### Affliction On Us

#### ~Curses & Assignments on All Christians: Spiritual Warfare 12 – October 21, 2016

- Some have listened, and do not hear. You continue in your sin, and wonder why there is cancer and sorrow, divorce and financial oppression in your life. Examine your lives with Me. Be willing to be made willing to end the sin that robs you, allows the demons to work on you, oppress you.
- If you scoff at My warnings why would you wonder why you have been **afflicted**? Do you not know that there is cause and affect? There are things in your life that are not pleasing to Me and you are not willing to change them. You don't listen to these words and take them seriously - not because you doubt it is Me. You may think that on the surface, but some quiet reflection and listening more closely will reveal to you the real issue. Very simply, it is that you love your sin and don't want anyone telling you what to do. And you don't want to change.
- That is the TRUE source of all your afflictions.
- Do you not see? This is 100% your fault, because you refuse to come under My protection, to trust that I am good and I impose nothing bad on you. You still want to take your life into your own hands, you still scorn My counsel and laugh at My prophets. I tell you the truth, they have been sent to help you but because you rejected them and walked away off into the wilderness with no covering, I can do nothing but watch. ### Anger

#### ~Lost in the Woods, Seeds of Bitterness, The Power of Complaining – October 26, 2016

- **Anger**: in the ultimate end, ALL anger can be traced back to God as the cause! Why? Because He allowed what made us angry. We can't understand His ways, and so become angry that He didn't "do it" our way. (full synopsis under **Bitterness**)

### Anointings (see: Graces/Graces Released/ Anointings)

### Bitterness

#### ~Brambles in the Vineyard, Bitterness is Spiritual Leprosy – October 28 2016

##### synopsis

- Clare: **bitterness is a spiritual cancer**, permeating our entire system. She compares it to leprosy in Scripture, citing the story of Miriam being chastised by the Lord for complaining against Moses.
- Any negative emotion allows the **seed of bitterness** to come into our hearts, accompanied by a demon, who tends the seed into a root, spreading and choking out the Lord's light, grace and faith.
- It happens immediately on those thoughts, without our consent, often without our knowledge. We need to be vigilant – going to the Lord as soon as we detect it, as soon as we

realize we had thought or spoken amiss, ask for forgiveness and ask Him to remove that seed again before it grows.

- My very first **prayer** to the Lord in the morning is "Please, Lord, forgive me for my bitterness, help me transform my irritations to joyful gratitude. Please deliver me from the demons and their dedication as well as the seed and roots of bitterness. Please bathe my heart in Your blood, cleansing it from all unrighteousness."
- So, these **three steps need to be taken before I ask for deliverance**: (1) examining my actions, feelings and thoughts; (2) forgiving anyone I am holding resentment against; (3) repenting for an ungrateful attitude. Because truly the Lord allowed these things to happen and grumbling or complaining or even anger, for that matter, is not just at the person who caused the offense, but at God who allowed them to cause it.
- **Scripture** quotes: Leviticus 13: the treatment for lepers, Numbers 12: Moses, James 1 & 3: the tongue, Luke 5: the man with leprosy
- Jesus: make a resolution in your hearts to **put aside all grumbling, resentment, bitterness**. Make a firm resolution, dear ones. This is the number one inroad for Satan to turn your lives sour. He gains your consent when he causes trouble. Your anger is your stamp of approval on his gift of a bitter seed with a demon to tend it in the garden of your hearts.
- Once the incident occurs, the roots put out shoots that can be felt in resentment and anger. Then they become noticeable. **They choke out and reject My love**, and the soul becomes more and more bitter and hardened. Then the prolific fruit-bearing vines coming from the Vinedresser, cannot produce choice grapes, because all that is good and healthy for the plants has been choked out by brambles. Thus **though you think you are abiding in the vine and bringing forth fruit, in reality you are abiding in the thorns of Hell, in bitterness**.
- We can do this together, if you will. You must **make an act of the will** and hold to it under all circumstances. We can do this. You can begin today to lead a life of celebration and thanksgiving, knowing without a doubt that all things work together for the good when you are in Me, and I am in you.

#### **~Lost in the Woods, Seeds of Bitterness, The Power of Complaining – October 26, 2016**

##### **synopsis:**

- Clare: tells the **story of the lost cats**, how they found one but not the other.
- She was getting hit with inordinately strong feelings of sorrow, sadness, despair, hopelessness. Turned out to be a **curse** that "landed" when she started feeling sorry for the cat that wasn't found. Serious intercession and deliverance, repenting brought freedom.
- **Bitterness/bitter thoughts plant seeds** in our hearts. If not removed quickly, they grown into large, black blobs and a whole network of branches/bad things in our souls. Must be relieved through repentance and God's Mercy.
- **Curses**: if there is no sin involved, they will not land on you. If you sin in one of the "modes" of the curse, Bam! Now it lands and affects you. To fight them, you must swiftly get on your knees with the Lord, repent. If we stay in a posture of full time gratitude and worship, these things CAN NOT land!
- **Rick Joyner's** story about demons and how they spew filth on us.
- **Bitterness causes cancer** – it's a poison that spreads and grows
- **Anger**: in the ultimate end, ALL anger can be traced back to God as the cause! Why? Because He allowed what made us angry. We can't understand His ways, and so become angry that He didn't "do it" our way.

- Jesus: This is a mighty task, My People. **Staying in worship, prayer and thanksgiving is a habit that must be cultivated if you are to escape the snares of the enemy.** Bitterness is indeed a poison to your body, soul and spirit. If you are to stay healthy in all areas, ask Me to reveal to you the seeds of bitterness that have grown into a thorny bush, choking out the holy life you hunger for.
- If you want to cultivate a heart filled with joy, you must count all things as dung, and draw close to Me, forsaking all other things, which are sure to bring you disappointment. It's not about poverty; it's about **detachment**. Surely a poor person can be just as bitter as a rich one. But as you grow rich, your lust for things grows bigger. As you feed it, it grows bigger and bigger, dominating your life and soon you have no time left for Me.
- This is not something you can accomplish on your own, Beloved. For this, you need Me and generous doses of **My Grace** - and this comes as you spend time with Me in genuine adoration and worship, as well as studying the Word. Receiving communion in utter faith, that every grace you need can be granted through communion, is also another way.
- Be firmly convinced, once and for all, that nothing happens in your life without My permission. And if I give My permission, you have to know: the situation, whatever it may be, is going to advance you in **holiness** and be a source of inspiration to others.
- Even as you listen to this message, cry out to Me and I shall grant you the **grace** of profound thankfulness. Then all you need do is remember to exercise every minute of your life, especially in trials.

