My Bride, I need you! Fill Heaven with your prayers. Stand with Me against this encroaching darkness before it covers your land beyond remedy.

"Yes! I need your prayers. The Divine Mercy Chaplet, tongues and prayers from the Heart. Do not allow anyone to forbid you to pray in tongues. Rather, lift up your hearts to My Spirit and call upon Him to intercede. Then give utterance to His prayers.

"Do you understand? He does not pray as man prays. His prayers are perfect prayers. As He flows through you, wellsprings of living water ascend to the Throne to set the captives free, to foil the plans of the enemy, to prepare even your hearts and the hearts of your unsaved loved ones to receive Me. Wellsprings of living waters flow out from you to fertilize and water the land. That's why Satan hates tongues and has done so much to make people ashamed and to cast slurs against it.

"Since the beginning of My Church, Satan, through man's insecurities and dependence on the approval of flesh and blood—the enemy has all but destroyed much of what was given to you by perverting its meaning or raising up others who go too far and give a bad example. I gave you tongues to liberate you from yourselves and your finite minds, that you might have My Mind, My Heart, My Thoughts. But many, through the opinion of frail flesh, have shunned this gift. Please, do not be among My servants as one who casts a slur on Me.

"Did I not send My ambassador to tell you, 'I speak with tongues more than you all.' (that's 1 Corinthians 14:2) 'For he who speaks in a tongue does not speak to men, but to God. Indeed, no one understands him; he utters mysteries in the Spirit.' (that's 1 Corinthians 14:18) And these mysteries may very well

result in a frustration of men's plans to do evil. He who speaks in tongues speaks to God Himself. And great prayer is answered in this way.

"I long for you to have MY mind, but how shall this ever be accomplished if you refuse to give utterance to My Spirit? Great secrets and wisdom are released into your consciousness when you pray to the Father in tongues. There is great ignorance of spiritual matters and especially the ways of darkness, because tongues are suppressed.

"Enough said.

"Pray from the heart. If your heart is void of passion, ask and it shall be given. Offer a small fast. Yet the more you give, the more you will receive. Do not look down upon anyone, and honor leaders of the church, for this respect is done unto Me since I have appointed them. Indeed, honor all My commandments and your prayers will be heard.

"Go now, My dear ones, and apply yourselves to intercession until this hour of opportunity for the enemy has passed."

Lord, I Feel So Weary...

August 22, 2017

Dear Heartdwellers, let us remember that Jesus rose from the dead and that same resurrection power lives inside of each of us. When we are tempted to give up, call upon Him and He will restore you.

So, between daily thunderstorms...and I do mean gully washers! And carrying a burden for the war, and difficulty with my voice this afternoon, at a critical time...I have to say I'm discouraged. I went to have communion and as soon as I received, He, looking at my flagging frame, called me aside.

Tenderly, He said, *"Come here...come aside with Me."*

He wrapped His arms around me and held me ever so gently.

"Clare, don't be discouraged because of your voice. I know this is the hardest thing in the world to do: go slowly and make gradual progress. But this is what I am asking of you, Beloved. You are doing My will. You should not be discouraged or distraught. You are doing precisely what I asked you to do. All your life you've been plagued by wanting results instantly—but lasting things, solid things require time and persistent application. So, it didn't go so well today; it will go better next week. You will see.

"Life has so little meaning without a purpose and you do have a purpose. Two purposes, at the very least. And they are important to Me and you should keep doing them until you get them right."

Forgive me, Lord, I think I am hopeless. I've lost confidence in myself and so many things seem to be coming against us...like time being short. (I am always plagued by that thought...) I am old and tired.

Please renew me, Lord. Please give me Your strength, Your confidence and Inspiration that I might keep going. Please?

At that point, I was crying.

He continued, *"I understand the old and tired thing. That is one thing I didn't have to battle, but the emotional weight of the people, what was put upon Me, was tremendous and equal to what you call length of years. So many hurting souls. Seeing them from Heaven was one thing; walking among them on Earth... quite another."*

What do you mean, Lord?

"I have never lacked for knowledge of anything, Clare. But there is something about being of human estate and relating to My Creation from that vantage point that gave Me something I had not recognized before. The Earth is hard, gravity is hard, aging is hard, walking here among the constraints of a sinful world with negative, invisible forces and demons... is hard."

"I know how you feel and I am ever so sympathetic with you. I truly am."

"But I will enliven you. What raised Me from the dead, Clare, lives in you. Right here. (He put His finger on my heart.) I will burst forth from the boundaries of this flesh if you will allow it."

How do I do that?

"You must believe. Believe that I am who I said I am. Believe that I can do reconstructive miracles, not only of body parts, but hearts and minds. New life, new joy, new strength. I can and will do these things for you, but you MUST believe. Believe in Me, that I am Who I say I AM. Believe in Me, that I will do what I have said I will do."

I answered Him, "Lord, somewhere inside of me I do believe that."

"Good. Call it forth and live it now. You still need more time with Me. You are still stunted in growth because you don't get it. But I am making a way for that. Be sensitive to My timing and take advantage of the breaks I make in your schedule."

"You are also carrying a burden for your nation. This is a very heavy cross. But have I not promised that I would not give you more than you could handle?"

Jesus, I really feel like I am at the rock bottom.

"Then there is nowhere else to go but up...right?"

He continued, "Go lay down now and take your rest."

So, that's exactly what I did. I went and took a nap, my midnight nap, to get ready for the next 6 hours. And I had my husband pray for me at the same time. He laid hands on me. And I feel 100% better. I feel much, much better.

But I wanted to share this with you, even though it's not a long message. It certainly is encouraging. He is there for you. All you need to do is reach out to Him, and believe in Who He is and what He can do.

I love you all, Heartdwellers. Thank you for taking such good care of us. Thank you for praying for us. We so appreciate it. The Lord bless you.

And I want to, at this point, give a special thanks to those of you who have been taking care of us every month. I can't tell you how much we appreciate it. It makes it possible for us to plan, and dream and work even harder for the website and for the Channel. And books that we're putting together.

And by the way, speaking of books. All you have to do is write to me and I'll send them to you for free. So, there's no constraints on your finances. If you don't have the money to order something from Amazon, please write to me. It's in the information box underneath this video. And I'll be happy to send you what I have.

The Lord bless you all.

This Satanic High Priestess Was No Match for God!

