

Heavenly Father,

We want to thank you for each person that will visit Gathering at His Feet throughout 2018. We look eagerly to You and the truth of Your word. We rejoice in the truth that You promised to guide us into all TRUTH. We declare Your truth over each person that Your Spirit of truth would come to each one, and that He will not speak on His own, but will only speak what He hears, and that He will tell each one of what is yet to come. We thank you for your Spirit of truth that warns, guides, corrects and directs each one. We look forward to 2018 and every opportunity that you bring our way.

We want to thank You for Your continual protection over each person. We thank You for Your mercy on their life. We thank You for Your love and grace that sustains each one daily. We know that You alone are their help, and shield. You, O God, are the fortress of each family. You are such a loving God. You will go before each one, their family and in particular for the things that concern them each today. You are the rock, in whom each family takes refuge. From the violent plans of the enemy shall YOU save them, for You are the strength of our hearts. We thank You for show unfailing kindness on each person throughout 2018. We thank you for YOUR unfailing kindness to their families. For your NAME O Lord, is OUR strong tower and we your righteous run to it, and are safe. For you are our God and You will never let the enemy pluck us from your hands.

In the beginning You laid the foundations of the earth, and the heavens are the work of Your hands. Lord, You chose us and appointed us that we might go and bear fruit—fruit that will last—and so that whatever we ask in Jesus' name, You will give us.

We lift up 2018 and each person who visits Gathering at His Feet. We thank You for each one and all you've done in their life during 2017. We thank You that in 2018 when they call to You for help, You hear their voice. We ask that whatever 2018 brings their way that each one would be found faithful, joyful in hope, patient in affliction, faithful in prayer.

Lord, we ask that You would help each one to not be anxious about anything, so that Your peace that surpasses all understanding, will guard their hearts and their minds in Christ Jesus. We ask you to give their hearts the strength to be faithful in 2018 so that they glorify you. We thank You that You are near to all who call on You, to all who call on You in truth. That they would quickly submit to You, resist the devil, and watch him flee! As they grow to know Your truth more and more, may they learn in greater measure what is real, and what is false, so they are stronger to stand against whatever comes at them.

For though they live in the world, they do not wage war as the world does. The weapons they fight with are not the weapons of the world. On the contrary, they have divine power to demolish strongholds. We ask You to demolish arguments and every pretension that sets itself up against the knowledge of You, by taking captive every thought to make it obedient unto You. That each one would be self-controlled and alert knowing the enemy prowls around like a roaring lion looking for someone to devour. With Your help, they will resist him, standing firm in the faith. In all things concerning 2018, may each one grab and hold tightly to the truth that they are more than conquerors through You. We ask all this with confidence in You, that if we ask anything according to Your will, You hear us. In Jesus name, we ask. Bless each one who visits here in 2018. In Jesus Name.
