GMF Consulting Hold a minimum of one networking luncheon each month and one after-hours networking mixer every other month to provide our venue partners with the perfect opportunity for industry wide exposure and to showcase their business to those who serve our annual 70 million visitors.

**The Lunch Breaks** are hosted on Fridays from 11:45 AM to 1:30 PM and our **The After-Hour Mixers** are hosted in the evening from 5:30 PM – 7:30 PM.

Our networking events starting with the Luncheons bring executives from the hospitality, tourism and corporate industry together. The after-hours mixers bring industry and corporate members to include Front of the House Employees. Attendance may vary between 20 and 75 plus depending on the venue, the cost and the program presented to the attendees by the venue.

**The Friday Lunch Break:** This networking event should present 3 options for lunch, chicken, meat and vegetarian. We recommend a buffet or family style service in order to speed the process. It is up to the venue to make this decision. The rate per person would range between \$15 and \$30 depending on the venue and the menu. This rate must be inclusive of the meal, soft drinks, taxes and gratuity.

**GMF will not charge the venue for hosting this event.** GMF will charge the attendees when they RSVP process and at the end of each event **GMF will pay the venue directly** for all the attendees excluding the GMF Staff and 4 VIP Clients.

**VERY IMPORTANT** instead of a service fee we ask the venue for 4 certificates of \$25 to be raffles at future GMF Networking events.

**If you agree with this program as stated above, please complete and fax or scan or email to GMF Consulting.**