Lisa Gwinn

August 22, 2017

What happens when a high priestess of Satan tries to seduce a man and encounters a power that causes all Hell to break loose?

Next, on this edition of It's Supernatural.

Life after death experiences and angelic visitations are on the increase. Terminally ill patients whom doctors have given no hope are unexplainably cured. People are being mysteriously protected from natural disasters. Sid Roth, investigative reporter, examines this invisible world on It's Supernatural.

Sid: Hello. I'm Sid Roth, your investigative reporter. My guest was a high priestess of Satan. Most people think that this is just cartoons, a figment of someone's imagination. I mean, the devil is someone with a red suit and tail and horns and Flip Wilson's 'the devil made me do it.' But it's real.

Lisa Gwinn, how did you originally get into Satanism.

Lisa: My motivation was...I was raised in a very abusive home, environment. A victim at a very young age. And that victimization will often make you look for power, for control. For ways to not become a victim any more. You know, I remember at a very young age, going, 'I will never be hurt like this again.' And trying to find ways to assure that.

And the enemy is very capable. Satanic worship, witchcraft, ESP - all have a draw of power on them. That was very, very appealing to me.

Sid: You had an abusive stepfather that you wanted to get the edge on, so to speak.

Lisa: Right.

Sid: But how does a young child...I mean how DOES a young child get into Satanism?

Lisa: There are a lot of different factors. For me, I can tell you that media played a big role. I remember growing up, one of my favorite songs was about a woman who had the title of a witch in the song. And she could hold men spell-bound by the look in her eyes. You know. To sing along with those words and dream about having that much power over our abusers.

I had a friend who also in an abusive situation. We kind of bonded together, just to get each other through. You know? Two of our favorite shows were about a witch and a genie. Television shows. Young and impressionable kids in situations of being hurt and abused all the time...do you know what a draw it was to watch these shows and to wish that all we had to do was twitch our nose or blink our eyes.

Sid: Did you believe that when you were watching it?

Lisa: You will believe anything. When you are in a situation where you are being violated, driven down, torn apart and shredded emotionally - you'll grasp to any hope. In any port in a storm. And in desperation, you'll begin to believe whatever you can.

With us, we went to our...just our school libraries. Lots of books on ESP, increasing your ESP abilities. Lots of books on witchcraft. You know? Our libraries are full of books on the occult.

Sid: But you had an uncle that helped you on.

Lisa: Yes. I had an uncle related by marriage who was the only adult, for a long time, that listened to me. That seemed to respect me. We'd sit and have long talks, because as I began studying about the supernatural and the occult and ESP and things of that sort, he would encourage me in those studies. And I had no idea he was a Satanic priest. And so, he was pretty much grooming me to be incorporated into that lifestyle.

Sid: Did...in other words, you didn't know that he was a Satanic priest? Would it have bothered you if you knew it?

Lisa: Probably not. I probably would have found it very appealing. More than likely.

Sid: So. Did you reach a point where this power stopped your stepfather from abusing you?

Lisa: Yes. I remember him coming toward me once. And I stood there and I visualized... By the time this happened, I had these little imaginary friends. People that I could only see. You know, kids have imaginary friends. But MY imaginary friends, I believed, were so powerful. Actually, what it was is, spiritual forces that I had put myself through agreement, a contract with. It put an aura and a power around me that, when he came toward me, you know, it was like, no way. And he backed away, looking like this...

Sid: How old were you at that time?

Lisa: I was thirteen. Took all that time, I was already a Satanist at that time. I was initiated at age twelve.

Sid: Now, most of what I know about that is what you see on television. But that's not even the tip of the iceberg. How bad is Satanism?

Lisa: It's very prevalent. You have to understand, Satanism is not just the worshipping of Satan. Satanism is any religion or practice that fosters man's belief in himself. And his separation and independence from a higher power. From God...as we understand Him to be.

Sid: But I read about sacrificing children. Is this for real?

Lisa: That's for real. If you let your imagination run wild with you, a lot of what you believe and picture about Satanism is real. The problem comes with media. Media has been desensitizing people for years and years.

Sid: Do you think it's intentional?

Lisa: I think part of it is, yeah. I believe that we have spiritual forces that are working daily to keep the general public doubtful of their existence. Or...one of the things you'll do in warfare is, you'll try to make your enemy think you don't exist. You know, that way you can run rip shod over and he'll never take up arms against you.

Sid: Great defense.

Lisa: So, Christians for a long time, in media, have been played as, you know. You always see Christians in the movies standing up to the dragon and spiritual people having spiritual powers of good.. and they always end up getting chewed up and spit out. You have the witch, you know, trying to do 'good' things with bad magic. And they're coming out on top.

Or you'll see all of this gore displayed, as far as the occult. And it's so portrayed in such an extravagant manner, people believe that's all it is. Extravagance. Rather than all of that based on reality.

Sid: Why do they sacrifice a child? In Satanism.

Lisa: Satanism is predominantly based in old law. What you would call Old Testament law. Eye for an eye, tooth for a tooth. It goes back to the original sin of man, which caused an animal to have to die for God to make skins to clothe man, because he fell.

Sin has always led to the shedding of blood, and therefore the blood has always been a way of paying for sin. Okay? But also, there's life in the blood. And every pagan religion in the world, there's some kind of sacrifice. Some kind, whether it's animal, grain, person. It's like, what you give up to your god, it's all based in works. There's no grace.

Sid: Lisa. How did you feel when you saw a life being taken?

Lisa: The first time? Terrified. I blocked it out for years. I didn't recall it for a long time. Eventually, you get hardened to it. You realize that what you are doing is...you have a need to achieve a certain power

or a certain goal. And if one person suffers because of that, that's the cost. And you come to grips with the cost.

Sid: Why did you have a need to have a certain power, a certain goal? Why did you have a need?

Lisa: By that time, my whole identity came from what people told me I was and who people told me I was. My abilities. Once you get involved in the kingdom of darkness, it's a dog-eat-dog mentality, blood-slinger mentality. And so you progress from power to power, and there's always somebody trying to knock you out. Your whole identity is consumed with what you can achieve and how much power you can get for yourself and control.

Sid: What did you think would happen when you died?

Lisa: I believed that I would go to be with my master in the kingdom of darkness and be given a position of rulership there.

Sid: But certainly you heard about Jesus?