### Brotherly Love

~Are You With Me or Against Me? – October 9, 2016

- Jesus: **I want Brotherly Love for this channel.** That is why I established it. You will notice that the Church of Philadelphia, the Church of Brotherly Love is the **ONLY** one that I promised the escape from Tribulation in the Rapture. (full synopsis under **Jesus/Warnings From Jesus**)

### Carnality (see: Jesus/Carnality: NONE in Him or Heaven)

### Clare's Black Panther/Avarice in Us

~I Am Not a Taskmaster & Is She Preaching Poverty? – October 3, 2016

- **My Black Panther** – an allegorical dream many years ago alerted me to what it was: a weakness to the sin **Avarice**. I have been working towards conquering it for 25 years. The Lord gave these last trials to me to finally seal my determination to absolutely kill it at last.
- Don't over-react to the message – He calls us **EACH** to a path, and we must learn to be obedient to **THAT**, not someone else's.
- Clare began to over-react, being over-sensitive to the Lord and trying to accomplish needed tasks, with one ear on making sure she "did" all the other things: prayer, worship, communion, etc.
- **Acquiring "things" leads to many other sins.** Using what is old and already available is best when you are wanting to clear out your life of the world. **ASK Me** if you need something, I will supply. (full synopsis under **Jesus/Corrects Us**)

## Clare: Caring for the Poor of Taos

~This is The Critical Hour – October 15, 2016

- Clare: information on where donations to the channel are distributed – poor, children, food, wood, etc. for poor. Current need for warm coats for children. (full synopsis under **Suffering/Trials/Of/For the World**)

## Clare Stories/Explains a point

~Gratitude and Praise, Spiritual Warfare 14, Father's Love – October 27 2016

- **Clare story:** dream about her father and a ring he bought for her when she was born. It almost looks like a chunk of ice or water, it is so clear. And Daddy made me to understand that He'd seen all my tears as a child who was abandoned by her father and mother, and He wanted me to know how much He loved me the whole time I was growing up. I was so deeply touched as He asked me to put it on my finger. And now I wear it for writing, prayer and worship - to remind me that I am loved by my Father in Heaven. (full synopsis under **Gratitude**)

~Lost in the Woods, Seeds of Bitterness, The Power of Complaining – October 26, 2016

- Clare: tells the **story of the lost cats**, how they found one but not the other. (full synopsis under **Bitterness**)

## Clare Dreams/Visions

~This is The Critical Hour – October 15, 2016

- **Clare's dream** of Obama and the election – Jesus affirmed it prophetic. My People, the dream still holds. If only you will continue to work with Me, the dream will stand. What I am asking of you here is to be cheerful givers...not grumpy givers. (full synopsis under **Suffering/Trials/Of/For the World**)

## Creation

~You Will Know My Glory, You Can Never Out-Give Me – October 13, 2016

- My whole **Creation longs for the redemption** and not a day goes by that somewhere they are not suffering even as you suffer. Not even one day passes before one of My precious creation is abused or wantonly slain, because Satan has made all that I created a target for His wrath - but particularly the crowning glory: mankind. That is why the Earth is being destroyed. He continues to take vengeance on Me for exiling him from Heaven and that he will never be equal or exalted above Me.
- Many Christians live in the dark as far as what is physically possible to those who believe. As you become more and more entwined in My Being, more intimately joined in heart and mind, I will reveal to you the **nature of creation** and the power you have over it, as you have been created in My image. (full synopsis under **Glory**)

## Cross/Simon's Cross (see: Suffering)

## Curses

~Curses & Assignments on All Christians: Spiritual Warfare 12 – October 21, 2016

- Clare: curses landing on us everyday – spiritual warfare ramping up, and will get worse – the Lord has warned us. A **curse** is sent – but will not “land” until/if you open the way for it – sin in a way for which it was designed. Ex: she had been angry and impatient – a curse came

with those demons involved, and made it all the worse. Then a seed of bitterness is planted in the heart – and that requires the Lord to remove it. The BEST time is immediately. Letting it sit there makes it much worse.

- The major open door for **curses** is still: lack of virtue, especially love, compassion and humility.
- Really, the best way is to drop to your knees in repentance, in a private place and ask Holy Spirit to remove this nasty stuff, trust and believe that He will, then begin praying in tongues. He lives in you. He loves you. He doesn't want you carrying this poison. He will help you. Get a Rhema to stand on as well.
- Jesus: My People, you can no longer bury your heads in the sand and pretend that **curses** cannot touch you. You are very mistaken if you have fallen for that lie. I am now arming you for the onslaught of evil that is continuing to cover the Earth. If you do not know how to protect yourself and your family, you will suffer unnecessarily. It is very simple: sloth, the sin of laziness not to cover your loved ones. (full synopsis under **Spiritual Warfare**)

#### **~Lost in the Woods, Seeds of Bitterness, The Power of Complaining – October 26, 2016**

- She was getting hit with inordinately strong feelings of sorrow, sadness, despair, hopelessness. Turned out to be a **curse** that “landed” when she started feeling sorry for the cat that wasn't found. Serious intercession and deliverance, repenting brought freedom.
- **Curse**: if there is no sin involved, they will not land on you. If you sin in one of the “modes” of the curse, Bam! Now it lands and affects you. To fight them, you must swiftly get on your knees with the Lord, repent. If we stay in a posture of full time gratitude and worship, these things CAN NOT land! (full synopsis under **Bitterness**)

#### **~The Best of the Worst Candidates & Spiritual Warfare 13 – October 23, 2016**

- Every day, dear ones, every day **curses are sent to us**, every day the Lord breaks them. Yes the binding prayer does work, but as we progress in our intimacy with the Lord we are finding out that He is stepping in and bringing strongholds and curses, fences, blocks, devises DOWN. I know He's given us authority, and I take it, but this is something new, that when I ask for mercy He steps in. We have seen Him doing this more and more. (full synopsis under **Demons/Spiritual Warfare**)

### **Demons:**

#### **Demons/Fear God**

#### **~Gratitude and Praise, Spiritual Warfare 14, Father's Love – October 27 2016**

- As you find joy in the little things in life, even in nature, which displays itself all around you - you begin to sing a **song of gratitude in your heart**. **This is the beginning of praise** which needs to be nourished so that you may build a bulwark of honor to Me all around you. Then I come to inhabit your praises. **Then the demons fear to come near**, lest they be singed by the flames of Love that constantly burn the foolish things of the world away from the soul.
- I prefer that the sound waves penetrate the space you inhabit. They shatter strongholds and greatly suppress evil. Where **demons** once had an easy entry, now they must struggle - only to get closer to the source of praise that is indeed electrifying and damaging them. (full synopsis under **Gratitude**)

## **Demons/Spiritual Warfare/Protection From**

### **~Curses & Assignments on All Christians: Spiritual Warfare 12 – October 21, 2016**

#### **synopsis:**

- Clare: curses landing on us everyday – spiritual warfare ramping up, and will get worse – the Lord has warned us. He lives in you. He loves you. He doesn't want you carrying this poison. He will help you. Get a Rhema to stand on as well.
- And you know, we may not be perfect in virtue, but if our heart is set on perfect virtue, if we are absolutely sold out to God that we want to be virtuous, then it's much more latitude that He has to work with us. It's the ones who don't really care that have a problem, and will have a continuing problem.
- Jesus: My People, you can no longer bury your heads in the sand and pretend that curses cannot touch you. You are very mistaken if you have fallen for that lie. I am now arming you for the onslaught of evil that is continuing to cover the Earth. If you do not know how to protect yourself and your family, you will suffer unnecessarily. It is very simple: sloth, the sin of laziness not to cover your loved ones.
- Rather than list all the offenses, I ask you My dear ones, listen for Holy Spirit's opinion very, very carefully. He will warn you when you are about to sin. If you do all these things, your life will be much more calm and blessed than those around you who care not for the upkeep of their souls.
- Some have listened, and do not hear. You continue in your sin, and wonder why there is cancer and sorrow, divorce and financial oppression in your life. Examine your lives with Me. Be willing to be made willing to end the sin that robs you, allows the demons to work on you, oppress you.
- If you scoff at My warnings why would you wonder why you have been afflicted? Do you not know that there is cause and affect? There are things in your life that are not pleasing to Me and you are not willing to change them. You don't listen to these words and take them seriously - not because you doubt it is Me. You may think that on the surface, but some quiet reflection and listening more closely will reveal to you the real issue. Very simply, it is that you love your sin and don't want anyone telling you what to do. And you don't want to change.
- That is the TRUE source of all your afflictions.
- Do you not see? This is 100% your fault, because you refuse to come under My protection, to trust that I am good and I impose nothing bad on you. You still want to take your life into your own hands, you still scorn My counsel and laugh at My prophets. I tell you the truth, they have been sent to help you but because you rejected them and walked away off into the wilderness with no covering, I can do nothing but watch.

