Counsel,

After looking through the database of the United States' discovery production in this case, we believe we have identified authentic versions of the letters attached as Exhibits 6, 8, and 10 to Defendants' Response in Opposition to the Motion to Enforce (ECF Nos. 214-6, 214-8, 214-10). They are documents CD-FRC0005896, CD-FRC0008876, and CD-FRC0008950. They were produced on September 25, 2017 and December 20, 2017. I have attached copies.

We request that you substitute these for the inauthentic copies/transcriptions.

Thank you,

Sarah