Lisa: Jesus, to me, was a man who was stupid enough to find himself nailed to a cross. He was a good man, okay. He had a message from God. But unless people took advantage of his message, they had no authority to stop you. If they chose not to learn how to stop me - then they didn't have a right to keep anything I wanted to take from them.

Sid: Okay. A time came when they wanted you to have a child so that they could sacrifice it, or use it in some way. Why in the world did you find this distasteful?

Lisa: It's different when it's yours. You know? That's an ultimate thing. But at the time they asked me for that, I had had two major experiences in my life, that had started me on an adventure of questioning everything that I had been taught for 20 years.

All of the spiritual laws and principles that I had been taught, that gave me the right or rights to use and manipulate and control the powers of darkness, I was beginning to question. Because I had encounters that were not supposed to have been able to happen.

Sid: Like what?

Lisa: The first was, I was moved to another state. That's often done, put people in position in different states, because they view it territorially to maintain control in certain areas. I was moved to this one state and one of my assignments was to tear apart or destroy the ministry of this one man who had started teaching on spiritual warfare.

Sid: Why would you care about...If Jesus didn't exist, what difference did it make to tear a minister apart or not? What's the big deal?

Lisa: Because this minister believed in everything that Jesus did. And he was standing on spiritual laws that were superior to ours. For example. You know, a person could die a pauper if they never knew they had a million dollars in the bank. Most Christians believe they have a million dollars in the bank - they just never go withdraw it.

Sid: Okay. So this man was making trouble for your kingdom. What was the objective. What did you want to do with this man? This minister?

Lisa: We wanted to get him out of ministry, however we had to do that. And if we couldn't do that, we would destroy him - kill him.

Sid: Had you, or your friends, done this with other ministers previously?

Lisa: Yes. I'll tell you, at the specific time that I was sent to this one city, they had five other people positioned. One was in a major city where a major ministry fell as a result of that.

Sid: How do you cause a minister to fall?

Lisa: You look for weaknesses, for vices that you can manipulate. Any sin, loophole, area of impropriety. You find his greatest source of counsel and unity. You know, if he has a partner. For a church, for example. You would look at the pastor and associate pastor. The pastor and music leader. You know. Find the strongest source of unity and divide it. Divide and conquer.

Sid: Okay. What happened when you went to this particular church?

Lisa: I went in...I kept sending people in, first. You know. To go in, what we called infiltrators. And they weren't coming back. Some of them were just not getting anywhere and were too embarrassed to come back and admit failure. Because that's...a no no. I mean, you don't admit failure, that's a weakness.

Sid: So. You now, at the level you're at, are going to go in and take care of business. Right?

Lisa: Right. 'Cause I had people above me that were sitting on me, going why aren't you getting this done? Okay. So, here I go in to handle it myself.

(Sid - commercial break period.)

Sid: Hello. I'm Sid Roth, your investigative reporter. I imagine you didn't even run to the refrigerator to get food! During the break, because my guest was a high priestess of Satan. Her job was to go into churches and cause the pastors or the leadership to fall. And just the power in this one particular church was hurting her kingdom, and she had sent other people there to disrupt their church. And it hadn't been successful.

Lisa Gwinn, you decided YOU'RE going to take care of it. What happened?

Lisa: Well, I went in under the guise of wanting help from the pastor, who was doing so much counseling and helping people with occult pasts. And my encounter with him was...really shook the foundation of everything that I had been taught. I was taught that I served the ultimate power. Well, five minutes after I walked through the door, he began to pray to HIS God. And what that did to me was really wreak havoc. And it caused all of the demonic powers that I thought I had controlled to pretty much come out, manifest themselves. You know, the room began to fill up when he prayed. And really, they began to threaten me, because I had taken them into a situation against a power that they couldn't stand against.

After that point, I began to question everything I'd been taught about Satanism. About the powers of darkness. Because I had been taught that I served this supreme ruler in darkness, the supreme power. And then, all of a sudden...

Sid: Listen, if they're afraid of this Christian minister, while you're alive. How about the repercussions of what happens when you die? You thought you were assuring yourself a kingdom with Satan. But he can't even handle things in THIS life.

Lisa: That's true, that's true. Satan's pretty much a spoiled brat who knows his time is near, and he's pulling out all the stops to keep his sand castle kingdom from being washed away.

Sid: So, did this minister tell you to accept Jesus? Did you?

Lisa: He did, but I didn't. Everything that I knew about Jesus was no power. All the churches I had ever been in, and a lot of the Christians I had known...just were wimps. You know, they said God was all powerful, but they were always going through all these circumstances. They had no power in their life.

Sid: Yeah, but this particular one was obviously powerful. So, why didn't you accept Jesus?

Lisa: There's another factor involved in that.

Sid: What's that?

Lisa: After a while, you're so used to the kingdom of darkness, you believe you ARE of the kingdom of darkness and you can't change. It's like holding out, you know...

Sid: It's like a homosexual that thinks they can't change.

Lisa: Yeah - thinks he's chained. That there's no other option. There quickly became an apparent other option. The Lord began to just put miraculous circumstances in my life. God would orchestrate people that came into my life.

Sid: There was a person that came into your life. You were instructed to have a child, for the sake of sacrifice and you rebelled. You didn't want to do that. And so you ran.

Lisa: Yeah.

Sid: Weren't you afraid?

Lisa: Yeah, I was. But I knew when I made the choices that I made. I knew that if I ever decided to leave that they would come and kill me. And I accepted the consequences of that.

Sid: And they sent an infiltrator. Tell me about him.

Lisa: Well, I kinda fell in love with this guy, he was the 'cat's meow' you know. He was everything I ever wanted. And after 6 months of living together I discovered that he, too, was a high priest that had been sent just to keep tabs on my life. I confronted him with that knowledge, managed to separated myself

from him and shortly thereafter found out that I was pregnant. He made it real clear, being a high priest, he said, 'That's my ticket. That child's my ticket.'

Faced with that option, abortion became my option. Which he didn't take lying down, you don't do that. You don't abort the child of a high priest. And so he pretty much broke into my apartment the next day with some of his friends, destroyed just about everything in it and beat me so badly I was told I could never have children. At that point, I ran. I ran out to the west coast, and buried myself working for the motion picture studios, just trying to hide.