- I am not condemning you, dear ones, you are precious to Me. I hold you to My heart when you know it not, and I weep over you. I beg you to come to Me and reform your lives. But until you do, there is only one thing I can do. And that is suffer with you.

### ~The Best of the Worst Candidates & Spiritual Warfare 13 – October 23, 2016

#### synopsis:

- Clare: it seems to be a trend lately that the message will take two days – I'm getting part one day and the rest the next. Just a head's up.
- I want to begin by saying that **obedience is still absolutely vital** to escaping the enemy's snares. Obedience is one of the virtues that protect us. The Lord always knows in advance the enemy's next move, so when He directs us to do something, it is because He loves us and is protecting us. And we're one step ahead of the enemy.
- You see the enemy knows **God is allowing suffering to His children**, because of what is at stake right now. He knows well, so he being an opportunist, jumps in and increases the pain, adds demons of fear, hopelessness, isolation, depression, torture, desperation, torment, fear of the future, doubt in God. The enemy adds these demons to the mix, taking advantage of the weakness of that time. Whatever he can to cause a soul to give up and make the ordeal worse. But when we turn to the Lord and ask for help, He comes to our aid, and kicks the demons out.
- Every day, dear ones, every day **curses are sent to us**, every day the Lord breaks them. Yes the binding prayer does work, but as we progress in our intimacy with the Lord we are finding out that He is stepping in and bringing strongholds and curses, fences, blocks, devises DOWN. I know He's given us authority, and I take it, but this is something new, that when I ask for mercy He steps in. We have seen Him doing this more and more.
- Dear Ones, this is no cakewalk. This candidate, **Donald Trump**, is not a New World Order clone. He really means to turn this government upside down and inside out. They really want to stop him. He is heavily protected by the Lord. But if we continue to cooperate with the Lord in our offerings, He will have enough levers to protect this man further and put him in office.
- But after that, I believe that the former powers will try to raise insurrections, riots and all kinds of strife and emergencies. But we are here by the Lord's side, giving Him all He asks of us as we stand in the gap.
- There is a **white martyrdom**, where blood doesn't flow but suffering abounds. And all of us are now being called upon to offer ourselves in the full knowledge that it will not be pretty or easy. So, this season of our Christian lives only makes sense if we consider the stakes, that Jesus is using every little suffering to get this man in office, to turn the nation and even the world. And you and I both know how bad it looks for Donald Trump to get into office. The enemy has done his best to smear this man, and that alone tells us he's not on their team.
- Jesus: I want to return to the heart of this message. Please, consider, it is not going to be easy. But if you choose to continue to scale the **mountain of holiness**, I will be with you. I will carry you and I will save you and you will experience Me in ways you never thought possible. But returning to your **sacrifices: the Bride must resemble the Groom**. This suffering is preparation for your coronation. You indeed will resemble Me when I come for you. I will infuse you with My strength, if only you will ask. I will carry you when you can no longer carry on, if you will ask. I will restore your faith when doubt has a stranglehold on you, if you only ask. I will give you endurance to finish this race, loving Me and My people

more than you ever have, only just ask. All these things I will do for you and more, My People, much, much more. But you need to decide. In this moment, you cannot see what is coming in the future, but I can. Will you trust Me?

- Yes, well this time it does matter and that's why I'm calling My people to stand by My choice, the **best of the worst candidates**.

### Detachment

~**Lost in the Woods, Seeds of Bitterness, The Power of Complaining – October 26, 2016**

- If you want to cultivate a heart filled with joy, you must count all things as dung, and draw close to Me, forsaking all other things, which are sure to bring you disappointment. It's not about poverty; it's about **detachment**. Surely a poor person can be just as bitter as a rich one. But as you grow rich, your lust for things grows bigger. As you feed it, it grows bigger and bigger, dominating your life and soon you have no time left for Me. (full synopsis under **Bitterness**)

### Divine Mercy Chaplet

~**Holy Trials, Holy Fruit, Stand in the Gap for America – October 13, 2016**

- Do not neglect the **Divine Mercy Chaplet**. Couple with your offerings, it is moving mountains. Father's heart is very tender to this prayer – use it. Remember that I am still in control and Trust Me. (full synopsis under **Suffering/Trials/of the World**)

### Division

~**Are You With Me or Against Me? – October 9, 2016**

- Please – no evil speech. Don't think it. Don't watch it. **Refrain from divisions**. (full synopsis under **Jesus/Warnings From Jesus**)

### Enemies Against the Channel/Satanists (see: Still Small Voice Youtube etc.)

### Enemies Against Us

~**Ascending the Mountain of Holiness – October 7, 2016**

- That is why **loving your enemies** is so very powerful. They have deliberately injured you and you respond by praying for them and blessing them; there is no purer sacrifice of love than that. And in that instance, your prayers for them are tremendously powerful, because of the injury they have done to you.
- One has been rescued because of prayer. **Continue to pray**. (full synopsis under **Holiness**)

### Faith

~**The Fragrance of Longing for Me is Upon the World – October 10, 2016**

- You know the gnawing pain of separation. This is a new season – with new longings that will lead to **greater intimacy and faith**. Grasp the Rope of Grace that brings you closer to Me. Tuck away with Me, allow our hearts to be united in love. Do not run away from your deeper feelings for Me. (full synopsis under **Jesus/Our Love for Him**)

### Gifts/Talents from the Lord

~**Will You Fulfill Your Divine Destiny? – October 17, 2016**  
synopsis:

- Clare: beautiful worship this morning – Julie True and her songs really take you to a deep place – highly recommended.
- Jesus: You people are beautiful, each in your own ways. He was sitting with His Bride, holding her hands. “Cultivate your gifts. You’ve all be given an anointing. Not just for music, but to live your lives from your heart.”
- Emotions run deep. I made you this way, so you could pour out your lives on others. Don’t be afraid of the Deep Places with Me. Don’t be afraid! I will go with you to those places, and you will find rivers of living water there.
- All have a high calling – want to serve, love Me and those around you. Each is a peg that fits perfectly into the Father’s heart. No two are alike, ALL are unique and beautiful in their own way. If you follow what is inside you, you will reach the pinnacle of the anointing within you.
- You bear an imprint that is uniquely your own from the Father. There is none other anywhere on the Earth or in history. Yours is divinely inspired and unlike any other. Just as we are One, and you are the only one who can satisfy that place in Me that you came forth from, just as our relationship in that way is monogamous, there is only one of you, and there is a place in Me that only you can complete.
- Within you are dreams you know nothing about, waiting to be fulfilled. They are the essence of your mission, who I created you to be. Why you are on Earth. You will only find this through solitary devotion to Me and a total rejection of the world.
- Satan will try to pull you off track, lures away with lies and deceits. Many who were supposed to be prophets and other gifts for God, have been lured into his kingdom, and all is dead fruit now. The devil guards his captives closely, just waiting for death the chance to torment them for always.
- Heartdwellers, I am more solicitous for your futures than a mother hen for her chicks. I watch over you, assign angels to you, warn you when you make wrong choices, groom you for Heaven and anoint the works I’ve given you to do. For you, I pour out the graces of Heaven and guard you as the apple of My eye. I suffer with you when you must learn the hard lessons, and I rejoice with you in your victories. How blessed you are, My dear ones. How blessed indeed.
- Do not seek success in this life. Seek Me. Bear fruit for the Kingdom and you will be richly rewarded, here and in eternity.

