

Mission Statement
for
Initiative for Veterans of Okaloosa and Walton Counties
(I VOW)

The Okaloosa Walton Homelessness and Housing Alliance created an Initiative for Veterans of Okaloosa and Walton Counties (I VOW) due to the on-going need for stable housing of our local Veteran population. I VOW is an action group which brings together the collaborative abilities of many of the local area's Veteran resource service agencies to assist Veterans experiencing homelessness. By directly identifying, engaging and providing constant visibility and follow-up, the I VOW group will work toward providing much needed housing for our Veterans. We believe that by sharing resources and increasing communication among the diverse Veteran assistance agencies, success for our Veterans can be achieved in a more efficient and timely manner. Regaining and maintaining housing stability for our Veterans is paramount.