Sid: But you had a grandmother that didn't give up on you, that knew how to get in touch with God. And one day she called you.

Lisa: Yeah. She would call me all the time, through the years. I'm in the midst of sin, and here the answering machine would come on. I'd hear her say, "De Lor' have mercy, Chile. I don't know what you been doin', but I been talking to God and He tole me to call you, and tell you to stop!" I couldn't believe her timing!

Sid: When she said those things, what did you think?

Lisa: I used to think, 'Man, Gramma's just got it altogether, she knows about spiritual power.' I never thought about the source of that spiritual power. You know? But when she called and told me, she said, "I don't need to know everything you've been involved in, don't want to. You need to find a man who believes in the power of God, a preacher or somebody. Tell them what you've been involved in and ask for help."

And I did - and got no results.

Sid: Why?

Lisa: Well, the first church I went to, the pastor got kinda scared and said, "We don't want any trouble here." and showed me to the door. Because a lot of churches, while they affirm the power of God, they deny there is a devil. They take half of the Bible and believe it and throw out the other half.

The other pastor, didn't believe a word I said. Still another one told me, "What you have to do is, you have to pray every day, go to church every week, and read your Bible every day." And he gave me all these step by step things to do. And I look at him and said, "That sounds like ritual to me. And if I'm not mistaken, it's ritual that got me in this condition."

So I gave up.

Sid: But, fortunately you saw someone on television.

Lisa: I did. I started watching this minister on television, and he had a rather miraculous, powerful television show. And I found out, he was going to be in the area, and I decided that I would go and check him out. To see if what I was seeing on TV was true.

Sid: And?

Lisa: The last meeting, I started to leave. And through just a series of events and people, I chose to stay. And he opened the sermon that night with saying, 'I don't know if you've ever had the devil visit you in your home.' And he began to share an encounter that he had had, with a demonic presence. And he had my attention.

I listened to what he said, he began to pray afterward, called out miracles and healing and things. And he said, 'If you've felt the power of God, come down here.' Well, I didn't feel anything, but the person next to her pushed me out into the aisle. And I was kind of caught in the flow, because obviously hundreds of other people had felt something and they were all crammed in the aisle. I had no choice.

So, I ended up getting up onto the stage and he prayed for me. And nothing happened. Absolutely nothing happened. And I walked off the stage and here this teenager that had pushed me out into the aisle to begin with, came and said, "Get back in line! You came here for something, don't leave without it."

And I told him, "I know where the line is. I crossed it. The point of no return. And I can live with that." But on my way out the door, here came this teenage boy again, with his pastor, towing him toward me saying, "Help me pray for this girl."

That pastor confronted me with a question. He said, "What do you want? If God or Jesus were standing here and asked you what you wanted, what would you tell Him?"

I began my list. I wanted to know what peace of mind was. What it was like to say the word beautiful again. What it was like to go to sleep more than two or three hours a night without things moving in the room, or voices. I wanted to know what peace was. And as I gave him the list, I noticed my face was wet. And I reached up and wiped these tears away.

And I guess the shock really showed, 'cause this preacher said, "What?" And I all I could stutter was, "I didn't think they worked anymore." I realized I was crying.

Sid: Why?

Lisa: I had said years before, the last time I had cried, I said I would never shed another tear. When I was eight years old. 'Cause I was falsely accused of something. And it so wounded me, and the person that accused me said, "See? She's guilty because she's crying. If she wasn't guilty, she wouldn't be crying." And I viewed tears as being something so horrible.

But through those tears, he asked me. He said, "If God could give you these things, would you give Him a chance?" And I said certainly. I made a deal with the devil once. I could certainly do the same for God and give Him a try.

He led me in a prayer, acknowledging I was a sinner and asking the Lord to forgive me. And that began the change in my life. Everything from the next couple of days...

Sid: What happened that night when you went home?

Lisa: Oh, I started driving from San Hosea to Los Angeles and the more I drove, the drunker I got. I mean, I was getting queasy. I hadn't had anything to drink - alcohol. But I felt drunk. I remember stopping for

gas and I was washing my hands in the bathroom, and I started laughing. Just laughing. And I was so drunk, and laughing so hard, I ended up throwing my wallet to the cashier...

Sid: But you didn't have... You didn't drink any alcohol?

Lisa: No! No. All I can say is, God was doing spiritual surgery on me, and the laughter was an anesthetic. He was using laughter...you know, the Bible says that laughter works like a medicine. He was using that laughter to do a lot of healing, inside of me. Because I had gotten into Satanism from woundedness. You know? And you can't just quit something, when you don't get rid of the cause. You know. You can't treat the symptom, but if you don't get to the wound, you're just gonna substitute another symptom. You know?

So the Lord used that, and He began to do surgery on me. And for a couple of days, I was just drunk. When I made it home, I went to sleep 11:30 in the morning. Hadn't slept for two days. I went to sleep at 11:30 in the morning, I'd never slept more than an hour or two in a night. I woke up 9:30 the NEXT morning. Twenty-two hours later in the same position I went to sleep in.

Sid: How'd you feel?

Lisa: Still drunk! And it's been nothing but a change ever since. A great adventure of watching the Lord take me from step of freedom to step of freedom.

Sid: Yeah, but you don't leave as a high priestess of Satan and say, "Bye bye, guys. I'm now a believer in Jesus."

I understand the daughter of one of the top priests - or THE top priest in the world of Satanism came after you. Tell me about it.

Lisa: Yeah, they sent enforcers - people that will either kill you or take you back - to kill me. Three enforcers and myself out in the desert. And I told them, "In the name of Jesus, you have to let me go." They did. I should have told them, "In the name of Jesus, you can't touch me!" 'cause I was pretty much a lot worse for wear when they did let me go. But the Lord delivered me out of that situation.

Later I asked the Lord, why...how did they do that? Because I knew these men who didn't kill me were going to be killed for not fulfilling their assignment. And the Lord took me into the book of Romans, where it says that if we've been buried with Christ in baptism, if we've entered into the family of God, then we've been buried with Him in death. And the old me, the only one they had license to kill, was the old me. The one who did all of those things. And when I accepted the Lord, I became a new creation. And as long as I keep the old me dead, He will keep the new me alive. That's how I walked away.

Sid: The devil has got power. You know that. Are you telling me that he's got nothing compared to the power of God?