## Glory

~You Will Know My Glory, You Can Never Out-Give Me – October 13, 2016

### **synopsis:**

- Clare: we are creatures of light and **glory**, brought forth from the very bosom of God. May the Lord help us to see who we are, not flesh and blood but fragments of glory from the Father’s heart. Help us to feed that holy fire and grow in holiness, that we may truly be a light to the nations, as He has called us to be.
- After I had placed my hands on His heart and felt that infusion of grace, I again saw myself as a little 4 or 5 years old girl being held by Him. I tucked my little face against His and just basked in the sweetness of His love.
- Then He gave me to the Father, and I cried tears of joy and thanksgiving for His immeasurable kindness to me. Because, as you know, just recently He's shown me a lot of things about myself that were certainly not lovable. Daddy held me ever so closely, and again I found my place against His neck and beard, and just tucked in to the most glorious place in the universe.

- Jesus: Clare, everyone has a different way of relating to Him. But you have chosen littleness for your life and littleness must be treated with infinite tenderness. It is fragile, delicate, sensitive, the very essence of love. It is vulnerable and easily shattered. **That is why I have called so many of you away from the world**, the media and sinful entertainment.
- My whole **Creation longs for the redemption** and not a day goes by that somewhere they are not suffering even as you suffer. Not even one day passes before one of My precious creation is abused or wantonly slain, because Satan has made all that I created a target for His wrath - but particularly the crowning glory: mankind. That is why the Earth is being destroyed. He continues to take vengeance on Me for exiling him from Heaven and that he will never be equal or exalted above Me.
- Jesus appeals again to the **Satanists** and those following Satan: Come to Me. I will forgive you and take you to Heaven. Satan has taught you to lie, cheat and destroy – this is what he will do to YOU in the end, not reward you. My Children – pray for these, that they may see the Truth and repent, coming to Me.
- Many Christians live in the dark as far as what is physically possible to those who believe. As you become more and more entwined in My Being, more intimately joined in heart and mind, I will reveal to you the nature of creation and the power you have over it, as you have been created in My image.
- But, My people, do not chase after miracles; **chase after Me**. Do not consider the working of wonders to be more valuable than fellowshipping with Me.
- "There are wonders of ministries available to those who love without reserve.

## God/the Father

### His Will for Us/Knowing His Will

~An Invitation To Come Up Higher – October 4, 2016

- **God is actually inviting us all to excellence and total commitment as Christians.** He knows what it's going to take to get us to follow Him. He knows how backwards, fleshly and strong-willed we are. He knows that no one would blame you for drawing the line, 'thus far and no further.' (full synopsis under **Jesus/Eyes Only on Him**)

## Grace/Graces Released/Anointings

~Are You With Me or Against Me? – October 9, 2016

- Jesus: Time is short to do what is good and right in our lives. I have extended a new **rope of Grace** – take it and make good use of it!! Love each other, live for each other, so that you may grow in holiness and sanctity. (full synopsis under **Jesus/Warnings From Jesus**)

~Lost in the Woods, Seeds of Bitterness, The Power of Complaining – October 26, 2016

- This is not something you can accomplish on your own, Beloved. For this, you need Me and generous doses of **My Grace** - and this comes as you spend time with Me in genuine adoration and worship, as well as studying the Word. Receiving communion in utter faith, that every grace you need can be granted through communion, is also another way.
- Even as you listen to this message, cry out to Me and I shall grant you the **grace** of profound thankfulness. Then all you need do is remember to exercise every minute of your life, especially in trials. (full synopsis under **Bitterness**)

## Gratitude

### ~Gratitude and Praise, Spiritual Warfare 14, Father's Love – October 27 2016

#### synopsis

- Abba Father: I am taking My Body into **continual praise and worship**. It is so easy for My children to forget all I've done for them, especially when they are sick.
- You see, there is **no strength greater than praise** in times of adversity. I am readying you all to carry your crosses with dignity and strength, not hauntingly, lamely, or crushingly. I need for you all to stand tall in the coming months as you carry that which I will allow.
- **You are the light bearers** since the one who was called turned away to embrace the darkness and scorn My Dignity and Power. This is a supernatural gift I will impart to those who ask.
- **Nothing overcomes evil like a thankful heart**. There is no foothold for the enemy to enter and sow seeds of bitterness which later choke out life.
- There is a certain false sense of security when you acquire and have things, many things. It seems as though you are more secure but in reality you are more tied down and tethered to the Earth and your passions. Distraction comes with this seed and soon it is nearly impossible to pass even a few moments without thinking about what new thing you can have.
- As you find joy in the little things in life, even in nature, which displays itself all around you - you begin to sing a **song of gratitude in your heart**. **This is the beginning of praise** which needs to be nourished so that you may build a bulwark of honor to Me all around you. Then I come to inhabit your praises. **Then the demons fear to come near**, lest they be singed by the flames of Love that constantly burn the foolish things of the world away from the soul.
- I prefer that the sound waves penetrate the space you inhabit. They shatter strongholds and greatly suppress evil. Where **demons** once had an easy entry, now they must struggle - only to get closer to the source of praise that is indeed electrifying and damaging them.
- I am telling you: **praise is a way of life** that defeats every force and the guile of the enemy. It makes them depressed when they hear you praise Me. It means they are losing the battle for your mind. Ask Me for this gift My Children, and then guard your hearts and use it as a way of life."
- **Clare story**: dream about her father and a ring he bought for her when she was born.
- It almost looks like a chunk of ice or water, it is so clear. And Daddy made me to understand that He'd seen all my tears as a child who was abandoned by her father and mother, and He wanted me to know how much He loved me the whole time I was growing up. I was so deeply touched as He asked me to put it on my finger. And now I wear it for writing, prayer and worship - to remind me that I am loved by my Father in Heaven.

## Heaven

### ~Come to Me Ready to Dance & New Age Music is a Genre of Music – October 6, 2016

- **Heaven** is now open to all who wish to go there! You have only to ask: Jesus, will You take me to Heaven?
- This, dear ones, is a new dispensation from Heaven: visits to the Beautiful Place, where you can experience your homeland before you actually go there to live forever. The Lord knows how hard this Earth is, and He's opened the Heavens to us, so that we can see the Promise. And the Promised Land. (full synopsis under **Jesus/Intimacy With Him/Dancing**)

## Holiness

### ~Ascending the Mountain of Holiness – October 7, 2016

#### **synopsis:**

- Jesus: You are always on My heart. I go slowly, pulling you out from the influence of the earthly cares, moving towards the goal of detachment. More and more you must become this way.
- RULE OF THUMB FOR ALL THINGS: **Do everything from the motive of Love for Me.**
- I am calling you to a **holy life**, no matter what it is. Family, children, single. Seek Me for where and how to live it. Even families are called to the mission field. As for courage to stand with your decision.
- As you put Me first, in your lives, you will feel the anointing on every act you do out of the **pure motive of love**. Seek these opportunities out. Teach your children to do all out of love. The home should be free of competition, and full of only love.
- We climb the mountain together. **All is a part: suffering, weariness, dryness – all offering and sacrifice.** Everything you must do with great effort, having only love of Me or others as your motive, builds you up into the stature of a saint. The more effort it costs you, dear one, the greater the sacrifice.
- That is why **loving your enemies** is so very powerful. They have deliberately injured you and you respond by praying for them and blessing them; there is no purer sacrifice of love than that. And in that instance, your prayers for them are tremendously powerful, because of the injury they have done to you.
- One has been rescued because of prayer. **Continue to pray.**
- Do not forget to ask Me, “Lord, I need Your help. I cannot do this on my own.” **Put Me first every day so I may prepare you for the day’s growth.**

### ~Lost in the Woods, Seeds of Bitterness, The Power of Complaining – October 26, 2016

- Be firmly convinced, once and for all, that nothing happens in your life without My permission. And if I give My permission, you have to know: the situation, whatever it may be, is going to advance you in **holiness** and be a source of inspiration to others. (full synopsis under **Bitterness**)

