

**St. John Valley Chamber of Commerce
2017-2018 Business of the Year and
Outstanding Community Service Nominations**

Each SJV Chamber of Commerce Member (in good standing in 2017 and/or in 2018) may vote for one Business of the Year and one person for Outstanding Community Service.

It may be tempting, but voting for yourself may result in everyone with one vote. We suggest that if you feel strong about a candidate, contact other voting Chamber members and vote for one person or business as a group. The person or business with the most votes will win.
