

Monthly Newsletter January, 2023
 HAPPY NEW YEAR, 2023!

PLAN AHEAD - SPRING CHICK DAY – April 12th

We will once again offer a variety of laying breeds of chicks and broilers along with Ducks and Turkeys.

Our “Chick Day” gives the opportunity to get the best price and selection of chicks for your replacement birds or to start your flock.

It takes approximately 6 months for chicks to start laying eggs and 6 weeks for broilers to be ready for processing. Look for more specifics by mid-January and we'll start taking orders then.

Happy New Year from all of us at Siegel's Country Store!

The year 2022 marked our 18th year in business here in Covington. We had a prosperous year thanks to all of our customers who continue to come to our store. We thank you for your support and patronage.

HARDWARE: This area of the business continues to grow with a top-notch selection of tools, and parts that rival the big stores. Our customer service is the BIG difference and cannot be matched.

RENTAL: Last year we continued to grow the rental part of our business adding more new pieces of equipment to the lineup responding to customer requests. We plan to continue to expand the rental department to meet the needs of the do-it-yourself weekend project or commercial business.

LIVESTOCK FEEDS ... are a huge part of our business. We can meet the needs of the producer who has just a few animals with bagged feed in our drive thru or you can get bulk feed directly from the feed plant.

GREENHOUSES ... are a major part of what we do here, even though the season from opening to closing the houses is about six to eight weeks. We specialize in heirloom but also offer hybrids to give our customers a wide range of plants from which to choose. Look for even bigger things to come in 2023.