### ~The Best of the Worst Candidates & Spiritual Warfare 13 – October 23, 2016

- Jesus: I want to return to the heart of this message. Please, consider, it is not going to be easy. But if you choose to continue to scale the **mountain of holiness**, I will be with you. I will carry you and I will save you and you will experience Me in ways you never thought possible. But returning to your **sacrifices**: the **Bride must resemble the Groom**. This suffering is preparation for your coronation. You indeed will resemble Me when I come for you. I will infuse you with My strength, if only you will ask. I will carry you when you can no longer carry on, if you will ask. I will restore your faith when doubt has a stranglehold on you, if you only ask. I will give you endurance to finish this race, loving Me and My people more than you ever have, only just ask. All these things I will do for you and more, My People, much, much more. But you need to decide. In this moment, you cannot see what is coming in the future, but I can. Will you trust Me? (full synopsis under **Demons/Spiritual Warfare**)

~**The Fragrance of Longing for Me is Upon the World – October 10, 2016**

- Those who are **choosing personal holiness** will forever shine with Glory, because you chose the Robe of Sacrifice and Righteousness above all. (full synopsis under **Jesus/Our Love for Him**)

**Holy Spirit**

~**Curses & Assignments on All Christians: Spiritual Warfare 12 – October 21, 2016**

- Rather than list all the offenses, I ask you My dear ones, listen for **Holy Spirit's** opinion very, very carefully. He will warn you when you are about to sin. If you do all these things, your life will be much more calm and blessed than those around you who care not for the upkeep of their souls. (full synopsis under **Spiritual Warfare**)

**Jesus**

**Bride(s)**

~**Come to Me Ready to Dance & New Age Music is a Genre of Music – October 6, 2016**

- Jesus: perfect days are rare occasions, but after difficult times I wish to also give rainbows. I love to take **My Brides** away to show them how beautiful they are becoming, even in the midst of the trials.
- You cannot live without the consolations I give, so frail is your frame. That is why I call you to this special kind of prayer – for refreshing and healing. I will set your hearts on fire if you will allow Me! I want to stretch your hearts and fill them with such divine love you will cease to exist, and only I remain. That is what this whole Christian walk is all about: you are to become little Christs.
- My heart longs to bring you Joy every day. Watch for it! Pay attention so you do not miss it.
- I took much of ALL suffering upon Myself on the Cross – what is left for you is the bare minimum of what you must do with the effects of My very own special grace to bring about the perfection I envision in you.
- So come to Me in trysting time. If a woman, I will dance with you. If a man, we will explore Heaven and roll in the sand with lions. (full synopsis under **Jesus/Intimacy With Him/Dancing**)

## Corrects Us

### ~Come to Me Ready to Dance & New Age Music is a Genre of Music – October 6, 2016

- After **correction**, especially a hard one, Jesus is always ready and willing to give consolation. He and Clare went dancing...
- This is indeed a painful process! Having come from the Father's bosom, from perfection, then into this world already prepared by the devil to destroy you if he can. Yet there is no other way: I enter to pull you from the stinking mire of this world, bathe you in My blood and work to restore to you the innocence and beauty you left – to again resemble Me. (full synopsis under **Jesus/Intimacy With Him/Dancing**)

### ~I Am Not a Taskmaster & Is She Preaching Poverty? – October 3, 2016

#### **synopsis:**

- Clare: some misunderstanding over the past few messages. I am NOT preaching poverty for all! The Lord has us here in the US and stateside-missionaries and has called US to poverty, as a way to show you that He WILL provide for all and in all circumstances.
- My Black Panther – an allegorical dream many years ago alerted me to what it was: a weakness to the sin Avarice. I have been working towards conquering it for 25 years. The Lord gave these last trials to me to finally seal my determination to absolutely kill it at last.
- Don't over-react to the message – He calls us EACH to a path, and we must learn to be obedient to THAT, not someone else's.
- Clare began to over-react, being over-sensitive to the Lord and trying to accomplish needed tasks, with one ear on making sure she "did" all the other things: prayer, worship, communion, etc.
- Jesus: No, Dear Bride, I am NOT a harsh taskmaster! Simply asking that you make Me first, first in the day as well. All other tasks have their time to be done afterwards. Moderation is the key. If you come to Me first thing, then I can help you set out and order your day. He IS with her (us) in this!
- Acquiring "things" leads to many other sins. Using what is old and already available is best when you are wanting to clear out your life of the world. ASK Me if you need something, I will supply.
- To all Brides: You all have your weaknesses and will come up on snags in your efforts. Don't be discouraged. Together we can do all that I have planned for you.

## Clare's Portrait of Him

### ~The Fragrance of Longing for Me is Upon the World – October 10, 2016

- **The portrait** is so that My people will see My love and longing for them. Most Christians aren't aware of My love, My vulnerability – how deep and painful is My love for them. A drop of water fell on the portrait – just where a teardrop should go. Jesus: I long for your company, as a father longs for His little sons He is separated from. (full synopsis under **Jesus/Our Love for Him**)

## Eyes Only on Him

### ~An Invitation To Come Up Higher – October 4, 2016

#### **synopsis:**

- Clare: there is a group on this Channel that wants everything God has for them. Some, even though we know we are saved and on the way to Heaven, are still dying of thirst and want more, more, more of Him. He is making an invitation known to join Him on that Journey.

- Discussion with NYC Friend: two main points – He wants us ALL – all our heart, all our lives, all of us. Partly for our own protection in coming times – if we’ll cleave to Him, glued to Him, “they” can’t mess with us. Secondly, Obedience and Offering. Free will is the bottom line – He is calling, but we have to follow with our will.
- With all of this comes greater suffering, sacrifice – BUT – the result of obedience is unimaginable Joy! What He asks us to “give up” for Him may be seemingly small – but be a great thing to us! Like chocolate or licorice.
- Important to understand that partial Obedience is NOT Obedience! No, we can’t get comfortable and say, “Oh, no, we’ll just stay here” if we want to follow Him all the way.
- MUCH of this, right now, is to give Him enough to “work with” to get Trump/Cyrus into the White House. This is HIS will – but if we don’t cooperate? Well...
- Jesus: Surrender is a good word to describe what I am asking of My Heartdwellers. Surrender coupled with commitment to stay surrendered. Just how much of Me do you want? I never stop moving – come move with Me!
- Those who do NOT make this commitment are going to run into deep trouble as the world disintegrates. “They” will be more than happy to help you...right into the New World Religion. The prosperity Christians will be the worst hit – life will be the hardest for them.
- God is actually inviting us all to excellence and total commitment as Christians. He knows what it’s going to take to get us to follow Him. He knows how backwards, fleshly and strong-willed we are. He knows that no one would blame you for drawing the line, 'thus far and no further.'
- Clare: if we look forward to the unknown, our fear will convince us that it’s just too tall a mountain, too steep a climb. But if we look backwards to where we began and where He’s taken us we can say, “Yes. That wasn’t really so bad, was it?”
- It all boils down to one concept: the root of the concept, “*Do you love Me?*”
- Taking a short track back to Sinai, we find that the other group of souls, larger than ours, that opted to stay...they are still living in the desert, but find joy in worship and their labors. Yet beneath their smiles is a twinge of conscience, “I could have had so much more.”
- We have only one life to live. I really don’t want to leave this Earth behind with a whimper. I want a shout of gladness amidst a crowd of angels ascending into Heaven. But I must commit to surrendering my entire self.

