### What we are looking for:

We aren't just looking for someone to advertise for us. We are looking for a devoted Jeep lover and enthusiast that wants to rock the newest Jeep accessory on their own Jeep for no cost. Of course, business is business and we can't give you free product without proper rules and regulations so if you want to keep receiving the hottest new Jeep accessories you must visit shows, promote our company and post/visit all publicity events you agreed to go to. We are looking for someone dedicated to the Jeep life to show off our line of awesome and unique grill skins. Everyone will compliment your grill and if you refer them they get a discount! You get free product, you get to show off your unique Jeep accessory and all while going to Jeep events! This sponsorship program is for an extreme Jeoper who want to take the Jeep Life to a new level.