Lisa: He has nothing. He has counterfeits, wrapped up in pretty packages, that he's been using since the beginning of time to fool people into thinking that he's the ultimate power. So that folks will never know, that there is not only ultimate power in God, but part of that power is the strength of Love God has for people.

Sid: If you do not know God, you don't know love. If you do not know acceptance, you have no way of coping with what's going on in this world. To know God, is to know Love. To know God is to know the Jewish Messiah, Jesus. When you repent of your sin and you turn from them. And you say, "I believe Jesus died for my sins." You are washed clean and God will live inside of you, and God will give you a peace. Like what you're experiencing now. Some of you are experiencing the peace of God right now. As soon as we're through, you do business with the Living God.

He Is the Vine; We Are the Branches

August 23, 2017

Lord Jesus, You are the vine, we are the branches; without You, we cannot bear fruit. Please, Jesus, show us what abiding in the Vine really means. Amen.

Lately, I've been challenged in my choices of what to do with my time. Ministry comes along and that takes precedence over everything. And I have been cutting way back on involvements in the house, as well as giving more time to prayer. But still, I am having major frustrations with music. So, when Jesus approached me tonight to talk, I brought this up.

Lord, I want you more than any skill or thing on this Earth. I love you and cannot live without You. I confess I am a coward, weak, and need your strength to love You and my brothers and sisters. Please, Lord, increase my faith, and my strength. I am such a weakling.

And that prayer came to mind, because I've noticed lately...there's a lazy streak in me. When things look too hard, I don't want to tackle it. And I want to get over that.

But the Lord answered me, and He said, *"You are so much Mine."*

It is a joy to hear You say that, Jesus.

"It's true."

I do so want it to be true, Lord.

"But it IS true, Clare. It IS true. You just get a little misguided sometimes. But your heart is for Me and for Me alone."

sigh... I need more time with You, Lord. Please take me at night, to be with You.

"What do you think I am doing now?" He replied.

I have no idea.

"Well, that's good and we will keep it that way. But you ARE with Me."

OK. What do You want to discuss?

"Your failure with music. Do you want to fail? Do you want to be released from this? Please —think long and think hard, because you are balking and not believing."

Jesus, I am not seeing how I can give You what You deserve first. And what the channel and my family deserve and still do this with music. I don't see how it can be done. Every day it is something else—and of course, today was a BIG something else. How could I walk away from ministry to hurting souls?

Jesus replied, *"You were right to do what you did. You were right to go swimming. You were right to have communion. You were right, right, right. And now, you are right, listening to Me."*

That's what I mean. It is already 3:00 am and the pressure of music is looming—when I know I need to be with You Jesus, more than anything else in this world. So, I'm just taking this time for You. I want to love and honor You, Lord. I want to be with You. How can I put music before any of these things?

He answered, *"Without those 'things' —your music, our music would be useless. Utterly useless."*

So, how does scheduling and timing fit in with all these things?

"I am going to tell you a secret. Do what your heart tells you to do first, and let the music sit with Me."

But don't I have to apply myself every day?

"That would be nice, but it's not practical. You are right to put these other things first. In many ways this has been a test for you."

Jesus, I am SO, SO frustrated! Time to get everything done seems impossible without sacrificing what is more important, what is most important....

He answered, *"I know how you are feeling. I live inside of you, remember? There are no easy answers, but I am asking you, Clare: do you want this gift?"*

I thought about it for a moment, and I needed to ask Him a question. So I said, "May I ask?"

"Certainly."

Do You, Jesus, want this gift for me?

"Yes, unequivocally, YES."

OK... How is this going to happen?

"With faith all things are possible. But you have not answered My question, Do YOU want this gift?"

Well, it is a way to reach souls and bring them closer to You.

"You are already doing that with the messages."

True...You are doing this through me...why would I want another gift to do this job?

He answered, *"Because the gift I want to give you through music is more powerful and effective to bring souls into My Heart. It reaches deeper, Clare. It does, it reaches way deeper. And I want to anoint your music, our music, to heal, to inspire, to draw My Bride to Me. I work through the music just as I work through Julie's music."*

"She had to answer this very same question. But she didn't hesitate. YOU are hesitating."

I have been so frustrated, disappointed, let down...even by myself. I am so glad you brought this up, because I have been tormented by it. Sometimes I wonder if this is just a great big test to see where the value in my life really is. The needs of the flock on the channel. Time with You. Or gains in music...which could become very narcissistic.

"It's not a test, Clare. It is your destiny... if you want it. That's what I'm here to discuss with you. Do YOU really want it? That was the meaning of the rhema that said, 'I want MY DESIRE to become your dream.'

"This other thought of yours that music is only a test of your faithfulness to Me is a lie from the enemy. He is trying to coerce you into believing you can only have one or the other, not both. That is where much of your doubts are coming from. He is doing this to give you a good way out."

"Clare, anyone who wants to become an effective music minister, or even good musician, must go through many trials before they can succeed. And don't let Satan tell you, you are too old. You have more strength than most women half your age. So, don't fall for that. It's a matter of DESIRE, and REALLY wanting something. Do you REALLY DESIRE THIS?"

"See? I am having to ask you another time."

Lord, I cannot even imagine giving up on You. If You want this for me, I want it, too.

"Yes. But independent of Me, do you want this gift?"

Lord, I don't want anything independent of You.

"Oh, you are a hard case!"

You can make me softer?

"Come here, Beloved."

He took me by the right hand and pulled me ever so close to Himself, looking into my eyes with such sincerity, searching my heart, looking for my sincere response.

He said, *"I want, with ALL MY HEART, to see you flourish in this gift. It is My will. It is My purpose for your life. I want this done. Will YOU, do this for ME? Just for Me. All the frustration, failures, hard feelings, doubts, fears—all of it. Will you suffer these for Me, Clare?"*

Yes, Lord. I will. Oh Lord, please help. I forget to pray and ask for heavenly assistance. And then I grow weak, frustrated, discouraged.

"I will help you, of course, but I cannot do this for you. I cannot take on the difficulties involved in doing this. This is your cross, Beloved. This is something you are carrying for Me, for love of the One who Loves you as no other ever could. For the One Who waits daily to be in your precious presence and experience your sighs of love. For love of the One who finds great joy in your presence and all the little things you do to please Me. Especially putting others first and taking care of the wounded of this world. Oh, how that consoles Me. For love of Me, Clare... will you do this?"

