MAY 2020 ISSUE

Greetings to all Members! Hopefully, you all are adjusting to the new life brought about by the current pandemic. This issue of our newsletter will be another new experience for us. TBLA has suspended most of our activities in order to comply with the guidelines set forth by governmental officials. While we all believe that our Association's works and deeds are important, we yield to the greater concern of public health. All our activities involving the gathering of Members remain cancelled until further notice. We hope to resume activities soon but urge our Members to remain vigilant in their efforts to minimize the spread of the Coronavirus.

The TBLA Board of Directors is trying to conduct at least some business by using digital communications or meeting in small groups while adhering to social distancing guidelines. Such limitations cause progress to be slower but essential business is being handled. Bear with us in these times as we attempt to keep our Association viable and productive.

Membership Renewal-All memberships expire at the end of the calendar year. Ideally, memberships would be renewed within the first month of the new year but, many remain inactive well into the new year. It is understandable that such things slip our minds, but the Association needs a strong membership in order to remain effective in our efforts. In the coming weeks you may be contacted and asked to renew your membership. Please do not be offended by such a request, we only want to make sure that everyone that wishes to remain an active member can do so.

Lake Level – The Lake level is important to those with an interest in Toledo Bend. Real time information on the matter can be found online at <https://waterdata.usgs.gov/monitoring-location/08025350/> This information is updated every fifteen minutes.

The Sabine River Authority's guidelines for opening and closing the spillway gates appears in their *Operating Guide Rule Curve* document. This document can be found at <http://www.srala-toledo.com/page.aspx?menuId=28>

Glynn Carver Memorial Scholarship- Gary Moore and the scholarship committee are nearing a decision regarding the awarding of this scholarship. The recipient and details related to the award ceremony are forthcoming. We are excited about this program and look forward to sharing news about it with you soon.

Toledo Bend Lunker Bass Program

Tabatha Green of Leesville, LA caught a 10.21-pound fish on March 28, 2020 and weighed it in at Keith's Toledo Bend Tackle. Tabatha's fish is Lunker number 36 for the current season. Congratulations, Tabatha!
