CORE COMPETENCIES & DESCRIPTION OF SERVICES AND/OR PRODUCTS

- We offer construction program management services. We manage construction programs and tailor our services to each individual client, so we can meet each of their needs. We act in the role of the Owner's advocate through the construction process.

MANAGEMENT PROFILES

- Jacqui Steele – The vision of Steele Program Managers formed by the services Jacqui Steele performed throughout the years with MARTA Transit System, but in particularly with DeKalb County Schools SPLOST Programs. That experience motivated Jacqui to start her own business with the objective of working with companies to better their construction management process.