  - Heaven is now open to all who wish to go there! You have only to ask: Jesus, will You take me to Heaven?
  - Clare: note on music about new age music being a GENRE, NOT an introduction to a religion. Many anointed Christian musicians use these flowing, soothing tones for worship, sent from the Lord. Use it for Dwelling Prayer.
  - When singers repeat a line many times, it is to relax and take you deeper into the meaning of the words - usually Scriptural - it is absolutely NOT hypnotic. It is what the monks called Lexio Divine, meditation upon a verse of Scripture or a precept from the Bible, by just studying it over and over again, repeating it and listening between the lines for what the Lord is saying.
  - This, dear ones, is a new dispensation from Heaven: visits to the Beautiful Place, where you can experience your homeland before you actually go there to live forever. The Lord knows how hard this Earth is, and He's opened the Heavens to us, so that we can see the Promise. And the Promised Land.

### **Our Love for Him**

#### **~Do You Love Me More Than These? – October 15, 2016**

##### **synopsis:**

- Clare: hard time getting things together this morning – TRYING to change my ways, but the world got in the way today. I was late getting into prayer...
- Jesus: I'm happy that you're tackling the things that offend Me. I'm working beside you, all the time, to conquer your faults and weaknesses. Just keep doing what you're doing – putting Me first.
- Jesus: I really needed to see that you love Me more than these.

#### **~The Fragrance of Longing for Me is Upon the World – October 10, 2016**

##### **synopsis:**

- Clare: I have been focusing on asking the Lord more and more, instead of just making the decisions for myself. I wanted to know if Jesus was asking for a sacrifice of those things. The elections are coming up, and we know He is calling us for more sacrifice and offerings for Mercy on the world, because we know the enemy is trying to stop the election of Trump into the White House.
- Jesus: Mercy is coming. Don't be alarmed by the rumors and sounds of war coming. These things must occur in this last chapter before the Tribulation. Don't be afraid; brace yourselves by taking hold of My garment and promises as a covering.
- Those who are choosing personal holiness will forever shine with Glory, because you chose the Robe of Sacrifice and Righteousness above all.
- The sound of war drums has reached the ears of many. Yet did I not say I was postponing the very worst for the summer of 2019 when I will again reassess the condition of My

people and the world? Until then, I am calling upon you still for sacrifices, fast offerings, wedding presents. Yes, I am still calling for these things. I do not want you focusing on what is to come, but on Me.

- The portrait is so that My people will see My love and longing for them. Most Christians aren't aware of My love, My vulnerability – how deep and painful is My love for them. A drop of water fell on the portrait – just where a teardrop should go. Jesus: I long for your company, as a father longs for His little sons He is separated from.
- You know the gnawing pain of separation. This is a new season – with new longings that will lead to greater intimacy and faith. Grasp the Rope of Grace that brings you closer to Me. Tuck away with Me, allow our hearts to be united in love. Do not run away from your deeper feelings for Me.
- I catch your tears in My crystal vase – each is the product of grace, each will be used exactly where I know they are needed, even to the hearts of your children to soften them. Nothing is wasted!
- Clare: her readings for communion underscored His message for the day – a thirst and longing for Him.

### **Speaking Against His Ministries**

~Are You With Me or Against Me? – October 9, 2016

- **When YOU open your mouth against My ministries**, it does two things. A demon just entered YOU through the door of Criticism. And others are provoked to follow your lead, damaging them as well. (full synopsis under **Jesus/Warnings From Jesus**)

### **Warnings from Jesus**

~Are You With Me or Against Me? – October 9, 2016

**synopsis:**

- Jesus: Time is short to do what is good and right in our lives. I have extended a new **rope of Grace** – take it and make good use of it!! Love each other, live for each other, so that you may grow in holiness and sanctity.
- Please – no evil speech. Don't think it. Don't watch it. **Refrain from divisions.**
- **Satan creates division** by preying on individual taste – making you think that YOUR taste is the only "correct" one – and anyone who doesn't agree with you, is wrong. NO. This making your own opinion opens you to his attacks, and so then you sow discord and division over ministries that I have put in place, for a particular group that will benefit from it. YOU are dividing My work by listening to lying spirits, and allowing My little children to be pulled back away from Me.
- **When YOU open your mouth against My ministries**, it does two things. A demon just entered YOU through the door of Criticism. And others are provoked to follow your lead, damaging them as well.
- Satan doesn't fight the New Agers – he's already got them where he wants them. When you detract from My true ministers, you are in league with Satan, working against Me. It's an age-old tactic: divide and conquer. So decide. Are you for Me? Or against Me? Learn discernment!!
- Clare: we have many teachings on doctrine as Jesus has taught us on the blog Triage for Heartdwellers. Also, the Search engine will help you find messages about any topic you desire.

- Jesus: **I want Brotherly Love for this channel.** That is why I established it. You will notice that the Church of Philadelphia, the Church of Brotherly Love is the **ONLY** one that I promised the escape from Tribulation in the Rapture.

### Obedience

~**An Invitation To Come Up Higher – October 4, 2016**

- Discussion with **NYC Friend:** two main points – He wants us ALL – all our heart, all our lives, all of us. Partly for our own protection in coming times – if we'll cleave to Him, glued to Him, "they" can't mess with us. #### ~The Best of the Worst Candidates & Spiritual Warfare 13 – October 23, 2016

- I want to begin by saying that **obedience is still absolutely vital** to escaping the enemy’s snares. Obedience is one of the virtues that protect us. The Lord always knows in advance the enemy’s next move, so when He directs us to do something, it is because He loves us and is protecting us. And we're one step ahead of the enemy. (full synopsis under **Demons/Spiritual Warfare**)

### Poor, Helping them

#### ~Your Outreach to the Poor – October 30 2016

##### synopsis

- Clare: wanted to tell the Heartdwellers about where their donations go. Many different places of outreach.
- Food cards, utilities, a free clothing store, The Giving Tree. Electric bill help, warm winter clothing for the Pueblo children are just some of them.
- We will be putting up a new page on our website to show you pictures and testimonials of what is happening there. Soon to come.

### Praise

#### ~Gratitude and Praise, Spiritual Warfare 14, Father’s Love – October 27 2016

- Abba Father: I am taking My Body into **continual praise and worship**. It is so easy for My children to forget all I’ve done for them, especially when they are sick.
- I am telling you: **praise is a way of life** that defeats every force and the guile of the enemy. It makes them depressed when they hear you praise Me. It means they are losing the battle for your mind. Ask Me for this gift My Children, and then guard your hearts and use it as a way of life."
- You see, there is **no strength greater than praise** in times of adversity. I am readying you all to carry your crosses with dignity and strength, not hauntingly, lamely, or crushingly. I need for you all to stand tall in the coming months as you carry that which I will allow. (full synopsis under **Gratitude**)

### Prayer

#### ~Brambles in the Vineyard, Bitterness is Spiritual Leprosy – October 28 2016

- My very first **prayer** to the Lord in the morning is "Please, Lord, forgive me for my bitterness, help me transform my irritations to joyful gratitude. Please deliver me from the demons and their dedication as well as the seed and roots of **bitterness**. Please bathe my heart in Your blood, cleansing it from all unrighteousness."
- So, these **three steps need to be taken before I ask for deliverance**: (1) examining my actions, feelings and thoughts; (2) forgiving anyone I am holding resentment against; (3) repenting for an ungrateful attitude. Because truly the Lord allowed these things to happen and grumbling or complaining or even anger, for that matter, is not just at the person who

caused the offense, but at God who allowed them to cause it. (full synopsis under **Bitterness**)

## Satan

### His Character/Our Enemy

#### ~Donald Trump is Still God's Choice, Trump vs. Clinton – October 20, 2016

- You see – but you don't see the truth. You see a façade, not the one behind it drinking a sacrificed child's blood. **Satan's minions** are pulling the strings, wanting to see every Christian in this nation slaughtered. (full synopsis under **Trump, Donald**)

