

“FERRIS BUELLER meets SLUMDOG MILLIONAIRE meets E.T.”

TOTALLY OUT OF ORBIT

COMEDY-
FANTASY

LOGLINE

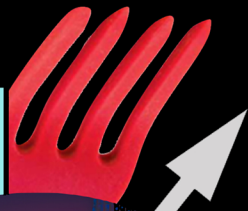

After a near-death experience, a high school senior becomes possessed by an invisible alien that wants to make him a culinary hero. But on a national TV game show, he will discover the true mission of the alien is to take over American Cuisine, cancel all grocery products, and restore humans into a hunter-gatherer civilization.

GAMES + FORMATS

Integration with brands and influencer culture creates engaging new games and social formats.

ALIEN INSIDE

GASTROPUNK

OPENING SEQUENCE

Extreme space weather in the Oort Cloud causes an alien to migrate to Earth. After he hijacks a Telsa and crashlands on Earth, he moves into the mind and body of a young grocery clerk with lethal food allergies.

STORYWORLD

Set in Los Angeles, during extreme space weather, brand new cuisines and grocery products are invented using GastroPunk's creative-destruction.