I will.

"Will you give it your all, in good and in bad times?"

Yes, Lord, I will. I will. I will. I love You, Jesus, and there is nothing more I want in this life than to bring You the joy You long for from my life. To bring You the happiness of a job well done for You, out of no other motive than love. I love You.

He answered, *"You know words come easy, but action is tough and you are up against some very strong obstacles. Mostly in your mind, inspired by the enemy. That is why you MUST believe in My power to overcome all your enemies. Faith is your ticket to success. Faith and total reliance on Me, even moment by moment.*

"When you come up against obstacles, dryness, lack of inspiration, frustrations with fingers and vocal chords—you are not turning to ME immediately and asking for help. This is a fault. You try to gut it out yourself, getting more and more frustrated, when you should have stopped for a moment and come to sit with Me and sincerely asking in faith for Me to help you. You haven't done this, Clare. And THAT is part of your reason for failed attempts.

"It's not just a high five, "Lord help!"

"No, it is an abject admission of inability, coming to Me because there is no where else to go. The singing lessons are very valuable, it is bringing out subtleties in your voice that have been lacking. But you cannot afford to grow tired at that or your piano work. You must call on Me to give you strength, perseverance and success with coordination. You have relied too much on yourself. I want you to recognize this."

I have?

"Yes, but you don't see it. This is partly responsible for your failures. Before you ever set out to boot up your equipment, you need to come to Me in abject poverty, declaring your dependence on Me. And when you hit a blockage, come again and truly seek Me to help you get past it. Truly seek Me. Not a casual, 'Lord, please help.' But a focused desire and request for My help with a sincere admission of your helplessness. This will teach you to keep your eyes on Me, even when things seem impossible.

"You were hoping I would give you a secret to success tonight—and this is it: rely on Me totally, not on yourself. Don't go into it single handed—on your own—as you have been doing. You have not been

relying on Me, but trying to do it without My help. You have cried out to Me for help, and now I am giving you the formula you have been missing."

How could I be so foolish?

"It's easy to forget you are a mere human when you are facing a super-human project. Just because I asked and anointed you to do it, does not mean you can do it on your own. On the contrary. I always throw you into hot water over your head when you can't swim—so you will rely on Me alone.

"Try that this week and see if WE don't make a BIG difference."

S.O.S. Message!!

August 23, 2017

Heartdwellers, this is an S.O.S. It's very, very important. This is the time for prayer. It is EXTREMELY serious. We are not praying enough to forestall this war. Ezekiel has had another all-night, intense warning dream of us being bombed everywhere.

If you want your loved ones to be safe, rise up, pray and fast. We are losing our leverage in prayer! The enemy is gaining and there will be a terrible war on our soil very soon if you do

not go to your prayer closets and pray like you have never prayed before.

That's what we're doing now. It's serious. Pray the Divine Mercy prayer all day long. Rend your hearts and cry out to God for Mercy. This IS the decisive hour in this time. Cry out for Mercy!

Please. Spread this word.

Your Prayers Are Turning Back Evil

August 25, 2017

Glory to God! Keep up the prayers and fasting, we are turning the tide of evil!

My precious Heartdwellers, your prayers are making a difference. Tonight after communion the Lord said to me immediately, "I have a message for you."

He began, *"You are responding. You are My prayer warriors and you ARE responding and you ARE making a difference.*

You are giving My Father what He needs to work with. Your

voice is mighty, even over the voice of thousands. Your voices resound and bring comfort to His Heart, giving Him a new reason to rescue this Earth.

"My Brides, I am so very proud of you. Do not stop now. Do not stop your fasts, vigils and tears. Do not stop now. PRESS IN! You are turning the tides; you are making the decisive edge that drops the scales in Our favor.

"I called, you listened and responded. How proud I am of you! I have taken this time to tell you that you are right on target, you are turning this great pendulum in the right direction and justice is coming to Earth—not the bloody kind, the merciful kind. Justice for the innocent, but havoc for the guilty. I will dislodge their cities. I will penetrate their hiding places with My fury and wrath. And that which was planned for the innocent...shall be their watery grave. Fire and steam will purge the evil from within the Earth, and the mischief they had planned for My holy ones will be their undoing.

"Do not stop praying and offering all you can give. Do not stop being patient with those who try your patience and provoke you. Rather, offer it to Me and I will move on their hearts.

"Do not despair over close calls with death. Do I not hold you in the palm of My hand? Not only do I hold you, I give you hope and new life as I shatter the darkness around you. Fear not the fire, the thunder, the hail, the deluge. Fear not the quaking of the Earth. Fear not the signs and portents of the times. Rather, lift up your heads and celebrate. Cry out to all the Earth: GLORY!!! OUR GOD REIGNS.

"For surely, I am about to bring destruction on your adversaries and drive back those who have planned your demise. But you must keep praying and pressing in.

"I will let you know when we reach a point of victory, where you may let up on your prayers and sacrifices. But for now, press in and continue as you have been doing. The Tide is about to turn, because you have rallied My Bride to My side. You and others who have heard My tears in the night, others who still are without the understanding that their woes release mighty moves of the Spirit to destroy the shadows and hiding places of wickedness.

"I speak courage to all of you now. You know you are called, you have felt the pain and the struggle, you have continued on and offered all you had for this mighty battle in the spirit. And My Father has heard your cries and weighed against your tears—against the works of the enemy—and you are turning the scales against him.

"Be lifted up, be encouraged, be faithful. Continue in travail and prayer, vigils and fasting. These mighty works of faith. And they are turning the tide."

In You I Am Well Pleased

August 27, 2017

May these words of praise and encouragement truly lodge themselves in your hearts, faithful brides.

After communion, Jesus immediately said to me, *"I want to write a letter to My Bride."*

He began, *"My Beloved Bride, I am here for you, always with you, always guiding you. Though you are not aware many times of My voice, you have an impulse to do something and you move on that. Many times that is Me, requesting favors of you. You just don't realize it. Many of you have very supple hearts. Hearts that are tuned into My wishes. Through you, I do unthinkably amazing things without your knowledge."*

"It is your great love for Me, your great desire to please Me, that motivates your every decision and even the slightest movements. To you, I am eternally grateful, because you bring Me the consolation I have so been needing. Please, no matter how difficult or discouraged you may feel, do not give up on this practice of doing the little things for Me, for Love of Me."

