May 2019 President's Message

The April Freshwater event took place at Perris Lake. I will let the tournament winner fill you in on the details, but 7 club members attended, that I saw, and we had a good time chasing the bass, crappie and other species around the lake.

Captain David Bacon is this month's speaker.

The rod for Friends of Rollo has been ordered from Tiffany Bacon. Her father Captain Bacon, known him for over 20 years! Took my niece and nephew on one of the best private charters I've ever had and one they still speak about to this day. Captain Tiffany Bacon will have it in the next month or so. I will feature a picture of it in the June newsletter or as soon as I get it. Denise Davis, Laura Jones Jose L Dominguez and Sam Zanroso presented our check to Friends of Rollo at Fred Hall Long Beach. I am proud to say our continued support of the organization was strong this year and I look forward to our continued support of this fine organization. Raffle tickets will be sold as soon as I receive the rod and we will use the monies for our continued support of **Friends of Rollo**.

This month we will feature an Okuma reel and Okuma savage gear as part of our prize package. We will also have a big selection of fresh water gear.

Our first club sponsored saltwater trip is past! The other trips are filling fast and a lot have standby only. I'm looking to possibly book the Endeavor, Tucker McCombs new boat out of Ventura. I'm doing this for 2 reasons. One, it is always good to have another boat to fish and I want to extend our season past August into September or October and 2 there is a rumor the Pacific Dawn MAY move to San Diego year-round! As Tucker now owns the Endeavor, I am negotiating with him for June, July and August dates on board the Endeavor in hopes of getting a good shot at the White Sea bass!

Our trips are closing and beginning to fill up **FAST**. The June Dawn, Sea Jay and Betty O are full, but I will take STANDBYS, while the Pacific Dawn April Trip and Fury July Trip have one spot left. Time to sign up! So, get your money in so you can be aboard when the fish start biting. The trips are being purchased daily but as of my writing this, the information is correct. Our trips this year are.

1. Wednesday May 15, 2019 Sea Jay **STANDBYS** 4151 Victoria Avenue Oxnard, CA 93035, 805 382 1612. Boat usually leaves approximately 330 to 4am. You can sleep on the boat if you get there by 8pm. After that you can call the number on the fence on the right side of the marina, best fishing available, Sea Bass, Yellow Tail Calicos will be targeted. NO GALLEY on this boat there is a large ice chest and you should bring your own food and drink.
2. Saturday June 1 Pacific Dawn STANDBYS 1500 Anchors Way Drive Ventura, CA 93001, 805-676-3474. The boat usually loads about 7-8pm. You take your gear down and get a bunk. The boat departs about 10 PM or if everyone is there sooner. White Sea bass, Yellowtail Halibut, Ling Cod or best fishing available. Galley is provided and no coolers on the boat.
3. Sunday July 21, 2019 The Fury Sports fishing **1** spot available 34675 Golden Lantern Dana Point CA 92629 949 496 5794 Max load is 60; we are taking 21 or less! This at this moment is a **TUNA TRIP**, yellowtail, calicos, lingcod, halibut or best fishing available... The boat has a galley and you board in the order in which you arrive. No ice chest and there will be plenty of bunks. Bring your Tuna Gear! We/I donated one spot to support the CCA raffle. This will come out of my pocket and the club will not lose any money.
4. Saturday August 3, 2019 Betty O Sports fishing **standbys** available 13552 Fiji Way Marina Del Rey, CA 90292, 310 600 3069 **NOT** Long Beach. This is a twilight trip. We usually leave 430 pm and return at approximately 1030ish. There is a galley and mike has rental Gear on board. If successful we can have another Betty O Twilight trip, possibly in October. Let me know if interested, I need 30 people.
5. Aloha Spirit Sports fishing **1** spot available 4151 S Victoria Ave., Oxnard, CA 93030 905 382 1612 targeting Yellowtail, any tuna, White Sea bass or best available fishing. I need to verify our leave time as I was told 530am but thought it was earlier Shawn Stewart Captain wasn't available so Check our newsletter for the correct information

The 2019 Membership Drive is on!!!! Sam will have **pre-printed forms**. Just bring your check or cash and validate your personal information on the pre-printed forms. The data on the pre-printed forms comes from the club database. This is the best time to verify and update your information. (Please make every effort to use the pre-printed forms rather than fill out a blank form. I have had instances when people supplied "new" or "revised" information (or I couldn't read their writing), only to have to change the information back at a later date! Thanks for your consideration and cooperation.)

The dues for 2019 are the same as last year: \$45 for an individual and \$60 for a family membership.

Members Report

**April 14, 2019 Pacific Dawn Trip
By
William Davis**

Well as usual, the trip was a little hard to sell. We had Glen Bummer, William Davis, Ron Hall, Sam Zanrosso, Mike Maurizio, Randy Kroll, Eric Kroll, Chuck Auer, on board from the club. Don Udlock and Bob chiavelli dropped out due to illness and were replaced by Wayling Lueng, Kenny Lueng, and John Heary all of whom have fished with us before and I hope will join the club. Pat asked for two spots for Brandon and son Shane Thomas. I filled out the boat with fishermen who came all the way from Bakersfield Jacob Fritz, Shawn Fritz, Adam Wren, Scott Richardson and Walter Griffin. Walter drove all the way from Bakersfield to tell me he was ill but would still go on the trip. I sent him home.

The ride over was a little shaky but very loud. Waves were hitting the boat and you could hear them in the bunkroom. The day was overcast, and Mike did not see squid going over, so we decided to Rock Fish. We fished deep, at least everyone else did. For the first time in about 30 years I was actually sick. I sat out the morning session. Beautiful Reds and Ling Cod

came over the sides all day. Everyone was bringing up fish on the double dropper loops. I watched the techniques of my fellow anglers and was amazed how Glen Bummer just stood there stoically, bringing up one fish after another on a single speed reel. His technique was awesome. Little or no wasted motion or energy. I salute him! The others were having a great day with the white fish, reds, lings and other species. The weather was overcast and a little windy. By the third move I was feeling well enough to fish and caught a few small ling cods, white fish and reds. I didn't get skunked. I lost a Magic Mikey as I call it, a prized lure I got from Mike Maurizio and one of Captain David Bacon's Halibut Jigs when I snagged bottom.

Sacks were filled and we moved around looking for any signs of yellowtail and white sea bass, not knowing other boats were all over them earlier that day. The boats never let Mike know about the "bite." We fished for halibut and white fish when we reached our quota of Reds and Lings. All and all a successful first outing of the year.

By the way, Glen Bummer with his tried and true equipment and methods beat out Ron Hall to win the Club's biggest fish. Our guest Jacob Fritz took the Jackpot for the boat. It was a good trip and a great way to begin the saltwater season. Congratulations Glen on a job well done!

Lake Perris Club Trip April 27, 2019 By Ron Hall

Great day on the water with Denise, Randy, Warren, Sam, Jose and William (Mr. President). So happy that I was included in on the pontoon boat with a great group. We started off a little late because of the fog, and the fishing was slow. Jose was the one who proceeded to get hooked up the most. His biggest bass was a half inch too small or he would have beat my bluegill. It was my first ever fishing on a pontoon boat, and also fishing at Lake Perris. I was so excited to go! My biggest Bluegill ever .46kg (16.226oz)