### His Works Against Man

#### ~Are You With Me or Against Me? – October 9, 2016

- **Satan creates division** by preying on individual taste – making you think that YOUR taste is the only “correct” one – and anyone who doesn't agree with you, is wrong. NO. This making your own opinion opens you to his attacks, and so then you sow discord and division over ministries that I have put in place, for a particular group that will benefit from it. YOU are dividing My work by listening to lying spirits, and allowing My little children to be pulled back away from Me.
- Satan doesn't fight the New Agers – he's already got them where he wants them. When you detract from My true ministers, you are in league with Satan, working against Me. It's an age-old tactic: divide and conquer. So decide. Are you for Me? Or against Me? Learn discernment!! (full synopsis under **Jesus/Warnings From Jesus**)

#### ~Brambles in the Vineyard, Bitterness is Spiritual Leprosy – October 28 2016

- Jesus: make a resolution in your hearts to **put aside all grumbling, resentment, bitterness**. Make a firm resolution, dear ones. **This is the number one inroad for Satan** to turn your lives sour. He gains your consent when he causes trouble. Your anger is your stamp of approval on his gift of a bitter seed with a demon to tend it in the garden of your hearts.
- Once the incident occurs, the roots put out shoots that can be felt in resentment and anger. Then they become noticeable. **They choke out and reject My love**, and the soul becomes more and more bitter and hardened. Then the prolific fruit-bearing vines coming from the Vinedresser, cannot produce choice grapes, because all that is good and healthy for the plants has been choked out by brambles. Thus **though you think you are abiding in the vine and bringing forth fruit, in reality you are abiding in the thorns of Hell, in bitterness**. We can do this together, if you will. You must **make an act of the will** and hold to it under all circumstances. We can do this. You can begin today to lead a life of celebration and thanksgiving, knowing without a doubt that all things work together for the good when you are in Me, and I am in you. (full synopsis under **Bitterness**)

#### ~This is The Critical Hour – October 15, 2016

- Your sacrifices are absolutely the very thing **holding Satan back**. Absolute tyranny will eventually come – but not yet. You don't understand, in this country, the butchery of these things. But EVERYTHING you are giving Me, I am using to hold it off. (full synopsis under **Suffering/Trials/Of/For the World**)

### ~Will You Fulfill Your Divine Destiny? – October 17, 2016

- **Satan** will try to pull you off track, lures away with lies and deceits. Many who were supposed to be prophets and other gifts for God, have been lured into his kingdom, and all is dead fruit now. The devil guards his captives closely, just waiting for death the chance to torment them for always. (full synopsis under **Gifts/Talents from the Lord**)

### Satanists

#### ~Bondage to Satan, Halloween Night – October 30 2016

##### synopsis

- Clare: Halloween night, Ezekiel was under heavy attack again. Praise the Lord, He is the Victorious One – and Ezekiel was rescued out of it.
- Jesus: Retribution is MINE, says the Lord. **Satan is the criminal**, I am God. NO weapon formed against you will prosper. Those who have chosen to follow Me with their entire lives – shall I not protect them from the evil doers?
- Wisdom Chapter 2 reading: how the evildoers think of God.
- Jesus: The evil ones celebrate this day, because they don't understand they are defeated. This is why you **pray for your enemies**.
- I saw them before sin entered and made them what they are – making a pact with the Devil. I touched them to warn them, but they turned away. I alone know what they could become for My Kingdom, should they turn to Me. But they must turn completely away from the path they are on and never turn back again.
- This is another appeal to the **Satanists. Heartdwellers, devote this day to prayer for them.**
- **To the Satanists:** Approach Me. Give Me a chance. I will show you that EVERYTHING Satan has promised you is a lie. That Life is in My hands alone. Your master is a dog on a chain – and I hold the leash. Come away from him and let me give you REAL Life.
- My ways are not your ways, and neither will you ever come to understand them. But there was a very good reason for everything I allow, no matter how hard it seems. And some of those reasons have to do with your salvation. For one, **souls make an agreement with Me** before they come to Earth about the kind of life they will lead. We are agreed on that, and many that seem to die uselessly are martyrs giving their suffering and lives for others that they love. Even the plants and animals understand what I ask of them.
- **There are no coincidences. There are only God-incidences.**
- You think that money, women or men and talent are what you want, but when you have all that and you feel that void inside of yourself, you will see that nothing brings you satisfaction that is lasting. All of it is empty, because **your heart was made for Me**. And until you have Me living in you, you will feel empty, no matter how much you have.
- So, again **I am calling you who worship Satan** and cast spells and incantations. I am calling you to My heart. I truly love you and I want you to be with Me forever. I know what you've done. I've seen it all. I still love you. I still want you. And if you come to Me, I will forgive you and wash you clean of your past life and give new life. Fresh, new life. New Hope. And you will find true joy and love in your life that no one can take from you. And you will have peace. Peace that you've never, ever had.

#### ~You Will Know My Glory, You Can Never Out-Give Me – October 13, 2016

- Jesus appeals again to the **Satanists** and those following Satan: Come to Me. I will forgive you and take you to Heaven. Satan has taught you to lie, cheat and destroy – this is what he

will do to YOU in the end, not reward you. My Children – pray for these, that they may see the Truth and repent, coming to Me. (full synopsis under **Glory**)

How blessed you are, My dear ones. How blessed indeed.

## Suffering/Trials

### For the Sake of Souls/Simon's Cross

~**Ascending the Mountain of Holiness – October 7, 2016**

- We climb the mountain together. **All is a part: suffering, weariness, dryness – all offering and sacrifice.** Everything you must do with great effort, having only love of Me or others as your motive, builds you up into the stature of a saint. The more effort it costs you, dear one, the greater the sacrifice. (full synopsis under **Holiness**)

**~Donald Trump is Still God's Choice, Trump vs. Clinton – October 20, 2016**

- Jesus: Your **offerings are making an impact**, but so much more is needed. There are slanders against Trump, but not all are true. Any who raise their heads against the “monster” (the wicked) will be lied against. Americans are too lazy to search for the truth, believing the media instead. This is how Hitler came into power. (full synopsis under **Trump, Donald**)

**~The Best of the Worst Candidates & Spiritual Warfare 13 – October 23, 2016**

- You see the enemy knows **God is allowing suffering to His children**, because of what is at stake right now. He knows well, so he being an opportunist, jumps in and increases the pain, adds demons of fear, hopelessness, isolation, depression, torture, desperation, torment, fear of the future, doubt in God. The enemy adds these demons to the mix, taking advantage of the weakness of that time. Whatever he can to cause a soul to give up and make the ordeal worse. But when we turn to the Lord and ask for help, He comes to our aid, and kicks the demons out. (full synopsis under **Demons/Spiritual Warfare**)

**Of /For the World**

**~Holy Trials, Holy Fruit, Stand in the Gap for America – October 13, 2016**

**synopsis:**

- Clare: the revealing and **purification of sins** continues, with her running to Jesus like a mud-splattered child. If you are going through **intense trials** right now, you are right on target with the others that said “yes” to Him. There is a feeding frenzy going on with the Body of Christ right now, as the Lord helps us fight our way through our flesh to purity.
- Trials have 2 components: **Simon's Cross suffering, and Correction from God.**
- Jesus is asking for all the suffering we go through for fast offerings for the US, the world and to defeat the evil plans of the Elite. ANYTHING – if it hurts, offer it.
- Jesus is there for us – guiding, helping and holding us when it hurts and we run to Him for comfort. This is HIS work! And He will see it through.
- Clare – fell into an old pattern: nesting. Her rhemas and Scriptures brought her back out of it in a hurry! Holy Spirit guides SO well if we seek Him.
- Jesus: we are embattled in a terrible battle right now. It is hidden from us, but miracles are occurring to stop evil because we are pressing in. Offer Me EVERYTHING – no matter how little it seems. ALL is being used in Heaven's economy.
- Things will get even more trying and difficult up to the **election**. Please stand with Me in this hour of need and cooperate with Me! Stay away from the news. Do not be fooled by propaganda.
- I have prepared you for this time – to understand, **sacrifice, repent and stand your ground** for what is right for this country and the world.
- Do not neglect the **Divine Mercy Chaplet**. Couple with your offerings, it is moving mountains. Father's heart is very tender to this prayer – use it. Remember that I am still in control and Trust Me.