"Yes, the little things lead to the bigger things. I know many of you have suppressed thoughts of ambition and gaining influence among men. Though it would not be difficult for you to have this kind of influence in your circle of friends, you have shunned it out of fear of pride and vanity. In this, My Bride, you have listened very carefully to Me and set your heart on Me alone - as well as avoiding many, many pitfalls of the enemy, traps set for you along that kind of trail."

"You have sold all your agendas to the world to buy this one precious pearl: the Happiness of My Heart."

"How can I thank you? A thousand times over, I shall never be able to thank you. But I do wish for you to know that you are on the right track. You are pleasing to Me, and in this dark and dreary world, each of you are My sunshine. You cannot even begin to fathom what I have prepared for you on the other side, when you come to live with Me in Heaven. Suffice it to say, you will never grow weary or discouraged again. The deepest longings of your heart will be satisfied and you will live in continual joy and bliss, even though at times you will grieve for your fellows on Earth."

"I want you to know that your littleness is making the difference in this world. Even in the world of My church and its structures, where there are sometimes endless agendas of promotion and recognition, vying for influence, posturing, and gaining influence and control. I hate this, and I must see it every day in My Body."

"What I want to say, is that your commitment to this littleness brings Me unspeakable joy and even bliss, because you have chosen the better part."

"Oh dear ones, never do anything out of a desire to please men or to receive their applause. So treacherous are the ways of Satan, and through this attitude many are hooked and dragged down to a fall. They lose My company and the sweetness We enjoyed in the gardens of their hearts."

"They wanted the world, influence, money—more, more, more of the things of the world—so they chose the political life within the church to accumulate wealth and fame. How beautiful is your littleness beside these creatures made in My image, who have turned into grotesque monsters through their toxic desire natures. Do not be fooled by this lifestyle. You are truly My sunshine in this world and Satan despises your choice to honor Me.

"If you gain promotions, if doors are opened for you, BEWARE. Not all is as it seems. Do not grow dependent on anything or anyone but Me. Many times it seems harmless to enjoy the perks these positions hold and the enemy very surreptitiously draws you into his schemes to become dependent on anything outside of yourself. Anything. Anything outside of yourself and your relationship with me is very dangerous. Never become dependent on anything or anyone other than me.

"Always be ready to renounce this position if you are being led to compromise. Be ready to step down and to keep your relationship with Me safe, rather than to follow these things and give in to compromise—will be your undoing. Better to be without, than to get what you want through compromising what you believe I am calling you to, what you believe I am teaching you and what you know in your heart of hearts is right. Continue in this uncompromising life style and you will continue to be My sunshine.

"Satan hates what you have. He hates your humility. He hates your conversations with Me. He hates your worship of Me and his whole life agenda is to take these things from you. So beware.

"In the meantime, spread the joy and peace of having Me as your Lord and forsaking the emptiness of the world. Guard our trysting time with unyielding vigilance, so that you do not grow weak or lukewarm and fall away from Me.

"Remember, My Brides, you are My sunshine; you are My light in the darkness of this world. And you are greatly feared by the kingdom of darkness. Your angels far outweigh anything the enemy has and have no fear of taking authority and routing the enemy.

"You are My forever Love; in you I am well pleased."

Just One Movement of the Earth's Crust

August 27, 2017

Lord, please give us the grace to really press in with our prayers, that evil may be checked for a season.

Dear ones, I got this message on Friday and was waiting for more to it, but it never came. So, I'm putting this up, and asking you to please continue to press in deeply with prayers and sacrifices.

This is a very short message, but I felt it was necessary for me to share it with you, just as it is.

I had an impression, after having communion, about the Earth's crust moving. And a plunge taking place, with layers of strata. So when I came to sit down and listen to Him, Jesus began.

"As I began to tell you, with one movement, the Earth's crust—with one plunge of strata—integral underground cities will be destroyed."

Integral - necessary to make a whole complete. Essential.

"These are places that have been initiated, dedicated with ritual to be command centers - and I intend to bring them down. Prayers are needed. More prayers. Don't stop now - keep going, and intensify your offerings."

"Clare, these pains all over your body are fast offerings for this task. All of you who are crippled, disabled, suffering various pains, being falsely accused, being hated and reviled without good cause. All of you are contributing to the effort."

"Make good use of this time, Beloved. I know how painful your body becomes, but try to make good use of it, nonetheless. Your prayers are effective."

Jesus, I wish they were more fiery and emotional, connected to what YOU are feeling...

"The act of your will says it all, Clare. The dedication of your time, your desire to go deeper in prayer - all these leanings are meritorious. Just press in, Beloved. Just press in."

So, forgive the shortness of the message, dear ones. But I thought you should know about this. And that we all need to redouble our efforts in praying.

The Lord bless you all. And thank you so much for being a part of this ministry and for praying for us. We really do need your prayers, and we appreciate them so much.

Jesus in a Box & Some Days Are Like This

August 31, 2017

The Lord bless you, dear Heartdwellers. May your days be full of order and fruitful.

Pray for me. I've been having a hard time with distractions from multiple sources. And the Lord has been helping me—but I can also use prayers.

Well, I sat down to be with the Lord and hopefully get a message for you—and I had to apologize. "Lord, forgive me please—this has been a shotgun day, so full of distractions and I couldn't get to prayer with You."

He answered me immediately, "I'm here. Some days are bound to be like this. You can do nothing more than bear with contradictions patiently—and in that, My will is fulfilled. But now we are going to get it back."

Hurray!

"Oh, thank You for Your mercy, Jesus."

Earlier in the evening, I had seen something about one of our nay-sayers, a lady with a Youtube channel assuring everyone I was deceived. But she wasn't even right about our channel; she was talking about someone else's channel. sigh.... I do grow weary with things like that. I ask my team not to send it to me—please, I don't want to see it! But sometimes they forget...

Well, the sting of that kinda lingered on and Jesus began to address it immediately.

He said, *"What does it matter what people say about you— as long as I know who you are to Me?"*

I answered Him, "Lord, didn't it hurt You when people misunderstood or judged You?"

"It did, but for a different reason. Their God just visited them and it was a singular grace, but they missed their time of visitation and went on in their sins. That is why I was sad."

Well, it makes me sad because they are not able to discern Your voice, but the voice of another will surely seem right to them.