**~The Fragrance of Longing for Me is Upon the World – October 10, 2016**

- **The sound of war drums** has reached the ears of many. Yet did I not say I was postponing the very worst for the summer of 2019 when I will again reassess the condition of My people and the world? Until then, **I am calling upon you still for sacrifices, fast offerings,**

**wedding presents.** Yes, I am still calling for these things. I do not want you focusing on what is to come, but on Me. (full synopsis under **Jesus/Our Love for Him**)

**~This is The Critical Hour – October 15, 2016**

**synopsis:**

- Jesus: Tell My people we are all suffering in this moment. All carrying burdens for the world. This is a critical hour, and I am taking all **fast/suffering/offerings** I can from all over the world to avert what is sure to come...eventually.
- Your sacrifices are absolutely the very thing **holding Satan back**. Absolute tyranny will eventually come – but not yet. You don't understand, in this country, the butchery of these things. But EVERYTHING you are giving Me, I am using to hold it off.
- Please do not complain, but offer it all cheerfully. **Offer utter thanksgiving** that all the evil is not unleashed. Satan is straining at the bit to destroy, especially the children.
- This hour is CRITICAL. I need all your cooperation and support, prayers and offerings. It cannot be stopped forever – but it can be for NOW.
- **The election will be a major determining factor** – as America goes, goes the whole world. This isn't about Clinton or Obama, but about the entire evil government system already entrenched in the world – and this is your LAST CHANCE to avert it.
- **Clare's dream** of Obama and the election – Jesus affirmed it prophetic. My People, the dream still holds. If only you will continue to work with Me, the dream will stand. What I am asking of you here is to be cheerful givers...not grumpy givers.
- Jesus: it will not always be this way – this is **a season of suffering**. Joy will come again. But now, we need to stand in the Gap strongly.
- Clare: information on where donations to the channel are distributed – poor, children, food, wood, etc. for poor. Current need for warm coats for children.

**Thanksgiving to God**

**~This is The Critical Hour – October 15, 2016**

- Please do not complain, but offer it all cheerfully. **Offer utter thanksgiving** that all the evil is not unleashed. Satan is straining at the bit to destroy, especially the children. (full synopsis under **Suffering/Trials/Of/For the World**)

**~Gratitude and Praise, Spiritual Warfare 14, Father's Love – October 27 2016**

- **Nothing overcomes evil like a thankful heart.** There is no foothold for the enemy to enter and sow seeds of bitterness which later choke out life. (full synopsis under **Gratitude**)

**~Lost in the Woods, Seeds of Bitterness, The Power of Complaining – October 26, 2016**

- Jesus: This is a mighty task, My People. **Staying in worship, prayer and thanksgiving is a habit that must be cultivated if you are to escape the snares of the enemy.** Bitterness is indeed a poison to your body, soul and spirit. If you are to stay healthy in all areas, ask Me to reveal to you the seeds of bitterness that have grown into a thorny bush, choking out the holy life you hunger for. (full synopsis under **Bitterness**)

**Trump, Donald**

**Election**

**~Donald Trump is Still God's Choice, Trump vs. Clinton – October 20, 2016**

**synopsis:**

- Clare: had a moment of weakness – she had intended to sacrifice, and forgot the night it was. Jesus’ replay: you had a moment of weakness. You should see the gross demon who put that thought in your head. Remember to check with Me first! Offer something else instead for now.
- Jesus: Your offerings are making an impact, but so much more is needed. There are slanders against Trump, but not all are true. Any who raise their heads against the “monster” (the wicked) will be lied against. Americans are too lazy to search for the truth, believing the media instead. This is how Hitler came into power.
- You see – but you don’t see the truth. You see a façade, not the one behind it drinking a sacrificed child’s blood. Satan’s minions are pulling the strings, wanting to see every Christian in this nation slaughtered.
- Pay close attention to ME, not the media. Trump is My choice. He has accepted Me as his Savior, and I will to work with him for the sake of this country.
- I have drawn a line, even as Moses did with Korah in the wilderness. Who are you for? Me or the enemy.
- Clare – quoted a description of what happened with Korah from gotquestions.org.
- This is about rebellion against God’s desire, and whether the Christians will listen to Him and follow His will.

**~Holy Trials, Holy Fruit, Stand in the Gap for America – October 13, 2016**

- Things will get even more trying and difficult up to the **election**. Please stand with Me in this hour of need and cooperate with Me! Stay away from the news. Do not be fooled by propaganda. (full synopsis under **Suffering/Trials/of the World**)

**~The Best of the Worst Candidates & Spiritual Warfare 13 – October 23, 2016**

- Dear Ones, this is no cakewalk. This candidate, **Donald Trump**, is not a New World Order clone. He really means to turn this government upside down and inside out. They really want to stop him. He is heavily protected by the Lord. But if we continue to cooperate with the Lord in our offerings, He will have enough levers to protect this man further and put him in office.
- But after that, I believe that the former powers will try to raise insurrections, riots and all kinds of strife and emergencies. But we are here by the Lord’s side, giving Him all He asks of us as we stand in the gap.
- Yes, well this time it does matter and that’s why I’m calling My people to stand by My choice, the **best of the worst candidates**. (full synopsis under **Demons/Spiritual Warfare**)

**~The Fragrance of Longing for Me is Upon the World – October 10, 2016**

- Clare: I have been focusing on asking the Lord more and more, instead of just making the decisions for myself. I wanted to know if Jesus was asking for a sacrifice of those things. The elections are coming up, and we know He is calling us for more sacrifice and offerings for Mercy on the world, **because we know the enemy is trying to stop the election of Trump into the White House**. (full synopsis under **Jesus/Our Love for Him**)

**~This is The Critical Hour – October 15, 2016**

- **The election will be a major determining factor** – as America goes, goes the whole world. This isn’t about Clinton or Obama, but about the entire evil government system already

entrenched in the world – and this is your LAST CHANCE to avert it. (full synopsis under **Suffering/Trials/Of/For the World**)

### **Suffering for the Sake of**

#### **~An Invitation To Come Up Higher – October 4, 2016**

- MUCH of this, right now, is to give Him enough to “work with” to get **Trump/Cyrus** into the White House. This is HIS will – but if we don’t cooperate? Well... (full synopsis under **Jesus/Eyes Only on Him**)

### **Virtue**

#### **~Curses & Assignments on All Christians: Spiritual Warfare 12 – October 21, 2016**

- And you know, **we may not be perfect in virtue**, but if our heart is set on perfect virtue, if we are absolutely sold out to God that we want to be virtuous, then it's much more latitude that He has to work with us. It's the ones who don't really care that have a problem, and will have a continuing problem. (full synopsis under **Spiritual Warfare**)

### **White Martyrdom**

#### **~The Best of the Worst Candidates & Spiritual Warfare 13 – October 23, 2016**

- There is a **white martyrdom**, where blood doesn’t flow but suffering abounds. And all of us are now being called upon to offer ourselves in the full knowledge that it will not be pretty or easy. So, this season of our Christian lives only makes sense if we consider the stakes, that Jesus is using every little suffering to get this man in office, to turn the nation and even the world. And you and I both know how bad it looks for Donald Trump to get into office. The enemy has done his best to smear this man, and that alone tells us he’s not on their team. (full synopsis under **Demons/Spiritual Warfare**)