"This is true, and that is why people's lives are riddled with confusion. Clare, by their fruits you will know them—yet by your fruits they still do not know you; they still do not know Me. What they know is a man-made version of Me. But they do not know Me experientially. That is why they cannot recognize My voice. Those who seek Me, will find Me. But many stop short and accept a counterfeit."

Why, Lord?

"They accept parts of Me which have been affirmed by their cultural and religious up-bringing. It's comfortable— but they stop there, thinking I fit into their box, and anything outside of that box couldn't really be Me. People are bound by their peers and their cultures."

"It just isn't safe to KNOW Jesus, I mean really KNOW Me."

"Some are jealous, some are afraid, some are lazy, but none of them is willing to dig until they get the real truth of Who I Am. They settle in a comfortable spot with their churches and families rather than be called a fanatic who is not happy until they have more of Me."

"There are others, who in their hearts hear My voice saying 'Come, come closer. There is more, don't stop here! Continue to seek Me.' And they are willing to risk reputation, friends, work—anything to have more of Me. These are the ones that the world calls fools, but they are the ones I give My Heart to."

"I can do nothing for the others; their minds are already closed by cultural bias. I can act within their box of who they think I am, but that's pretty limited and finite. More like hoarfrost on an iceberg. Little flakes on the tiny surface of a mountain-sized iceberg. Let them alone, Beloved, there is nothing you can do to convince them. Rather, you are a threat to their world and their faith."

Oh. that is so sad, Lord.

"It is. But they will go to Heaven, and then they will experience Me as I truly am. In the meantime, your messages from Me are causing more and more people to flock to My Heart and stay there forever. Be assured that those who ridicule and decry you will some day get the whole truth. Until then, remember them in your prayers and nourish the ones who want ALL there is of Me and nothing short of ALL that I am."

And here I would like to add, just as an aside, that I do not have all of Jesus!! Good grief, no! If I did, I'd probably die on the spot. Only what He has given me. But He can give you more and more of Himself when you seek to dwell in His heart. Don't ever stop longing for more—there is no end to God!

Jesus, many people are talking about an event in September.

The Lord replied, *"Men are still trying to calculate and second guess Me." He took a deep sigh. "...while they continue to neglect the good in front of them that they desperately need to do while there is time for them."*

Ummm... Speaking of time...?

He smiled, *"I knew that would spark that question. Your answer is 'holding steady.' Do not get under condemnation, by the way, when you don't pray as you should. Just make a firm resolution to return to praying as you should."*

Yeah - today I just didn't pray the way I needed to.

"But what I wanted to ask You, Lord—is the greater danger past?"

"No. It is still very, very close. Don't stop praying. My Father hears your prayers, Clare, and the cries of all the Heartdwellers for mercy on the world. This is why many of you are experiencing chaotic days, greater pain in your bodies, more opposition and lack. These are ways I am distributing the load in My Body. Everyone has something difficult to deal with and carry—their Simon's Cross. And it is accomplishing much good. But you cannot afford to stop, it is still too close to call."

"Dear Brides, I know your hopes and dreams. I know your disappointments and choices to persevere even when things do not go your way. And I am highly honored when you choose to take this cross on your shoulders and carry it. It is your willingness to suffer with Me, to carry a portion of My Cross for the world that honors Me."

<https://www.youtube.com/watch?v=4qO2FrOLEnA&lc=z23lsjrpjtmpjltgo04t1aokgzczmklykvshwncobOrgrk0h00410>

"Everyone loves abundance and rewards, and no one wants to be in pain and suffering—except the ones who Love Me more than themselves. And they are the ones that comfort My heart, that dry My tears, that make Me smile. Yes, you do all these things, My Brides; you are My consolation on this bitter Earth. You bring Me hope and joy. You are My Beloved ones."

"We are still climbing that long, long hill, even to Calvary, until I return to receive My Kingdom on Earth. We will be climbing together and preparing the world together for My return. So, do not grow weary."

"Oh I know, I say it so many times, 'do not grow weary.' I know some of you even feel a bit scornful that I am still saying that. Please, do not sin against Me that way. Please accept these words as they are"

meant, sincerely from My Heart, to encourage you to keep going even in the pains of this struggle. Even in the midst of chides from the scornful, 'Where is your God? He hasn't come yet! Maybe He's asleep?'

"If you must, ask Me for more faith. And some day you will see the very great reward I have prepared for you, because you were steadfast even in fatigue, scorn and contempt. Even when people called you deceived. Oh yes, I know many call you deceived. Pray for them; their cup will be very bitter indeed when they are left behind.

"For most of you the Rapture will happen in your lifetime. There are others I am calling home; they have given their all and I am anxious to reward them. Stand strong, My Brides, stand strong. Be the light and the salt of this Earth."

That was the end of His message, and what a precious message it was. He is so kind and long-suffering with me, and any time I'm tempted to get angry with someone, or get short-tempered, I remember how patient He is for me—and it brings really strong conviction.

Dear ones, our days here have been very difficult and that's why you haven't heard from me as much as you should. I have observed that I go through times of prolific messages, and dry times, because the Lord is keeping my head above water. I am not fit for this job, and as I've told you many times before, that's why He chose me. That way, He would get all the credit.

There are those around us in Taos who are experiencing very difficult times. Today, we broke the piggy bank for a young mother who was giving birth, and she got into a serious situation where the life of the child was compromised. She had to be transported by helicopter to Albuquerque. And the electric company called me and asked for help, because her \$300 electric bill could not be paid by anyone else in town and was going to be turned off—on top of all her other crisis and race to save the baby.

So we, thanks be to God, were able to help her, but just barely. I say this because I want you to know when we see pain like this and the starvation in Sudan, as well as the critical need for food in Nicaragua, we sacrifice everything we have to help.

So, your donations do not end here. We do our best to help single mothers in crisis and support our local pregnancy center, which by the way, has a wonderful reputation for keeping young girls from abortion clinics. Recently, they purchased a van to travel to outlying communities and do ultrasounds, exams and pregnancy tests, as well as setting the girls up with everything they need for their baby's birth and getting them the assistance mothers need.

So, thank you for your faithfulness. The Lord has stored up riches for you in Heaven—for where your heart is, there also will be your treasure. And our hearts can't be in any greater place than to take care of one another, and especially those who have no one else to turn to.
